you follow Pat's compelling true life journey. Along the way you'll learn important information about bipolar, a disease which affects 5.7 million Americans about how to cope with mental illness when it affects you or a loved one and about how to move forward when in the midst of grief and loss. God seems unavailable and uncaring. You'll also discover the joy and peace available even in the darkest pit and the hope that can rise from the ashes of despair. This is a story you will find as intriguing as the movies and books you have seen and can't forget. The best book I've ever read on grief. Just beautiful how the author bares her soul. A must read for anyone who has lost a child. A book to read again and again. As former manager of a Christian book store I know the crying need for *When the Thief Strikes*. Marilyn Otte Cannon Falls MN. Wow. Right from the beginning this book grabs you and takes you through the darkness of the battle to victory. You might be able to read it in one sitting because you can't put it down but you will want to read it again slowly chewing on the God-given insights Pat shares. Whether you are going through the journey of dealing with mental illness, grief or know someone who is and want to reach out with wisdom this book is for you. Susan Dehmlow Vermilion MN. Even if Pat Day weren't my friend I would love this book. Pat Hanson Randolph MN. A TREMENDOUS book. A gift of love. I have friends impacted by bipolar which has largely been a mystery to me. Because of the insights gained from Pat Day's book I can now come along side them as a friend in their struggle with this thief. The end notes, bibliography and index make the book even more useful. The heart wrenching candor with which she recounts her story and its impact on her personal faith journey will profoundly affect you and strengthen you for your own times of trial. Beth Hagemeister Cannon Falls MN. An Awesome book. Hard to put down. So far 10 people are on my waiting list to borrow it. As a nurse I recommend doctors read it to gain insights on mental illness not found in textbooks. Cheryl Albers Northfield MN. I loved this book. A moving story for anyone. Addresses the core of suffering and grief. A must read for anyone who has a loved one suffering with mental illness. Sheds light on subjects rarely talked about. A true gift to those who read it. Roxanne Devney Northfield MN. This book invoked poignant memories of people I knew who died by suicide. It begs the question when will understanding and acceptance of mental illness begin and the silence and shame end. Don Burgoyne Cannon Falls MN. It's hard enough for a mother to work through the *Tell My Sorrows to the Stones*. Christopher Golden, 2013-08-15. Stories of suspense, sorrow and horror by the Bram Stoker Award winning New York Times bestselling author of *Ararat*. A circus clown willing to give anything to be funny. A spectral gunslinger who must teach a young boy to defend the ones he loves. A lonely widower making a farewell tour of the places that meant the world to his late wife. A faded Hollywood actress out to deprive her ex husband of his prize possession. These are just some of the characters to be found in *Tell My Sorrows to the Stones*, a remarkable collection of short fiction by one of today's literary masters of darkness. Some of my editor friends tell me that horror fiction is finally starting to make a comeback. If that's true writers like Christopher Golden are a big part of the reason. George R R Martin **The Car Thief**. Theodore Weesner, 2013-01-01. Alex steals another car and doesn't know why. His father grinds out the night shift looking forward to booze at the end.
