The Third Rail Confronting Our Pension Failures:

The Third Rail Jim Leech, 2015-08-25 Essential reading for decision makers When Leech talks politicians listen When he writes a book it's worth buying Toronto Star Over the next 20 years more than 7 million Canadian workers will retire Baby boomers the 45 to 65 year olds who account for 42% of the country's workforce will join the largest job exodus in Canadian history moving to the promised land of retirement Unless our crumbling pension system is reformed many of these retirees will find this dreamland a bewildering and disappointing mirage In the early 1980s consumers were setting aside 20% of their disposable incomes to their retirement plans today the savings rate is a threadbare 2.5% Retirement savings plans meant to build Canadians' personal war chests for their final years have failed to live up to their cheery promises of early retirement freedom market returns are low and financial fees are climbing Moreover retirement plans are now being compromised by high pension obligations and a shrinking workforce Canada has the capacity to diffuse this ticking pension time bomb with some hard choices posits Leech It's time for businesses governments unions and employees to face these options and fix and ultimately save our pensions system

The Third Rail Jim Leech, Jacquie McNish, 2013-10-29 For all Canadians a blueprint on the state of Canadian pensions the crisis we are faced with and solutions to fix it from the foremost expert on the subject Over the next 20 years more than 7 million Canadian workers will retire Baby boomers the 45 to 65 year olds who account for 42% of the country's workforce will join the largest job exodus in Canadian history moving the promised land of retirement Unless our crumbling pension system is reformed many of these retirees will find this dreamland a bewildering and disappointing mirage In the early 1980s consumers were setting aside 20% of their disposable incomes to their retirement plans today the savings rate is a threadbare 2.5% Retirement savings plans meant to build Canadians' personal war chests for their final years have failed to live up to their cheery promises of early retirement freedom market returns are low and financial fees are climbing Moreover retirement plans are now being compromised by high pension obligations and a shrinking workforce Canada has the capacity to diffuse this ticking pension time bomb with some hard choices posits Leech It's time for businesses governments unions and employees to face these options and fix and ultimately save our pensions system taking examples from Holland New Brunswick and Rhode Island places in which new laws have been adopted to repair the pensions programs

The Future of Pension Management Keith P. Ambachtsheer, 2016-02-23 A real world look at the pension revolution underway The Future of Pension Management offers a progress report from the field using actual case studies from around the world In the mid 70s Peter Drucker predicted that demographic dynamics would eventually turn pensions into a major societal issue in 2007 author Keith Ambachtsheer's book Pension Revolution laid out the ways in which Drucker's predictions had come to pass This book provides a fresh look at the situation on the ground and details the encouraging changes that have taken place in pension management concepts and practices The challenges identified in 2007 are being addressed and this report shows how design management and investment innovation have led to

measurably better pension outcomes Pensions have become an everyday news item and people are rightly concerned about the security of their retirement in light of recent pension scandals and the global financial crisis This book provides a note of encouragement detailing the ways in which today s pensions are becoming more and more secure and the new ideas and practices that are chipping away at the challenges Learn how pension management practices are improving Examine the uptick in positive outcomes over recent years Discover why pension investing is turning toward the long term Consider the challenges that remain and their possible solutions Drucker s vision of a needed pension revolution is unfolding in real time Better pension designs more effective pension governance and more productive pension investing are mitigating many of the issues that threatened collapse The Future of Pension Management provides a real world update on the state of pensions today and a look forward to the changes we still need to make
