The Torah Story An Apprenticeship On The Pentateuch:

The Torah Story Gary Edward Schnittjer, 2006 The Torah Story introduces the first five books of the Old Testament A sophisticated study text written in an engaging and accessible voice The Torah Story includes flexible study options that help students understand how these key books contribute to the ongoing story of salvation **Torah Story, Second Edition** Gary Edward Schnittjer, 2023-04-18 The gospel story begins in Torah What culminates at Golgotha starts with the rebellion in the garden The Torah's story can be framed as a question How will the word of God overcome the human revolution Torah Story offers a student friendly introduction to the redemptive narrative housed in the first five books of the Bible Every main chapter introduces a section of Torah with attention to its basic structure This is followed by another look at how this portion of Torah connects to the rest of the Christian Bible The dynamic design includes opportunities in every chapter to make the most of Torah study including Helps for getting started focus questions key terms outline An interactive workshop with challenge questions and advanced questions Suggestions for research projects Next steps for further study A refreshingly new approach to the Torah neither an introduction nor a commentary Torah Story provides an apprenticeship on the Old Testament's first five books But it also provides a model of how to read Scripture intertextually with an eye to the New Testament gospels It leaves no doubt as to the overarching unity of the message and composition of the Pentateuch The second edition is streamlined and simplified throughout with updated examples and new sidebars and imagery **How to Study the Bible's Use of the Bible** Gary Edward Schnittjer, Matthew S. Harmon, 2024-10-08 How to Study the Bible's Use of the Bible Seven Hermeneutical Choices for the Old and New Testaments by Gary Edward Schnittjer and Matthew S Harmon is an essential resource aimed at teaching a hermeneutic for understanding the Bible's use of the Bible Intended for students of both testaments the book's innovative approach demonstrates how the Old Testament use of Scripture provides resources for the New Testament authors use of Scripture The authors provide students with a clear approach to handling the Bible's use of itself through seven key hermeneutical choices organized into individual chapters Each chapter introduces a hermeneutical choice and then provides several examples of the Old Testament use of Old Testament and the New Testament use of Old Testament The plentiful examples model for students the need to ground hermeneutics in biblical evidence and provide insight into understanding why the Bible's use of the Bible is important **Torah Story Workbook** Gary Edward Schnittjer, 2023-04-18 This workbook accompanies Gary Edward Schnittjer's Torah Story Following the textbook's structure it offers chapter by chapter guided exercises designed to support the students learning experience and enhance their comprehension of the Pentateuch Working knowledge of the Bible's first five books is essential for every serious student of the Scriptures Torah Story by Gary Edward Schnittjer emphasizes the content of the text itself moving beyond debating dates and theories of authorship into understanding how these key books of the Bible help us understand the story of salvation **Introducing the Old Testament** Rolf A. Jacobson, Michael J. Chan, 2023-03-14 This lively engaging

introduction to the Old Testament is critical and theological lavishly illustrated and accompanied by a variety of pedagogical aids It serves as the Old Testament counterpart to Mark Allan Powell s successful *Introducing the New Testament* over 105 000 copies sold *Introducing the Old Testament* presents disputed and controversial issues fairly neither dictating conclusions nor privileging skepticism over faith based perspectives The full color interior is illustrated with photographs and fine art and includes sidebars maps a glossary and further reading suggestions A companion website through Baker Academic s Textbook eSources features a wealth of additional resources for students and instructors Resources for students include chapter objectives study questions flash cards and self quizzes Resources for professors include chapter objectives discussion prompts pedagogical suggestions PowerPoint slides and a test quiz bank **The Pastor's Library** Robert A.

Yost,2017-09-21 In the spirit of Cyril Barber s classic work from the 1970s *The Minister s Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies **Architectures of Grace in Pastoral Care** Douglas

B. Olds,2023-05-23 An updating of virtue ethics for modern pastors and the souls they care for this book proposes innovations for the craft of ministry in the theology of grace how virtues radiate to tame strife and other destructive behaviors It presents a comprehensive alternative to the top down proclamations of biblical counseling approaches that try to impart from an eclectic biblicist lens cognitive authorities for consequential change Instead Christ s bottom up practice of virtues heals and fulfills by focusing on neighbor first and subordinating the ego s strategic considerations more graciously spreading God s will in ministry through participatory and experiential knowledge Virtuous pastoral ministries integrate the common grace of humanist learning to address the range of the care seeker s contemporary context her upbringing struggles and affiliations This book presents more the how than the what of pastoral theology more how the dance of mutuality and chivalry enters the spiritual flow of healing metaphysical grace than the what of right belief Even so pastoral care from the virtue ethical approach inevitably reconsiders vending machine theologies destructive doctrinal boundaries and context lite biblicisms This presentation introduces how virtue ethics apply to ministry the household individual trauma and addictions and the contemporary political and cultural arena Genesis Kinds Todd Charles Wood,Paul A. Garner,2009-01-22 A belief

in creationism even in young age creationism does not necessitate belief in the unique creation of each species Instead many creationists accept a secondary origin of species from ancestors originally created by God In this view groups of modern species constitute the Genesis kinds that God originally created and beyond which evolution cannot proceed if it can even be called evolution In this collection of papers six scholars examine the species and the Genesis kinds Topics covered include

the history of creationist and Christian perspectives on the origin of species an analysis of the Hebrew word *min* kind from the perspective of biblical theology a baseline of minimum speciation within kinds inferred from island endemics a comprehensive list of proposed kinds from the mammalian fossil record the occurrence of discontinuity between kinds and the origin of new species by symbiosis Abstract *Trajectories* Bryan C. Babcock, James Spencer, 2018-03-02 *Trajectories* meets an urgent need in both undergraduate and graduate study of the Old Testament Too often Old Testament theology focuses on the end product and leaves the process obscured Each chapter of *Trajectories* provides a clear path connecting biblical research to theological conclusions The final chapter offers a step by step method for completing a thorough hermeneutical analysis framed within a discussion of the gospel message *Trajectories* also seeks to situate Old Testament theology in relation to global and generational trends influencing the church and evangelical theology The implications of globalization and the rise of millennials on Old Testament theology are critical and thought provoking topics for discussion Chapters in *Trajectories* are organized thematically so the textbook can serve as a companion study guide to courses in the Old Testament and New Testament In addition the exploration of topics allows each study to link to the New Testament Each chapter concludes with tangible applications for the contemporary Christian church and with questions for group discussion and reflection *The Publishers Weekly*, 2000 *The Pentateuch* Thomas B. Dozeman, 2017-03-17 The Pentateuch is the heart of the Hebrew Bible and the foundational document of Judaism It is also the focus of tremendous scholarly debate regarding the complex history of its composition This history will be explored along with analysis of the historical background and ancient Near Eastern parallels for its primeval history its ancestry narratives and laws the theological purposes of its final redaction and its diverse interpretation in communities today This textbook introduces students to the contents of the Torah and orients them to the key interpretive questions and methods shaping contemporary scholarship inviting readers into the work of interpretation today Pedagogical features include images maps timelines reading lists and a glossary *The Book of the Torah* Thomas Wingate Mann, 1988-01-01 A sound piece of work Its holistic final form approach reflects the major trend in biblical criticism It is perceptive sensitive thoughtful and stimulation David Gunn Professor of Old Testament Columbia Theological Seminary **Invitation to the Torah** George Van Pelt Campbell, 2020-07-10 We all love a good story The Torah or Pentateuch is regularly defamed as law Actually it s a saga about our search for happiness and how the God of the Bible fits into it Lacing legal material into narrative punctuated with poetry the Torah contrasts two provocative personalities named Abraham and Moses Fascinating and fickle their adventures portray two visions of approaching God The Torah was written to render a verdict on who is the best model This book demonstrates that Genesis Exodus Leviticus Numbers and Deuteronomy are a unified narrative framed as contrasting biographies proclaiming a coherent message It surveys each book s structure and themes to determine its argument and then articulates the Torah s message for people of all time its vision of human happiness It establishes that the Torah is the core of the Jewish and Christian Bibles and shows

how the rest of the Bible elaborates its message Ending with suggestions to help you read it this book is your invitation to the Torah *The Torah Mosaic* Tracy J. McKenzie, 2025-11-11 The Pentateuch lays an important literary and theological foundation for the rest of Scripture so it is important that readers correctly understand its intended message While seeing the Pentateuch's unity many Western readers miss its complexity and thus an aspect of its meaning In this book Tracy McKenzie unfolds the complex process of organization development and composition of these five books which was done in a literary world different from ours He emphasizes the composite unity of the Pentateuch while guiding readers through its discrete literary units This accessible and concise introduction models close reading of the text observing elements such as genre innerbiblical exegesis unifying language and literary features McKenzie shows that it is appropriate to appreciate the Pentateuch's complexity while maintaining faith in its unified message and divine authority Each chapter concludes with relevant interpretive theological and practical insights The aim is to sharpen readers' interpretation and expand their comprehension of the Pentateuch's message and theology which the author suggests concerns God's future people under his king's reign and authority This supplemental textbook will be useful to students in Old Testament courses and will also appeal to pastors and church leaders

The Pentateuch Paula Gooder, 2000 The Pentateuch the first five books of the Bible is a foundational scripture for millions of people both Jews and Christians This book addresses the need for a clear and accessible introduction for those beginning Bible study It presents and analyses key themes such as creation and flood exodus and liberation covenant and land and law and faith These are explored in their ancient context from the standpoint of contemporary concerns such as liberation theology gender issues and ecology This volume is ideal for those beginning an Old Testament course

The Book of the Torah Thomas Wingate Mann, 1988 **The Pentateuch**

Prof. Marvin A. Sweeney, 2017-11-07 The Pentateuch in the Core Biblical Studies series introduces the Five Books of Moses Genesis Exodus Leviticus Numbers and Deuteronomy It combines a purely literary approach to reading the final form of the Pentateuch with a historical reading of the text The literary approach emphasizes the structural role played by the so called toledoth generations formulae that trace the history of humankind from Adam through the ancestors of Israel and finally to Moses and Aaron as the founders of Israel's priesthood The historical reading of the text challenges the older model of source analysis to argue instead for a model that traces the composition of the Pentateuch from its origins in northern Israel during the 9th 8th centuries B C E E through its subsequent editions in Judah during the 8th 7th centuries B C E J and D and finally through the final redaction in the Persian period P Discussion throughout the volume focuses on how the text presents the origins or early history of Israel and its ideals or how it employs narrative and law to provide the foundations for an ideal national and religious identity The volume concludes with a brief treatment of how the Pentateuch is read in Judaism Christianity and Islam

The Scribes of the Torah Konrad Schmid, 2023-04-28 This collection of thirty one studies on the Pentateuch represents more than twenty years of Konrad Schmid's research and publications advocating for a new view of the Pentateuch's formation Schmid's essays present the case for a Persian period Priestly document that provided a basic narrative thread to the Torah that also included separate pre Priestly components of narratives in Genesis and the Moses story

The Way Into Torah Dr. Norman J. Cohen, 2012-01-09 An accessible introduction to how to read study and understand Torah the Bible and related sacred texts that have grown up around it For everyone who wants to understand Torah this book shows the way into an essential aspect of Judaism and allows you to interact directly with the sacred texts of the Jewish tradition Guided by Dr Norman J Cohen rabbi and professor of midrash at Hebrew Union College Jewish Institute of Religion The Way Into Torah helps us explore the origins and development of Torah why it should be studied and how to do it What Torah is The texts and beyond Not simply the Five Books of Moses Torah refers to much more than written words The different approaches to studying Torah The many ways Jews have interacted with Torah through the ages and how by learning to read Torah ourselves we can connect it to our lives today The levels of understanding Torah How Torah can come alive in different ways at different times and how new meanings of Torah are discovered by its readers Why Torah study is a part of the Jewish experience How it allows us to experience God's presence and why the Rabbis called Torah study more important even than belief in God This guide offers an entrance into the world of Torah and to its meaning for our lives The Way Into Torah shows us why reading Torah is not the same as reading anything else and enables us to become a part of a chain of Jewish tradition that began millennia ago and remains unbroken today
