JA Banks

The Truth Is All We Can And Need To Know About God:

The Truth Is Richard R. Schaefer, 2014-12-15 The nature and existence of God is often misrepresented in the arguments of theists and atheists alike An alternative representation of God one that I believe will make sense to and touch the hearts of people of good will in both camps can be found in a fresh reading of the Gospel of John In John s Gospel Jesus declares that he had been born that he had come into the world to testify to the truth And the text of the document represents him as doing just that Who or perhaps what God is is one aspect of the truth to which Jesus testifies in the Gospel The whole truth encompasses who God is who we are what we are meant to be doing and what it means to be saved THE TRUTH IS represents the culmination of a personal quest for the truth to which Jesus testified as that truth is represented in the Gospel of John In pursuing the truth I have meant to 1 let the text of the Gospel itself suggest the primary topic the truth and the subtopics and associated questions 2 identify and analyze the relevant evidence in the text and 3 formulate an understanding of the truth that best accounts for the evidence as it appears throughout the text Although the Gospel of John is generally recognized as a Christian document the truth to which Jesus testifies in the Gospel is universal accessible by and applicable to all whatever our religious affiliation or lack thereof Moreover the truth answers fundamental questions about existence that any of us might have questions such as Is existence and in particular are our lives about something or nothing Is there a purpose behind existence And will anything we do or fail to do have mattered when all is said and done **For God'S Sake, Stop the Bickering!** Douglas Davis, 2014-01-13 PEACE For Gods sake stop the bickering The title of this book has attempted to capture the essence of its contents This effort is about the things that matter on the road to peace It can be used as a study guide for small church groups or by an individual seeking self improvement The 11 things listed in the book do not cover all that matters The author has discussed priorities that when understood and practiced will assist readers in understanding the value of disagreements that are natural to the human condition However the authors asserts disagreements are often allowed to escalate into the hostility that he describes as conflict where its value dissipates His claim that conflict is disagreements on steroids awaits the readers response **A homiletic commentary on the Book of the prophet Ezekiel. Chapters i-xi by D.G. Watt, chapters xii-xxix by T.H. Leale, chapters xxx-xlviii by G. Barlow** David Gilkison Watt, 1890 **Divine Freedom and the Doctrine of the Immanent Trinity** Paul D. Molnar, 2017-02-23 Divine Freedom and the Doctrine of the Immanent Trinity is widely acclaimed by scholars in the field of Christian systematic theology Molnar s quest to place the doctrine of the immanent Trinity on the agenda of the Christian doctrine of God has proven to be a signal contribution to the debate in contemporary Christian theology The material in this second edition has been thoroughly updated it contains a new preface and a new introduction as well as a revised bibliography The book includes a brand new chapter titled Divine Freedom Revisited which addresses those questions that have arisen in connection with Molnar s original presentation of the divine freedom Molnar re visits here his discussion of the Logos
