The Uk Challenge To Europeanization The Persistence Of British Euroscepticism:

The UK Challenge to Europeanization Karine Tournier-Sol, 2016-04-29 This timely contribution pulls no punches and views the UK as institutionally Eurosceptic across politics and society from the press to defence It represents a rich and original contribution to the emerging field of Eurosceptic studies and a key contribution to this important issue *The Brexit Challenge for Ireland and the United Kingdom* Oran Doyle, Aileen McHarg, Jo Murkens, 2021-08-26 Evaluates the pressures both institutional and territorial that Brexit exerts on both the United Kingdom and Irish constitutional orders

The European Union in the Twenty-First Century Altuğ GÜNAR, Didem SAYGIN, 2023-04-20 The European Union in the Twenty First Century Major Political Economic and Security Policy Trends unpacks some of the most prominent issues faced by the EU over the last two decades and considers how they may shape its future as well as the future of international politics *The UK's Relationship with Europe* John Todd, 2016-06-16 This book provides an accessible and timely analysis of how the British discourse on Europe has evolved over the past forty years It focuses on three key episodes the 1975 referendum on the UK's continued membership of the European Economic Community the 1992 3 debates on ratification of the Maastricht Treaty and the more recent proto referendum debates sparked by David Cameron's Bloomberg speech in January 2013 Using a discourse analytical approach the book analyses how political and media voices seek to delineate a British sense of self from a Continental other Importantly the book also pays close attention to the rising prominence of immigration issues within the British discourse on Europe **British Novels and the European Union** Lisa

Bischoff, 2023-03-08 This book looks at the cultural political and economic conditions of British Euroscepticism Focusing on eight British dystopian novels published in the years before the decisive In Out Referendum and taking into account cultural political and economic contexts Lisa Bischoff shows how the novels stance towards the integration project range from slight criticism to outright hostility The wide availability of the novels and the prominence of both its authors and readers among which are political figures David Cameron Nigel Farage and Daniel Hannan amplify the power of literary Euroscepticism Drawing on cultural studies literature and social science *British Novels and the European Union* reveals the many facets of British Euroscepticism **Brexit** David Ramiro Troitiño, Tanel Kerikmäe, Archil Chochia, 2018-02-19 While the discussions among Brexiters mainly focus on the referendum of 2016 or David Cameron's great miscalculation and its repercussions this book looks at the Brexit as a process that began decades earlier It analyses EU UK relations from a new perspective taking into consideration the historical background political aspects and legal and economic matters The book provides a holistic understanding of the Brexit approaching the referendum and its outcomes as the culmination of a long process rather than an isolated political event crafted within the corridors of Westminster or Downing Street 10 Accordingly it addresses a range of thematic issues historical patterns of political and economic behavior both within and beyond the United Kingdom and possible future effects on relations between the Union and one of its most important members The UK Challenge to

Europeanization Karine Tournier-Sol, Chris Gifford, 2014-01-14 This timely contribution pulls no punches and views the UK as institutionally Eurosceptic across politics and society from the press to defence It represents a rich and original contribution to the emerging field of Eurosceptic studies and a key contribution to this important issue

Evolving Euroscepticisms in the British and Italian Press Paul Rowinski, 2018-08-24 This book argues the discursive construction of the EU in national newspapers is pivotal in creating an environment of Euroscepticism It will challenge the persuasive manipulative and prejudicial language sometimes peddled in the influential UK Murdoch and Italian Berlusconi press The foci are the key Eurosceptic triggers of the euro the subsequent national economic crises and immigration investigated through major events covered over two decades including the UK's recent Brexit vote The book will explore the national responses to the post war project how the EU is understood through the prism of nationhood and how

that has now manifested itself in Euroscepticism in both countries lastly articulated through interviews with British and Italian politicians and journalists involved It will include Euroscepticism s latest chapter The increasingly key protagonists of the UK Independence Party and Italy s Five Star Movement want to take Britain out of the EU and Italy out of the euro covered in the Murdoch and Berlusconi press This book offers a rigorous academic analysis presented in an accessible style to experts and laypersons alike exploring concrete articulations of Euroscepticism in the press Selling the Public Short
