The Uncensored Bible The Bawdy And Naughty Bits Of The Good Book:

The Uncensored Bible John Kaltner, Steven McKenzie, 2009-10-06 Strange but True Bible Facts Did you know that King David swore like a sailor that the Book of Ecclesiastes encourages drinking especially beer that mandrakes were the biblical equivalent of Viagra that the law of Moses prescribes bikini waxing that Joseph's coat of many colors might have actually been a dress that Eve might have been created not from Adam's rib but from something a little lower down Discover all this and more in The Uncensored Bible

What Really Happened in the Garden of Eden? Ziony Zevit, 2013-11-26 A provocative new interpretation of the Adam and Eve story from an expert in Biblical literature The Garden of Eden story one of the most famous narratives in Western history is typically read as an ancient account of original sin and humanity's fall from divine grace In this highly innovative study Ziony Zevit argues that this is not how ancient Israelites understood the early biblical text Drawing on such diverse disciplines as biblical studies geography archaeology mythology anthropology biology poetics law linguistics and literary theory he clarifies the worldview of the ancient Israelite readers during the First Temple period and elucidates what the story likely meant in its original context Most provocatively he contends that our ideas about original sin are based upon misconceptions originating in the Second Temple period under the influence of Hellenism He shows how for ancient Israelites the story was really about how humans achieved ethical discernment He argues further that Adam was not made from dust and that Eve was not made from Adam's rib His study unsettles much of what has been taken for granted about the story for more than two millennia and has far reaching implications for both literary and theological interpreters Classical Hebrew in the hands of Ziony Zevit is like a cello in the hands of a master cellist He knows all the hidden subtleties of the instrument and he makes you hear them in this rendition of the profoundly simple story of Adam Eve the Serpent and their Creator in the Garden of Eden Zevit brings a great deal of other biblical learning to bear in a surprisingly light hearted book Jack Miles author of *God A Biography*

Biblical Sterne Ryan J. Stark, 2021-01-14 Is Laurence Sterne one of the great Christian apologists Ryan Stark recommends him as such perhaps to the detriment of the parson's roguish reputation The book's aim however is not to dispel roguishness but rather to discern the theological motives behind Sterne's comic rhetoric from *Tristram Shandy* and the sermons to *A Sentimental Journey* To this end Stark reveals a veritable avalanche of biblical themes and allusions to be found in Sterne often and seemingly awkwardly in the middle of sex jokes and yet the effect is not to produce irreverence On the contrary we find an irreverently reverent apologetic Stark argues and a priest who knows how to play gracefully with religious ideas Through Sterne in fact we might rethink humour's role in the service of religion

Uncensored Brian Cosby,2015-10-01 Are you embarrassed by the Bible The Bible is full of stories that make us uncomfortable Israelites stoned adulterers slaves were told to obey masters Jesus declared that sinners go to hell and God commanded His people to kill others both young and the old alike In response many of us opt for a feel good faith by embracing only the socially acceptable verses and passages In *Uncensored* Brian Cosby disrupts this deadly trajectory by explaining why all Scripture is God breathed holy and essential to us as believers And he invites you to quit hiding behind the fig leaf of half truth and embrace a healthy passionate faith
