The Uninvited A True Story:

The Uninvited: A True Story Clive Harold, 2018-08-31 First published in 1979 *The Uninvited* is the true story of an ordinary family living in South Wales who found themselves entangled in a series of unearthly encounters in 1977 At first the manifestations were minor UFOs were sighted in the area huge burnt patches were found in the fields television sets and cars blew all of their wiring but before long the Coombs family was visited by weird lights huge white figures and a glowing disembodied hand Their lives were disrupted and they were terrified by something unidentifiable and unimaginable They were a focus for *The Uninvited* For the first time the book has been revised fixed and renewed with all new additional content and digitally enhanced photographs *The Uninvited* Steven LaChance, Laura Long-Helbig, 2008 Examines the disturbing incidents involving a dark entity in a house in Union Missouri and the findings of the paranormal investigators with regard to the biting screaming and invisible shoving inflicted upon various residents within the home Original *The Haunting of the Tenth Avenue Theater* Alex Matsuo, 2015-10-01 Is San Diego's renowned Tenth Avenue Theater home to an unlikely cast of ghosts and if so what has kept the spirits of the dead bound to this venue of entertainment and illusion From reports of a child's tragic death on the premises to a suicide stemming from overwhelming guilt there is grief turmoil and unfinished business lingering within these walls Alex Matsuo an actress by day and a ghost hunter by night was granted unlimited access to the haunted property where she has performed as an actor and staged professional readings of her plays Investigating the popular and thriving theater she has always considered home Alex must unravel the turbulent history of the building in order to find out why the ghosts of the Tenth never want to leave *The Agony That Remains* Brandon Callahan, 2016-08-08 In the northeast corner of Oklahoma where the Trail of Tears ends and where one of the world's largest clusters of ley lines intersect there's a place of extreme paranormal activity that has received little attention from the outside world Join Brandon Callahan and his crew as they investigate the horrifying legacy of a bloody and brutal past where generations of families have been terrorized by ghosts demons UFOs Sasquatch and countless other paranormal manifestations Partnering with a family that's been driven from their land Brandon and his team discover energies that have no fear As dark forces take hold of the investigators' lives Brandon must attempt to salvage what's left of his team's and his own sanity *The Alien Abduction Phenomenon* Paul Meehan, 2025-06-13 News reports books articles and films about alien abductions have long captured the public imagination This book traces the evolution of the phenomenon from the late 1940s flying saucer era and the contactee and occupant sightings of the 1950s to the widespread abduction stories of the 1960s and beyond It examines how broader social cultural and scientific contexts have shaped these accounts and offers a critical analysis of their interpretations over time Also discussed are the key researchers who have sought to understand the nature and intentions of alleged extraterrestrial beings or ufonauts while addressing the skepticism about the subject The efforts of the scientific community to investigate unidentified aerial phenomenon UAP and abductions are assessed acknowledging

both the challenges and limitations of such inquiries Firsthand encounters with non human entities are examined attempting to uncover the forces behind these sightings and arguing that there could be unforeseen consequences of ignoring the phenomena
