Joseph Gross, 1984 **The Air National Guard and the American Military Tradition** Charles Joseph Gross, 1995 Recounts the Air National Guard's service and heritage as part of the nation's military forces Traces the militia tradition and connects this story with the rising influence of air power Outlines the Air National Guard's three primary missions to reinforce active duty forces in wartime to assist State governments responding to natural disasters and public emergencies and to provide various community service functions L C card 94 067989 **United States Air National Guard: Fact**

beyond the changes wrought earlier in federal state military relations The Air Guard was ready for the Total Force policy of the 1970s The dilemma of maintaining a reserve fully capable of fighting the air was solved By the 1980s the Air National Guard at the same inheritors of a military tradition extending back before 1776 and users of the most advanced technologies of war could prove that citizen soldiers need not to be second to any airman in the world Contents Forged in Politics 1943 1946 Struggle for Control 1946 1950 Rejuvenation 1950 1953 Integrating with the Active Force 1953 1960 The Cold Warriors 1961 1962 Vindication 1963 1969 Epilogue The Air National Guard and the Total Force united States Air Force Office of Air Force History *Annual Report of the Chief of the National Guard Bureau* United States.
