The Unity Principle The Shaping Of Jewish History:

The Unity Principle Ellis Rivkin,2003 Presents a dynamic interpretation of Jewish history from biblical to modern times as a set of interconnected and evolving events and relationships that spring directly from Judaism s core beliefs **Jews and New Christians in the Making of the Atlantic World in the 16th-17th Centuries** Henryk Szlajfer,2023-11-13 Amsterdam Jews appeared up to the mid 17th century as Braudelian great Jewish merchants However the New Christians heretic judaizantes in the eyes of the Inquisition dispersed around the world group sui generis were equally crucial Their religious identities were fluid but at the same time they and the new Jews from Amsterdam formed a part of economic modernity epitomized by the rebellious Netherlands and the developing Atlantic economy At the height of their influence they played a pivotal albeit controversial role in the rising slave trade The disappearance of New Christians in Latin America had to be contextualised with inquisitorial persecutions and growing competition in mind **Reappraisals and New Studies of the Modern Jewish Experience** Brian Smollett,Christian Wiese,2014-10-30 Reappraisals and New Studies of the Modern Jewish Experience brings together twenty scholars of Modern Jewish history and thought The essays provide a fresh perspective on several central questions in Jewish intellectual social and religious history from the eighteenth century to the present in the contexts of Russia Western and Central Europe and the Americas **These Are the Names** John Levi,2013-04-01 Between 1788 and 1850 more than 1500 Jewish men and women were either transported to Australia as convicts or arrived as free settlers This important biographical dictionary presents the details occasionally sketchy but sometimes extensive of more than 1500 of these pioneers Rabbi John Levi s painstaking research through the fragmentary and often contradictory colonial records has culminated in an invaluable reference work and resource A wealth of information including birth names extra names nicknames aliases and maiden names together with details of marriages children and occupations makes These are the Names a major contribution to an important but little recognised aspect of Australia s settlement history For the first time the earliest generation of Jews to settle in Australia is named and remembered *The Shaping of Jewish History* Ellis Rivkin,1971 **The Inner Journey** Jack Bemporad,2007 For over three decades Parabola has used story and symbol myth ritual and sacred teachings to give insight to those for whom religion is a path of discovery and questioning Following its popular books on the Christian Buddhist and Hindu spiritual traditions The Inner Journey Views from the Jewish Tradition presents a thoughtful composite picture of this ancient belief system Here are some of the best writings on the subject featuring works from a wide range of genres that delve into the spiritual byways of Judaism Isaac Bashevis Singer Martin Buber Rabbi Adin Steinsaltz and other important thinkers in the field take on such topics as Kabbalah the search for self and divine and worldly works Featuring beautifully reproduced color artwork this book is a chorus of passionate voices that explore both the Torah and the Zohar of enduring Jewish mystic thought **The Jewish Quarterly Review** ,1975 Outline of Christian Theology Clarence Augustine Beckwith,1899 Hebrew Union

College-Jewish Institute of Religion at One Hundred Years Samuel E. Karff,1976 **American Book Publishing Record**
