The University Of Chicago The Campus Guide An Architectural Tour:

The University of Chicago Jay Pridmore, 2006 *University of Chicago* Jay Pridmore, 2006-02-02 The newest title in the Princeton Architectural Press Campus Guide series takes readers on a tour of the University of Chicago an institution that since its founding in 1890 has exerted a profound impact on American higher education This elegantly written guide shows the campus as a wonderfully eccentric and vastly underappreciated element of Chicagos revered built environment Designed in the English Gothic style of its time the original campus planned by Chicago architect Henry Ives Cobb had a commonality of vision that made it equal in quality to the finest in America As the traditional reliance on the Gothic gave way to modernist styles the campus was expanded with buildings by such notable architects as Eero Saarinen Mies van der Rohe Frank Lloyd Wright and Walter Netsch The university s most recent additions include Cesar Pelli s 2003 Gerald Ratner Athletics Center and Rafael Violy s Graduate School of Business complex Beautifully photographed in full color the guide presents an architectural walk of this campus distinguished by landmark buildings *Northwestern University* Jay Pridmore, 2009-07-01 Northwestern University The Campus Guide takes readers on a vivid trip through this campus s compelling history from the 19th century to the present day This highly illustrated guide presents a wide variety of buildings ranging from Prairie style to Collegiate Gothic by historically important architects like Charles Coolidge Daniel Burnham and Company and Skidmore Owings Merrill and landscape designs by Jens Jensen Insightfully written by Jay Pridmore Northwestern University The Campus Guide reveals the stories behind the buildings residences and landscapes of the Northwestern campus Exquisitely painted three dimensional maps locate the buildings in nine architectural walks covering both the Evanston and Chicago sections of the campus and exploring Northwestern s unique relationship with its urban surroundings *University of Toronto: An Architectural Tour (The Campus Guide) 2nd Edition* Larry Wayne Richards, 2019-04-02 University of Toronto The Campus Guide second edition portrays the dramatic growth and development of Canada s largest university while it showcases some of the finest architecture and landscapes in eleven curated walking tours Founded in 1850 and built in a pastoral setting outside the city limits the renowned university now has more than 90 000 students at three distinguished campuses the downtown Toronto St George campus the University of Toronto Mississauga and the University of Toronto Scarborough Extraordinary new photographs and beautifully illustrated maps bring to life the university s historical evolution from the nineteenth century to the present University of Toronto is the newest addition in the acclaimed Campus Guide series of leading colleges and universities in North America **Building Ideas** Jay Pridmore, 2013-07-22 Many books have been written about the University of Chicago over its 120 year history but most of them focus on the intellectual environment favoring its great thinkers and their many breakthroughs Yet for the students and scholars who live and work here the physical university its stately buildings and beautiful grounds forms an important part of its character Building Ideas An Architectural Guide to the University of Chicago explores the environment that has supported more than a century of

exceptional thinkers This photographic guide traces the evolution of campus architecture from the university's founding in 1890 to its plans for the twenty first century When William Rainey Harper the university's first president and the trustees decided to build a set of Gothic quadrangles they created a visual link to European precursors and made a bold statement about the future of higher education in the United States Since then the university has regularly commissioned forward thinking architects to design buildings that expand or explode traditional ideals while redefining the contemporary campus Full of panoramic photographs and exquisite details Building Ideas features the work of architects such as Frank Lloyd Wright Henry Ives Cobb Holabird Roche Eero Saarinen Ludwig Mies van der Rohe Walter Netsch Ricardo Legorreta Rafael Viñoly Cesar Pelli Helmut Jahn and Tod Williams Billie Tsien Architects The guide also includes guest commentaries by prominent architects and other notable public figures It is the perfect collection for Chicago alumni and students Hyde Park residents and visitors and anyone inspired by the institutional ideas and aspirations of architecture Illinois Institute of Technology Franz Schulze, 2005-03-10 vii viii THE CAMPUS GUIDE Illinois Institute of Technology an architectural tour by Franz Schulze with photographs by Richard Barnes foreword by Lew Collens Princeton Architectural Press NEW YORK 2005 Princeton Architectural Press 37 East Seventh Street New York New York 10003 For a free catalog of books call 1 800 722 6657 Visit our web site at www.papress.com Copyright 2005 Princeton Architectural Press All rights reserved 08070605 54321 First edition No part of this book may be used or reproduced in any manner without written permission from the publisher except in the context of reviews Every reasonable attempt has been made to identify owners of copyright Errors or omissions will be corrected in subsequent editions All images by Richard Barnes unless otherwise noted Photo credits pp vi v IIT Residence Halls Chicago Historical Society HB 18783 D photographer Hedrich Blessing pp viii ix Alumni Memorial Hall Chicago Historical Society HB 9767 A photographer Hedrich Blessing pp xvi 1 2 3 4 5 6 8 11 29 43 48 64 72 top 75 79 94 Reproduced by permission of University Archives Paul V Galvin Library Illinois Institute of Technology Chicago IIT has made every reasonable attempt to identify owners of copyright Errors or omissions will be corrected in subsequent editions

Imagining Spaces and Places Saija Isomaa, Kirsi Saarikangas, 2014-07-18 Imagining Spaces and Places seeks to produce an interdisciplinary dialogue between art history and literature studies and other fields of cultural analysis that work with the concepts of space place and various scapes such as cityscapes bodyscapes mindscapes and memoryscapes as well as the more familiar landscapes The volume was inspired by new lines of study that underline the experiential and multidimensional aspects of spaces We explore how art literature or urban spaces forge scapes by imposing or suggesting aesthetic evaluative or ideological orderings and perceptual as well as emotive perspectives on the raw material or on previous ways of spatial worldmaking We look at the role of cultural and artistic renderings of space in relation to everyday experiences of spaces We examine how the experiences of places are mediated in various art forms and other cultural discourses or practices and how these discourses contribute to the understanding of particular places and also to
