The Boundaries of the Literary Archive Lisa Stead, 2016-03-23 This volume offers new and challenging interdisciplinary approaches to the use and study of literary archives Interrogating literary and archival methodology and foregrounding new forms of textual scholarship the collection includes essays from both academics and archivists to address the full complexity of the study of modern literary archives The authors examine the increasing prominence of archives and their importance to the interdisciplinary study of textual history in the 21st century exploring both emerging and established areas of literary history The book is marked by its attention to four distinct core threads that allow the authors to traverse a range of historical periods and literary figures archival theory and textual production authorial legacies and digital cultures gender issues in the archive and the practical concerns of archival research and curatorship By offering an investigation of material from a range of historical periods within distinct methodological groupings the volume seeks to encourage interplay between scholars working in different fields around similar essential questions of methodology whilst presenting a rich account of archives worldwide

Elizabeth Bishop and the Literary Archive Bethany Hicok, 2020-01-03 In a life full of chaos and travel Elizabeth Bishop managed to preserve and even partially catalog a large collection more than 3 500 pages of drafts of poems and prose notebooks memorabilia artwork hundreds of letters to major poets and writers and thousands of books now housed at Vassar College Informed by archival theory and practice as well as a deep appreciation of Bishop's poetics the collection charts new territory for teaching and reading American poetry at the intersection of the institutional archive literary study the liberal arts college and the digital humanities The fifteen essays in this collection use this archive as a subject and for the first time argue for the critical importance of working with and describing original documents in order to understand the relationship between this most archival of poets and her own archive This collection features a unique set of interdisciplinary scholars archivists translators and poets who approach the archive collaboratively and from multiple perspectives The contributions explore remarkable new acquisitions such as Bishop's letters to her psychoanalyst one of the most detailed psychosexual memoirs of any twentieth century poet and the exuberant correspondence with her final partner Alice Methfessel an important series of queer love letters of the 20th century Lever Press's digital environment allows the contributors to present some of the visual experience of the archive such as Bishop's extraordinary multi medial and multimodal notebooks in order to reveal aspects of the poet's complex composition process

Cultural Heritage and the Literary Archive Tim Sommer, 2024-09-30 Modern literary archives play a key role in how authors' lives and works get canonized and consecrated as cultural heritage This interdisciplinary volume combines literary studies book history textual criticism heritage studies archival theory and the

digital humanities to examine the past present and future of literary archiving Featuring contributions from leading international scholars and archive professionals the book explores the objects practices and institutions that have been at the heart of the modern archival landscape since its emergence in the nineteenth century Covering a wide range of questions the volume reconstructs how literary manuscripts turned into secular relics and analyzes the impact that the rise of the archive has had on the scholarly study and public perception of literature as cultural heritage Individual chapters range from historical accounts of the Romantic origins of manuscript worship to critical discussions of the archiving of contemporary writers born digital material

Ideology in the Poetry of Sylvia Plath Ikram Hili, 2021-06-29 With its distinctive poetic forms and themes Sylvia Plath's poetry patently epitomizes her personal and artistic struggle as a woman writer to be part of a largely male dominated canon In *Ideology in the Poetry of Sylvia Plath From Manuscript to Published Poem* Ikram Hili examines the difficulties that Plath encountered while drafting her poems as she wrestled with what to reveal to or conceal from the reading public a literary exertion that is even more visible when studying the poet's manuscripts of published and unpublished poems While examining the influence of ideology on Plath's poetics Hili traces different stages of the poet's literary journey as she moves from restriction repression and containment towards a liberating phase during which she carves out her own body of writing Detaching herself from the rigid crippling formalism of her earlier years Plath confronts her own indecisiveness as a poet cleans up her messy drafts and embarks on an aesthetic healing process The literary body that she aims to construct is no longer confined within the great writing tradition that she once perceived as predominantly male nor is it perfect It is a perfected body the result of a process into which Plath's captivated readers have also entered
