Visual Culture Theories and concepts Peter M. Burns,Cathy Palmer,Jo-Anne Lester,2010 Tourism is an essentially visual experience we leave our homes so as to travel to see places thus adding to our personal knowledge about and experience of the world The study of tourism as a complex social phenomenon beyond simply business is increasing in importance and by providing an examination of perceptions of culture and society in tourism destinations through the tourist s eyes this book discusses how destinations were and are created and perceived through the lens of the tourist s gaze It is essential reading for researchers and students in tourism and related subjects *Thinking Through Tourism* Julie Scott,Tom

Selwyn,2021-01-14 The study of tourism has made key contributions to the study of anthropology This volume defines the current state of the anthropology of tourism examining political economic ideological and symbolic themes An extraordinarily rich collection of case studies illustrate topics as diverse as hospitality sex and tourism enchantment colonial and neo colonial consumption and the relation between tourism and gender and ethnic boundaries as well as questions of global economic and cultural systems modernism and nationalism The book also covers practical and policy issues relating to urban rural and coastal planning and development Thinking through Tourism assesses the enormous potential contribution that analysis of tourism can offer to mainstream anthropological thinking The volume opens up new avenues for enquiry and is an essential

resource for students and scholars of anthropology geography tourism sociology and related disciplines **Taking Tourism to the Limits** Michelle Aicken, Stephen J. Page, Chris Ryan, 2006-08-11 The concept of margins and limits is often referred to within the tourism academic literature and includes subjects as diverse as carrying capacities peripheral economies technological advancement adventure tourism dark tourism and socially marginalized communities After identifying a number of ways in which limits might be defined Taking Tourism to the Limits explores concepts and challenges facing contemporary tourism in five main sections namely in tourism planning and management nature based tourism dark tourism adventure and sport tourism and the accommodation industry Drawing upon case studies current research and conceptualizations these different facets of the limits are each introduced by the editors with commentaries that seek to identify themes and current practice and thinking in the respective domains The picture that emerges is of an industry that reinvents itself in response to changing market parameters even while core issues of stakeholder equities and political processes remain problematic International in scale the book links with its companion piece Indigenous Tourism the commodification and management of culture also published by Elsevier as an outcome of the very highly successful conference Taking Tourism to the Limits hosted by the University of Waikato Department of Tourism Management in 2003

Tourism, Land and Landscape in Ireland K.J. James, 2014-06-20 This study exploring a broad range of evocative Irish travel writing from 1850 to 1914 much of it highly entertaining and heavily laced with irony and humour draws out interplays between tourism travel literature and commodifications of culture It focuses on the importance of informal tourist economies illicit dimensions of tourism national landscapes legend and invented tradition in modern tourism *Understanding Urban Tourism* Martin Selby, 2003-12-18 Despite the formidable growth of urban tourism there has been little of the critical engagement that one would expect from the social sciences the rich potential of contemporary social science for urban tourism has yet to be realized Martin Selby's textbook makes available to practitioners and students seeking to understand the phenomenon of tourism in towns and cities the methods and concepts that are currently enhancing and transforming our understanding of society in other areas of the social sciences With an emphasis on image culture and experience the author draws upon the cultural turn to explain the human aspects of the urban tourism phenomenon The discussions emphasize the significance of urban tourism within debates upon the contemporary city postmodernity and the pursuit of social science Clearly written with case studies and further reading this book should be welcomed by students and lecturers in geography tourism planning and sociology **Leisure and Tourism Landscapes** Cara Aitchison, Nicola E. MacLeod, Nicola E Macleod, Stephen J. Shaw, 2014-05-01 Increasingly significant as mediators of spatial identity and meaning leisure tourism culture and heritage are only now beginning to be located within the rapidly evolving discourses of poststructuralist geographies Exploring the influence of leisure and tourism on the production representation and consumption of landscape the first half of this important book focuses on different ways of seeing or representing landscape whereas the second half

examines different forms of productive consumption in leisure and tourism Both symbolic and material spaces of leisure and tourism are also examined in relation to urban and rural landscapes heritage landscapes gendered landscapes and landscapes of sexuality and desire With a multidisciplinary approach and a strong theoretical content which builds on poststructuralist theories this is undoubtedly an important addition to literature in the field
