The Souvenir Louise Steinman,2013-05-07 A soldier s daughter unravels the secrets of her father s experience in the Pacific Theater in this graceful understated World War II memoir for fans of The Things They Carried The New York Times Book Review Louise Steinman s American childhood in the fifties was bound by one unequivocal condition Never mention the war to your father That silence sustained itself until the fateful day Steinman opened an old ammunition box left behind after her parents death In it she discovered nearly 500 letters her father had written to her mother during his service in the Pacific War and a
