Trumpeter of Krakow: A Tale of the Fifteenth Century Eric P. Kelly, 2007-01-01 It was in the spring of the year 1241 that rumors began to travel along the highroad from Kiev in the land of Rus that the Tartars of the East were again upon the march Men trembled when they heard that news and mothers held their children close to their breasts for the name Tartar was one that froze folks blood in their veins As the weeks went on the rumors grew thicker and there began to come through to Poland our land of the fields the news that the country lands of the Ukraine were ablaze Then it was heard that Kiev had fallen then Lvov the city of the Lion and now there was naught between the savage band of warriors and the fair city of Krakow save a few peaceful villages and fertile fields The Tartars came through the world like a horde of wild beasts They left not one thing alive nor one green blade of wheat standing They were short dark men of shaggy beards and long hair twisted into little braids and they rode on small horses which they covered with trophies that they had gained in war Brave they were as lions courageous they were as great dogs but they had hearts of stone and knew not mercy nor pity nor tenderness nor God On their horses they carried round shields of leather and iron and long spears often trailed from their saddles About their shoulders and thighs they wore skins of animals Some decorated their ears with golden rings here and there one wore a gold ring in the nose When they traveled the dust rose high into the sky from beneath the hoofs of their little horses and the thunder of the hoofbeats could be heard many miles away They were so numerous that it took days for the whole horde to pass any one given point and for miles behind the army itself rumbled carts bearing slaves provisions and booty usually gold Before them went always a long desperate procession of country people driven from their humble homes by the news of the coming terror they had already said farewell to the cottages where they lived the parting from which was almost as bitter as death So it has always been in time of war that the innocent suffer most these poor helpless peasants with their carts and horses and geese and sheep trudging along through the dust to escape if God so willed the terrible fate which would befall them were they left behind There were old people in that procession too feeble to be stirring even about a house mothers nursing children women weak with sickness and men broken hearted at the loss of all that a lifetime of labor had brought Children dragged themselves wearily along beside them often bearing their pets in their arms To this company

Krakow opened her gates and prepared for defense Many of the nobility and rich citizens had in the meantime fled to the west or taken refuge in monasteries far to the north The brothers of the monastery at Zwierzyniec a short distance outside the city took in all the refugees that the building could accommodate and then prepared to stand siege But the great weary terror mad mob that had fled ahead of the band of Tartars was content enough to make the city itself its destination And once within its walls all turned their faces toward the south For there in the south of the city towering on its rocky hill high over the Vistula River was the great irregular turreted mass that was the Wawel the fortress and castle of the kings of Poland from the time of Krakus the legend king and the home of the dukes and nobles who formed the king s court *The Trumpeter of Krakow* Eric Philbrook Kelly,2021-08-31 Eric Philbrook Kelly s *The Trumpeter of Krakow* is a historical novel set in 17th century Poland blending folklore with real events The story follows the journey of a young boy Joseph as he unravels the mysteries surrounding the legendary trumpeter of Krakow Kelly s writing style is engaging and vivid immersing readers in the magical world of alchemy and medieval Poland The book is rich in historical details and themes of bravery sacrifice and the power of music It s a captivating read for both young adults and adults interested in historical fiction with a touch of fantasy Kelly s meticulous research and storytelling prowess make *The Trumpeter of Krakow* a unique and compelling work of fiction that sheds light on Polish history and folklore **The trumpeter of Krakow** ,1990 *The Trumpeter of Krakow* Eric P.
