The Truth About Forgiveness:

The Truth About Forgiveness John F. MacArthur, 2012-04-30 The greatest measuring rod of love in the life of a Christian may be forgiveness because God showed His love to us in terms of forgiveness John MacArthur Does anyone really want to forgive Or admit that we need forgiveness Whether we re giving or receiving forgiveness is hard It seems unfair It feels unnatural And as best selling author and pastor John MacArthur demonstrates forgiveness apart from Christ is unnatural It is only as we understand our need Christ s power and example and what it really means to love that we can embrace two of the most liberating acts of love forgiving and being forgiven In *The Truth About Forgiveness* you are taken through the Bible and encounter Studies of key Bible characters Theological instruction Practical application points and ideas Inspiration to readily give and humbly receive forgiveness Forgiveness is a fundamental means by which we live out our faith daily Having experienced God s forgiveness Christians find joy in forgiving other people This book will inspire you to develop a merciful spirit and will warn you what can happen if you are unwilling to forgive others The Truth About Series For decades MacArthur has encouraged countless Christians to develop a deeper understanding of the Bible and a greater respect for God s truth In The Truth About series he now gathers his landmark teachings about core aspects of the Christian faith in one place These powerful books are designed to give readers a focused experience that centers on God s character and how it applies to their daily walk of faith *The Truth About Forgiveness* Wendy Bussell, 2005-06-23 The primary benefit of this forgiveness book is it challenges us to be the spiritual people we were created to be Living in happy healthy and whole relationships with ourselves others and God I have seen and heard over the years so many people talking about forgiveness and what they think forgiveness is I have come to believe that most people do not know the truth about forgiveness or the power forgiveness has for the one who chooses to forgive and be forgiven When we choose to forgive the end result is freedom to live our lives without all the hindrances anger hatred resentments bitterness and unforgiveness fills our hearts and spirits with Forgiveness opens ourselves to getting our lives back into a place of balance so that we can live in peace and harmony with ourselves and then with others The unique message of this book is the truth and reality it illustrates It shows how we can live in true spirituality and life from a perspective we can all relate to and understand It is written from a personal and experiential perspective as I have journey with myself and others I feel what sets this forgiveness book apart is it is inspired by God written for God s people The book will help the reader to know the truth about what forgiveness is and what it is not I have included illustrations and life stories which will help the reader see and understand more fully and completely what happens in our spirits body and emotions when we allow anger bitterness resentments hatred and unforgiveness to build up in our hearts and lives Then what happens in our lives spirits and hearts when we choose to let go and allow forgiveness to be a part of our life plan and purpose **The Forgiveness Factor (eBook)** Cherie Hill, 2016-06-01 We know we re supposed to forgive but we just can t forget And it s that struggle in our soul that keeps our hurts and hearts

from being healed creating a gap between our pain and the peace we're so desperate for to seem completely unbridgeable. When it comes to forgiveness we so easily confuse God's love with our own and find ourselves frustrated and confused without a clear understanding of what God is really asking us to do. It's through The Forgiveness Factor that you'll come to clearly understand what God means when He says to forgive. And more than likely it's not what you think. It's in uncovering the truth about forgiveness by revealing the lies that you'll be set free from the burden that forgiveness seems to bring. You'll realize that you're only giving up your hope for a different past realizing that wrongs may never be made right but they can be forgiven.
