The Ultimate Evidence Rethinking The Evidence Issues For Spirit Baptism:

The Ultimate Evidence Larry Vern Newman,2009-01-01 It is quite an assertion to claim that one is filled with the Spirit of God What does a person offer as proof that this is actually true Pentecostals at the turn of the twentieth century read the Bible debated the issue and then proposed an evidence they thought the scriptures indicated was the primary verification of Spirit baptism It was determined that the evidence to prove one had been baptized with the Holy Spirit was that the person had spoken in an unknown language as prompted by the Holy Spirit The primary evidence of Spirit baptism it was concluded was the expression of a charism It was charismatic In The Ultimate Evidence Larry Newman argues that the initial evidence doctrine as it stands is inadequate and needs to be revisited and adjusted Without discrediting or devaluing speaking in tongues Newman points the reader to the ultimate evidence of Spirit baptism the more excellent way Gathering from historical cultural and biblical sources Dr Newman argues that the biblical evidential paradigm is ethical and issues forth from the agape of the Cross It is the ethical dimension of the Christian life that is primary In 1 Cor 13 1 Paul wrote If I speak in the tongues of men and of angels but have not love I am only a resounding gong or a clanging cymbal

The Grand Humiliation Larry Vern Newman,2011-07-30 There was a war fought in the heavens between the Creator God and Lucifer That conflict the insurrection of Lucifer and one third of the angels was settled aeons ago and resulted in the defeat and expulsion of the angelic rebels from the heavenly realm and their confinement to the earth The earth has been their prison ever since Satan was free to go wherever he pleased but now he is banished to this planet until his folly is played out in the grand humiliation thereby revealing the lie that he has promulgated that the war has not been won that he is still warring with God and thus may win Mankind plays a central role in this grand humiliation and when it is finished there will be no doubt throughout the Cosmos that God reigns supreme

The Pentecostal Paradox G. J. Hocking,2019-07-11 In 1906 a new religious phenomenon

emerged from California Then just over sixty years later a million fold expansion occurred What was the catalyst for this explosion of growth The Pentecostal Paradox explores the history and rise of a new religious movement called the Pentecostals Drawing on eyewitness accounts newspaper articles of the day and other long forgotten sources author G J Hocking weaves together an accurate history of the movement to the present day Filled with fascinating stories the mailing lists of over 50 000 subscribers go missing a preacher hijacked the pulpit causing untold havoc a report of flames shooting fifty feet in the air The Pentecostal Paradox asks Were these events fact fiction or real phenomena In this timely work California the Charismatic Cradle features prominently as the author juxtaposes the rise of Pentecostalism with both the California gold rush and the San Francisco earthquake Eventually a God Rush occurred in 1906 as many rushed to Azusa Street Los Angeles How will this book shed light on this vast group What next for Pentecostalism These questions are answered in a candid and yet concise way in this much needed analysis of the Pentecostal movement *The Spirit-Filled Life Kingdom Dynamics Guides* Jack W. Hayford, 1996 Written from a Pentecostal Charismatic viewpoint these studies introduce believers to the books of the Bible and offer a thorough and balanced understanding of key themes of the Bible By studying the themes of the books these interactive studies offer groups and individuals a Spirit filled perspective of the Bible s message for today

John the Baptist and the Jewish Setting of Matthew Brian C. Dennert, 2015-09-11 Although recent discussions on Matthew have emphasized the document s setting within Judaism these studies have not analyzed how the Jewish figure of John the Baptist functions within this setting Brian Dennert steps into this gap arguing that Matthew presents Jesus to be the continuation and culmination of John s ministry in order to strengthen the claims of Matthew s group and to vilify the opponents of his group By doing this he encourages Jews yet to align with Matthew s group particularly those who esteem the Baptist and to gravitate away from its opponents The author examines texts roughly contemporaneous with Matthew which reveal respect given to John the Baptist at the time of Matthew s composition The examination of Matthew shows that the first Evangelist more closely connects the Baptist to Jesus while highlighting his rejection by Jewish authorities

Welcoming the Baptized Timothy J. Turner, 1996 [Christians as a Religious Minority in a Multicultural City](#) Jürgen Zangenberg, Michael Labahn, 2004-12-10 Imperial Rome truly was one of the most multicultural cities in antiquity Syrians Africans Gauls Egyptians Jews and other groups flocked into the city and formed their communities as well as Christians The essays here examine questions such as How did these ethnic and religious minority groups maintain and develop their identity How did the cultural majority react towards these sometimes exotic groups The first section gives a general survey about living conditions in early Christian Rome and how Christians Jews and Egyptians related to their urban context The second part focuses on the interaction between majorities and minorities in the early Christian community of Rome on the basis of New Testament texts and traditions The third and final part follows the development of the post New Testament Christian community into the second and third centuries *The Digital Evangelicals* Travis Warren

Cooper,2022-08-02 When it comes to evangelical Christianity the internet is both a refuge and a threat It hosts Zoom prayer groups and pornographic videos religious revolutions and silly cat videos Platforms such as social media podcasts blogs and digital Bibles all constitute new arenas for debate about social and religious boundaries theological and ecclesial orthodoxy and the internet s inherent danger and value In *The Digital Evangelicals* Travis Warren Cooper locates evangelicalism as a media event rather than as a coherent religious tradition by focusing on the intertwined narratives of evangelical Christianity and emerging digital culture in the United States He focuses on two dominant media traditions media sincerity immediate and direct interpersonal communication and media promiscuity communication with the primary goal of extending the Christian community regardless of physical distance Cooper whose work is informed by ethnographic fieldwork traces these conflicting paradigms from the Protestant Reformation through the rise of the digital and argues that the tension is culminating in a crisis of evangelical authority What counts as authentic interaction Who has authority over the circulation of information While many studies claim that technology influences religion *The Digital Evangelicals* reveals how Protestant metaphors and discourses shaped the emergence of the internet and explores what this relationship with global new media means for evangelicalism
