Exploded Views Jonathan Eburne, 2025-04-08 Idiosyncratic essays use their exploded forms to examine how inquiry functions Insect galls time memory systems orgone energy and a bookstore that doesn t yet exist These disparate topics have persistently fascinated scholar Jonathan P Eburne yet each defied his previous efforts at classification through scholarly writing resulting in five essays suspended in process In Exploded Views Eburne returns to these essays with the

metaphorical tool of the exploded view diagram expanding them into entirely new hybrid forms that unpack their inspirations and trace the wayward paths they followed An experiment into the nature of inquiry that spelunks rather than shies from the rabbit holes of scholarly curiosity each essay gives way to sidelights and dilations to reveal the palimpsest of knowledge hiding beneath the surface of the academic form A book about process the process of turning ideas into things and vice versa as well as the particular tendency for research scholarly inquiry and critical writing to come apart and go awry Exploded Views is a refreshing exploration of how the tools of creative critical thinking work at their most basic level Reflecting on the methods of scholarly knowledge production and the contextual factors that shape new ideas Eburne boldly replaces the seamlessness of the finished manuscript with the friction and even messiness of the incomplete inviting readers to think in new and invigorating ways

Elegant Enigmas Karen Wilkin, 2009 The delightful tales and theatrical drawings of Edward Gorey American 1925-2000 reflect a special kind of genius for what is left unwritten and unseen In Gorey's vaguely Victorian world of well tended gardens and opulent estates smoke belching factories and fog shrouded streets nothing seems certain or quite as it should be Chaos lurks just beneath life's tidy surface occasionally erupting in surprising events with unexpected often horrific consequences But when tragedy befalls Gorey's quirky cast of characters hapless waifs dusty dowagers scheming tycoons and unhinged maidens somehow we can't keep from laughing Far from casting us into the abyss Gorey reminds us to contemplate mortality with a smile In Elegant Enigmas The Art of Edward Gorey more than 175 reproductions include samples from Gorey's books illustrations produced for other writers theatrical sets and costume designs and a wealth of individual pieces many never before published Sketches typewritten manuscripts doodles and musings join the generous selection of finished works Published on the occasion of the first retrospective of Edward Gorey's work at the Brandywine River Museum Elegant Enigmas is a tribute to a master artist and writer who with murderously dry humor created a body of work singular in its brilliance and charm
