ThetaHealing Disease and Disorder Vianna Stibal, 2009 ThetaHealing Rhythm for Finding Your Perfect Weight Vianna Stibal, 2013-01-07 Reclaim How Your True Higher Self Manifests to find your perfect weight Written by the creator of ThetaHealing Vianna Stibal this is more than just a weight loss book It is about finding a real rhythm for your mind body and spirit while tapping in to your inner beauty and love for yourself ThetaHealing began when Vianna realized that she could teach other people the method she used to heal herself from a serious health condition It is now famous for being one of the most powerful energy healing techniques in the world Now for the first time Vianna has compiled a book that demonstrates how to use ThetaHealing for weight loss and reveal a strong healthy and beautiful body that you love Using the techniques in this book you will be able to Select the right foods and supplements to nourish your body and enjoy the foods you love without guilt Make your body think it is exercising while you listen to music and relax Release the emotions and fears that hold you back from having the body you want Change your unhelpful beliefs into more productive and useful beliefs that will

allow you to release your excess weight So say good bye to calorie counting and feeling guilty and hello to being comfortable in your own body and finding inner peace and happiness **Advanced ThetaHealing** Vianna Stibal,2011-07-15 Discover how harnessing the energy of all things can enrich your life and well being in this fascinating study on ThetaHealing In her first book Vianna Stibal introduced the simple but life altering technique that helped her cure what medicine could not ThetaHealing This extraordinary healing modality uses the energy of all things of All That Is to instigate significant change in thought patterns relationships physical well being and so much more Now Stibal draws from thousands of sessions with her clients to further explore the work processes and benefits central to ThetaHealing In this book you will learn more about the importance of Feeling Belief and Digging work Stibal also guides you through the 7 Planes of Existence explaining how they allow you to connect to the highest level of love and energy of All That Is By harnessing the power of this mind and body healing technique you will enhance your life spiritually emotionally and physically *Advanced Theta Healing* Vianna Stibal,2011-04-01 In her first book Vianna Stibal the creator of ThetaHealing introduced this amazing healing technique to the world Based on thousands of sessions with clients who experienced remarkable healings with Vianna this comprehensive follow up is an in depth exploration of the work and processes central to ThetaHealing giving the reader a detailed guide to the Feeling Belief and Digging Work as well as further information on the 7 Planes of Existence that allow us to connect to the highest level of love and energy of All That Is **Seven Planes of Existence** Vianna Stibal,2016-01-26 First developed twenty years ago by Vianna Stibal ThetaHealing is essentially applied quantum physics Using a theta brain wave which until now was believed to be accessible only in deep sleep or yogi level meditation the practitioner is able to connect with the energy of All That Is the energy in everything to witness healings of the physical body and to identify and change limiting beliefs This book is for those who have already started to experience the magic of this energy healing modality and wish to deepen their understanding of the Seven Planes of Existence the philosophy behind the creation of ThetaHealing Vianna presents exciting new information to help you take your skill with this work to the next level and brings the reader into dimensions that she believes to be the beginnings of life itself on a journey that leads outward past the universe to transform beliefs showing that with a theta state of mind it is possible to connect to a Divine Energy before it becomes anything in this universe *ThetaHealing®* Vianna Stibal,2020-01-21 Discover the worldwide phenomenon of ThetaHealing and how it can help you to achieve transformational healing in this revised and updated edition of Vianna Stibal s definitive guide In 1995 Vianna Stibal was diagnosed with a serious health condition When conventional and alternative medicine failed her she discovered a simple technique that cured her illness and sparked a worldwide phenomenon ThetaHealing is essentially applied quantum physics Using a theta brain wave which until now was believed to be accessible only in deep sleep or yogi level meditation the practitioner is able to connect with the energy of All That Is the energy in everything to identify issues with and witness healings on the physical body and to identify and change limiting beliefs In this revised and updated edition

you will discover the belief and feeling work that can instantly change the thinking within you that creates illness the 7 Planes of Existence a concept that allows you to connect to the highest level of love and energy of All That Is how to develop the ability to change on all levels physically mentally emotionally and spiritually using the Creator of All That Is

ThetaHealing®: Digging for Beliefs Vianna Stibal, 2019-06-18 Learn how to access the deepest layers of your subconscious thinking to identify and correct limiting beliefs and enable life changing physical and emotional healing ThetaHealing is a revolutionary healing modality devised by Vianna Stibal that taps into the brain's Theta waves to enable deep emotional and physical healing by changing our limiting beliefs Yet often we are afraid of digging to the deepest layers of our subconscious thinking and instead gloss over them with new positive affirmations or downloads but they do not replace the deeply transformative work of exploring understanding and correcting beliefs that were instilled in this life and past lives This is the principle of digging for beliefs In this essential book for any student of ThetaHealing you will learn the five vital steps of digging for beliefs how to identify core beliefs and the 10 different approaches to change them when it's appropriate to erase a belief and when to use it as a springboard for positive change common mistakes made in digging work and how to avoid them in your own practice With examples from Vianna's workshops you will soon be equipped with the right tools to dig for beliefs and enable deep life changing healing for yourself and others

Finding Your Soul Mate with ThetaHealing Vianna Stibal, 2016-10-11 Many of us are born into this world with the feeling and knowing of what being loved by another person should feel and be like but we lack the feeling and knowing of how to fulfill this desire in the highest and best way The desire for a soul mate is the ancient need to become the divine couple whose union breathes new life into the world Seen from this context finding your soul mate has deeper ramifications than a purely romantic desire the union of a soul mate is about the creation of an energy that is a candle to bring illumination to the world The content of this book is designed for spiritually romantic people who have not lost the faith that there is someone out there that has a divine understanding of us and that two people are brought together for a divine plan that will contribute towards a higher purpose Based on Vianna Stibal's own experience of finding her soul mate this book will reaffirm your belief in true love and will explain how using ThetaHealing you can bring your soul mate into your life

ThetaHealing®: You and the Creator Vianna Stibal, 2020-11-24 Essential ThetaHealing handbook for practitioners explaining how we can connect with the Creator for spiritual elevation When we enter a theta brain state we can connect to the Creator of All That Is Discover how to improve this connection to achieve deep inner healing Founded by Vianna Stibal ThetaHealing is a powerful healing modality through which we can change limiting beliefs to receive deep emotional and physical healing While in the Theta state we are able to connect with the divine energy that flows through all things The Creator of All That Is Vianna is often asked How do I know I'm connected to the Creator or if it's just my own thoughts The true answer is that to know the difference between your thoughts and divine inspiration you must first understand yourself This in depth guide for ThetaHealing practitioners will

teach you how to experience knowing yourself on an intimate level so you can recognize this difference and establish clear and enlightened communication with the Creator Vianna shares powerful teachings downloads exercises and her own experiences to illustrate how to recognize the belief systems inner aspects and subconscious selves preventing you from fully bonding with the energy of the Creator and how to navigate and understand your own mind The Creator always communicates from a place of pure perfect love and Vianna details a powerful road map for experiencing and strengthening this connection so that you too can become limitless On the Wings of Prayer Vianna Stibal,Guy Stibal,2012-10-01 The healing modality ThetaHealing has become known all over the world for its incredible power to help and heal people from all walks of life While ThetaHealing has touched the lives of many few people know the beautiful love story that led to its creation Now for the first time this tale of devotion and commitment can be read by all in Vianna and Guy Stibal s beautiful book On the Wings of Prayer This is the true life story of a sacred union of souls The formation of a healing modality has its own considerable challenges many of which are beyond the spectrum of common experience On the Wings of Prayer is a journey through the joys and heartaches that Vianna and Guy encountered that led them to create modes of healing for their personal growth on many levels of existence It is a story dedicated to all those romantics out there that still have the courage to believe that love can last the ages **Rainbow Medicine: Therapy with the A-Team!** Akasha White Wolf,2016-02-17 Everyone loves a mystical experience believing its a sign Chances are it is We all have an Angelic team A Team of spirits who root for us love us want to help us manifest our desires and dreams and see us succeed on our highest path Ultimately what they all want for us is to come into greater self love self worth and personal truth so that we may learn from our experiences understand the lessons of the whys forgive ourselves and others for any wrongdoing clear our karmic debts and discover and use our gifts to live a fulfilling life Just because they are in a higher dimension with greater understanding of the larger whole doesnt mean they dont feel our pain cry with and for us and have lessons to learn and karmic ties and debts to make good on When we hurt they hurt when we shine they shine They are with us every step of the way So please know that when you heal yourself you also heal your entire ancestral bloodline in every direction of time Together Spirit and I developed a language to help you coheal and cocreate your best life with your A Team we call it Rainbow Medicine Therapy with the A Team This Instructional Guide about Spirit Communication and Holistic Healing will awaken you to your True Self and Best Life Path Through sharing up close and personal experiences professional cases and healing and psychic mediumship development exercises we teach you how to recognize the signs decode spirit communication conduct holistic health readings for you and your pets discover your purpose and path and engage in therapy with your A Team to face your fears heal yourself and your relationships and live your best life now All exercises focus on holistic healing psychological emotional physical and spiritual No prior experience with Spirit necessary all levels welcome *Everyday Voice Care* Joanna Cazden,2012-09 Book The human voice expresses more than words more than music Vocal expression links the listener

directly to another person's inner feelings, body and soul. Keeping the voice healthy used to be as mysterious as the power of voice itself. Modern science has revealed much about the vocal mechanism and its health requirements, but simple information for the average voice user has remained hard to find and harder to trust. In *Everyday Voice Care: The Lifestyle Guide for Singers and Talkers*, respected voice therapist Joanna Cazden brings together a wealth of practical tips and advice to help keep your own expressive voice in top working order. Drawing from her experience as a singer-theater artist and a licensed speech pathologist who has treated more than 1,000 voice patients, Cazden integrates up-to-date medical information with common-sense suggestions and sympathy for the demands of contemporary life. Chapters on food and drink, cold remedies, loud parties, travel, fitness routines, and when to see a doctor are complemented by notes on alternative health care and the spiritual dimension of vocal rest. This invaluable resource for voice and speech professionals, students, and teachers will answer even the age-old question of whether to put lemon or honey in your tea.
