They Like Jesus But Not The Church Insights From Emerging Generations:

They Like Jesus But Not the Church Dan Kimball, 2007 Kimball provides an overview of the six most common objections emerging generations have with church and Christianity along with the biblical answers to these objections and examples of how churches are facing this challenge *The Church: A Guide for the Perplexed* Matt Jenson, David E. Wilhite, 2010-08-12 An upper level introduction to the Christian doctrine of the Church This book is a rigorous comprehensive introduction to the doctrine of the Church by taking the tack of walking readers through the internal logic of ecclesiology Rather than simply offering a compendium of perspectives on each issue that arises the authors seek to teach and model thinking theologically with the grain of scripture and ecclesial reflection about the Church The chapters are peppered with two to three excurses per chapter which consider a particularly pertinent issue that arises from the doctrine s development e g the move from Jesus to the Church schism and the rise of denominations sacramental mediation or contemporary concerns e g the question of other religions contemporary ecumenical questions the emerging church While the overall tone and content of the book articulate and invite discussion on the problematics of ecclesiology these excurses will provide ample opportunity to examine and where appropriate untangle ecclesiological knots *Continuum s Guides for the Perplexed* are clear concise and accessible introductions to thinkers writers and subjects that students and readers can find especially challenging or indeed downright bewildering Concentrating specifically on what it is that makes the subject difficult to grasp these books explain and explore key themes and ideas guiding the reader towards a thorough understanding of demanding material **When the Church Was a Family** Joseph H. Hellerman, 2009-08-01 Spiritual formation occurs primarily in the context of community But as the modern cultural norm of what social scientists call radical American individualism extends itself many Christians grow lax in their relational accountability to the church Faith threatens to become an I not us a my God not our God concern When the Church Was a Family calls believers back to the wisdom of the first century examining the early Christian church from a sociohistorical perspective and applying the findings to the evangelical church in America today With confidence author Joseph Hellerman writes intentionally to traditional church leaders and emerging church visionaries alike believing what is detailed here about Jesus original vision for authentic Christian community will deeply satisfy the relational longings of both audiences **The Church and the Surprising Offense of God's Love (Foreword by Mark Dever)** Jonathan Leeman, 2010-01-08 When the world speaks of love it often means unconditional acceptance Many churches have adopted this mind set in their practice of membership and discipline if they have not done away with such structures entirely Yet God s love and God s gospel are different than what the world expects writes Jonathan Leeman They re centered in his character which draws a clear boundary between what is holy and what is not It s this line that the local church should represent in its member practices because the careful exercise of such authority is God s means for guarding the gospel marking off a people and thereby defining his love for the world So how should churches receive and dismiss members How should Christians

view their submission to the church Are there dangers in such submission The Church and the Surprising Offense of God's Love responds with biblical theological and practical guidance from both corporate and individual perspectives It's a resource that will help pastors and their congregations upend worldly conceptions and recover a biblical understanding and practice of church authority *Exploring Ecclesiology* Brad Harper, Paul Louis Metzger, 2009-03-01 In this introduction to ecclesiology respected scholars Brad Harper and Paul Louis Metzger offer a solidly evangelical yet ecumenical survey of the church in mission and doctrine Combining biblical historical and cultural analysis this comprehensive text explores the church as a Trinitarian eschatological worshipping sacramental serving ordered cultural and missional community It also offers practical application addressing contemporary church life issues such as women in ministry evangelism social action consumerism in church growth trends ecumenism and the church in postmodern culture The book will appeal to all who are interested in church doctrine particularly undergraduates and seminarians **Job Descriptions and Leadership Training in the United Methodist Church 2017-2020**, 2017-01-01 The new version of Job Descriptions differs from previous editions including format and design changes Each job description includes this information Result Expected Spiritual Gifts and Qualifications Helpful for This Position Responsibilities Support to Expect from the Congregation Getting Started People and Agencies That Can Help Resources for Help In addition to individual positions within congregational life the book explores biblical roots and dimensions of leader development It includes new thinking based on field research and training leaders in a variety of settings Purchasers receive permission to reproduce individual job description pages for use in church workshops *Reluctant Horses, Broken Bridges, Magic Feathers, and a Tossed Salad* J. a. Tamel, 2007-09 Employing his tendency towards satire Tamel invites readers to join him on a quest to understand the church within the context of the current culture He exposes what lies at the center of many cynical twentysomethings who are trying to deconstruct what the church has become Practical Life *10-Minute Talks* Jonathan McKee, 2008-09-02 Sometimes you don't have their attention for very long Whether you've planned for a short message or your program has run long a ten minute talk is sometimes all you have space for in your youth ministry So make sure you make it ten minutes that really count If you need to communicate something meaningful in just a little time 10 Minute Talks has just what you need more than two dozen ready to go story based talks With talks for spiritual growth targeted at your Christian students and outreach talks perfect for any teenager you'll be prepared to give them a bite of truth that they can walk away remembering Following the method Jesus used most often these 10 Minute Talks give you stories that can impact students with one simple point Each talk gives you the tools you need to make it count and the flexibility to make it work for your context Along with each topic and title you'll find The Big Idea Scripture The Story The Transition Statement Application Closing Don't get caught with nothing to say or too much to say in the time you've got Get 10 Minute Talks and get a meaningful message across quickly *RetroChristianity* Michael J. Svigel, 2012-04-30 Evangelicalism is in trouble Surveying the modern evangelical landscape professor Michael Svigel asks

Why does evangelicalism appear to be spinning out of control losing appeal to younger generations dwindling in numbers or selling out to pop culture to muster a crowd He seeks to answer this question by looking to the past to a Retro Christianity Calling for a return to evangelicalism s historical and theological roots Svigel begins by addressing some of present day evangelicalism s problems and explores what can be done to help churches regain a healthy perspective on doctrine He then gives practical examples of what establishing a biblical historical and theologically sound foundation will mean for Christians as they think through aspects of church life and worship As the numbers of those confused or disenchanted with evangelicalism continue to grow Svigel s book meets a timely need and will benefit many readers with his balanced argument for preserving the evangelical faith

Jesus Radical, Righteous, Relevant (eBook) Stephan Joubert,2012-01-18 JESUS RADICAL RIGHTEOUS RELEVANT invites readers to think in a radically different way about Jesus by exploring where exactly He fits into Christianity the church and their lives Author Stephan Joubert unlocks readers minds with a refreshing approach that enables them to determine where they belong in God s kingdom His church and His world JESUS RADICAL RIGHTEOUS RELEVANT guides readers to realize that Christians attach so much value to a church culture and have adapted the gospel to such an extent that Jesus has been pushed to the background JESUS RADICAL RIGHTEOUS RELEVANT is an open invitation to think differently about the Messiah to follow in Jesus footsteps and experience Him as never before

Ministry Is ... Dave Earley,Ben Gutiérrez,2010 Two noted ministry leaders write creative thought provoking chapters about what it truly means to serve Jesus with passion and confidence in the local church

Pre-Evangelization and Young Adult "Native Nones" Tamra Hull Fromm,2021-01-19 What motivates American young adult native nones or those who have grown up without a religious background to investigate the Catholic faith What turns them off How do we reach them Tamra Hull Fromm re examines the role of pre evangelization in the contemporary context and presents a micro study of twenty four native nones who chose to investigate the Catholic Church through the Rite of Christian Initiation of Adults RCIA in the Archdiocese of Detroit USA

Faith for This Moment Rick McKinley,2018-09-18 For three generations God s chosen people were exiles in the land of Babylon Today many Christians in America feel like exiles within their own country and there is growing disagreement regarding how to live faithfully in this complex cultural moment Some desire to conquer our Babylon and return to a type of Christendom they believe existed in an idealized past Others seek to assimilate the values of our culture into the church And in between are those who are uncomfortable with either extreme who feel spiritually homeless These exiles are looking for a new way of understanding what faith looks like in a polarized pluralistic post Christian culture They want to know What does it mean to be the people of God now That s the question Rick McKinley seeks to answer He shows exiled Christians how people of faith from other times and places discovered how to live faithfully prophetically and imaginatively neither compromising their principles nor their compassion and never giving in to despair

Defeating Pharisaism Gary Tyra,2009-09-28 Gary Tyra s constructive study of the Sermon on the Mount seeks to

revitalize discipleship by exposing and rooting out the modern incidence of Pharisaism legalism dogmatism separatism judgmentalism etc among evangelical churches today *Mission of the Church* Jerome Boone, Jerald Daffe, William Effler, Henry Smith, 2018-05-30 What is the mission of the corporate church What is the mission of local churches regardless of denominations What is the reason for the existence of the local church These three questions not only deserve consideration by leadership but also need to be understood by the entire membership to enable productive kingdom work It is so easy for a congregation to develop programs and activities based on what other groups are doing or on what are the perceived needs of the moment These do have value however they tend to be based on our human concepts rather than the directives of Scripture Terry Cross Dean of the School of Religion at Lee University describes this book as follows Another book on the church This one is different Thirteen seasoned professors with some 400 years of combined ministerial experience engage various aspects of the mission of the church Much like the pulse that beats from a strong heart the idea of partnering with God's mission as transformed participants in God's work reappears throughout the chapters While the focus of attention is different for each author the theme beats the same pulse throughout the mission of God is the heart of God and must be the heart of the church With additional contributions from Bob Bayles Terry Cross Rolando Cuellar Tom Doolittle Jimmy Harper John Lombard Lisa Long Edley Moodley Mark Walker Pentecostal Ecclesiology Simon K.H. Chan, 2019-05-21 This book argues that if the Pentecostal movement is to overcome its excessive individualism and structural instability the way forward is not more institutionalization but a coherent and robust ecclesiology based on the Pentecost event which is the coming of the Holy Spirit in his own person into the church A Pentecostal ecclesiology is essentially the working out of the ramifications of that key event The book takes a more ontological understanding of the relationship between the Spirit and the church than would Protestant and evangelical ecclesiologies In this respect it has more in common with Orthodoxy It is further argued that this realignment away from Protestantism and evangelicalism towards Orthodoxy far from removing Pentecostals from their roots actually brings them much closer to the heart of Pentecostal spirituality *Sisters, Mothers, Daughters: Pentecostal Perspectives on Violence against Women*, 2022-06-13 This volume explores issues and themes related to violence against women It is distinctive in two ways First the editors have convened an international cohort of contributing scholars whose assessment of the pervasiveness and urgency of the problems and their proposals for solutions derives from their pneumatology their theology of the Holy Spirit Second this book represents quite simply the first sustained effort to bring together in one volume Pentecostal voices from a variety of academic disciplines ecclesial traditions and cultural situations to address the urgent issues associated with violence toward women **Small Church, Big Impact (Ebook Shorts)** Brandon J. O'Brien, 2011-08-01 By gathering stories about effective churches from small church pastors Brandon O'Brien demonstrates that a church's success is not contingent on its size This is a selection from Brandon O'Brien's book *The Strategically Small Church* Trojan Church, **The Outsider Interviews** Jim

Henderson, Todd Hunter, Craig Spinks, 2010-07-01 Statistics tell us that Christianity has an image problem But what are the stories behind the stats This question led Jim Henderson Todd Hunter and Craig Spinks to host a national interview tour with young non Christians and Christians in Kansas City Phoenix Denver and Seattle They wanted to hear why Christians get such a bad rap and what we can do to improve Inspired by David Kinnaman s bestselling book unChristian The Outsider Interviews provides close encounters with what a new generation really thinks of Christianity and helps readers learn to live faithfully in a fast changing world
