Speaking in Tongues Gerald Hovenden, 2002-12-31 The phenomenon of Speaking in Tongues is examined in its religious historical context Part 1 considers recent scholarly studies of inspired speech in the ancient world where parallels have been alleged with the early Christian experience as recorded in the New Testament In Part 2 both the Lucan and Pauline references to tongues are considered in detail with a view to discerning the significance of the phenomenon for the church its mission and worship In the light of this practical implications are drawn for the church in the 21st century

Hidden Power of Speaking in Tongues Mahesh Chavda, 2011-07-28 Almost 40 years ago John and Elizabeth Sherrill introduced the world to the phenomenon of speaking in tongues in their book *They Speak with Other Tongues* The book was an immediate success as thousands were touched by the power of this spiritual gift The *Hidden Power of Speaking in Tongues* again explores this spiritual experience powerfully prevalent in the early church This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day In a day of spiritual poverty Chavda challenges the Body of Christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift
