McLaird,2012-11-27 Forget Doris Day singing on the stagecoach Forget Robin Weigert s gritty portrayal on HBO s Deadwood The real Calamity Jane was someone the likes of whom you ve never encountered That is until now This book is a definitive biography of Martha Canary the woman popularly known as Calamity Jane Written by one of today s foremost authorities on this notorious character it is a meticulously researched account of how an alcoholic prostitute was transformed into a Wild West heroine Always on the move across the northern plains Martha was more camp follower than the scout of legend A mother of two she often found employment as waitress laundress or dance hall girl and was more likely to be wearing a dress than buckskin But she was hard to ignore when she d had a few drinks and she exploited the aura of fame that dime novels created around her even selling her autobiography and photos to tourists Gun toting swearing hard drinking Calamity Jane was all of these to be sure But whatever her flaws or foibles James D McLaird paints a compelling portrait of an unconventional woman who more than once turned the tables on those who sought to condemn or patronize her He also includes dozens of photos many never before seen depicting Jane in her many guises His book is a long awaited biography of Martha Canary and the last word on Calamity Jane **Cowgirl Up!** Heidi Thomas,2014-09-02 When someone says Cowgirl Up it means rise to the occasion don t give up and do it all without whining or complaining And the cowgirls of the early twentieth century did it all just like the men only wearing skirts and sometimes with a baby waiting behind the chutes Women learned to rope and ride out of necessity helping their fathers brothers and husbands with the ranch work But for some women it went further than that They caught the fever of freedom the thirst for adrenaline and the thrill of competition and many started their rodeo careers as early as age fourteen From Alice and Margie Greenough of Red Lodge whose father told them If you can t ride em walk to Jane Burnett Smith of Gilt Edge who sneaked off to ride in rodeos at age eleven women made wide inroads into the masculine world of rodeo Montana boasts its share of women who busted broncs and broke ranks in the macho world of rodeo during the early to mid 1900s Cowgirl Up is the history of these cowgirls their courage and their accomplishments **Both Feet in the Stirrups** Bill Huntington,1959
