Hidden Companion Guide Richard Rohr, 2023-02-07 Discover the hidden connections between Scripture and your own spiritual life In *Things Hidden Scripture as Spirituality* Franciscan friar and bestselling author Richard Rohr lays out his case for a view of the Bible as a living text that can transform your way of seeing the world This companion to *Things Hidden* offers a way for you to delve even deeper into a vibrant relationship with God through Scripture The purpose of this guide is threefold To allow you to reflect on the major themes running through the Hebrew and Christian Scriptures To learn and engage in Christian contemplative practices that deepen those reflections To set intentions for becoming a more loving and engaged presence in the world Questions for journaling and reflection meditation prompts and prayer practices encourage you to focus on both action and contemplation Through these concrete lessons in linking Scripture and spirituality you can find personal meaning in Fr Richard s many insights The guide also contains detailed suggestions for adapting the material for small groups offering a way for faith communities to grow together in their understanding and appreciation of the Bible

Things Hidden Richard Rohr, 2022-02-01 There are a number of misconceptions about the Bible Many look at it as information only but what they are missing is the key the Bible is about transformation World renowned author Richard Rohr invites you to revisit the Bible to experience the Scripture as spirituality This can help your relationship with God evolve into something more meaningful and fulfilling This book will help you discover how reading the Bible and understanding it in a new way can change your life Only when the two come together inner and outer authority do we have true spiritual wisdom We have for too long insisted on outer authority alone without any teachings of prayer inner journey and maturing consciousness The results for the world and for religion have been disastrous I offer these reflections to again unite what should have been separated Sacred Scripture and Christian Spirituality from the introduction This spiritual companion unearths the Bible s take on morality power wisdom and the generosity of God in a way that demands a life changing response from believers It illustrates the Biblical God as full of grace and abundance and who calls us to be fully alive in a world full of scarcity judgement and fear Rohr s intention is to revitalize your relationship with the Bible and leave you feeling hopeful fulfilled and better able to embody a Christ based spirituality This in turn will help you to change how you

treat yourself others and the world *Read the Bible like a Mystic* Carl McColman,2025-06-10 There is a better way to read the Bible with the eyes of a mystic and the heart of contemplation Can the Bible be saved More and more Christians are troubled by how difficult passages in the Bible can be used to promote sexism homophobia hostility to other faiths and other problems but a sterile academic reading of the sacred text seems spiritually unfulfilling Carl McColman author of *The New Big Book of Christian Mysticism* reminds us that there is an ancient third way of approaching the Bible reading scripture like a mystic This contemplative approach to the Bible understands that much of the sacred text was never meant to be taken literally yet this approach maintains that spiritual wisdom guidance in prayer and encouragement for meditation are encoded throughout the sacred text *Read the Bible like a Mystic* will help Christians find an expanded relationship with their sacred textbook and it will also invite all people Christian and non Christian alike to bring together the wisdom of the written word with the wisdom of the contemplative life and the call to foster peace justice and equality in our world Whether you come to the Bible from a preexisting interest in Christianity or mysticism this book shows how contemplative wisdom unlocks the liberating power of the Word for our time Great Themes of Scripture: New Testament Richard Rohr,2013-11-04 The New Testament is sometimes called the New Covenant signifying a new relationship between humanity and God From the viewpoint of salvation history the New Testament is the completion and the culmination of the Old Testament In terms of length it is only a small portion of the entire Bible and yet it is that portion which brings it all together Richard Rohr and Joseph Martos look at the many ways salvation themes are proclaimed by the various authors and literary styles of the New Testament *Using the Bible in Spiritual Direction* Liz Hoare,2016-01-10 Spiritual direction is increasingly popular among Christians of all mainstream traditions with demand for directors outstripping supply in many places And although the Bible is central to the practice of spiritual direction very little has been published on how best to use it in this form of ministry Experienced spiritual director Liz Hoare explores the central role the Bible has played in Christian experience in order to discourage poor shallow or rigid use of the Bible which can lead to damage and inhibit spiritual growth According to Hoare the goal of spiritual direction is not a personal improvement plan but a people who are being shaped into the likeness of Christ for the flourishing of the church as a whole Using different methods of praying with the Bible and drawing on historical traditions of Christian spirituality as well as current literature and practice this book offers a rich stimulating and thoroughly biblical resource for all those who give and receive spiritual direction **A Lever and a Place to Stand** Richard Rohr,2014-05-14 Explores the challenges the rewards the call and the possibilities of integrating a sincere inner life with an active life of engagement with the pain of the world **Finding the Way** Bruce McNab,2013-03-18 Life is a complex journey and each of us must find our own way But sometimes we take a wrong turn and get lost When that happens we have to backtrack and begin again We are living in a time when many young adults who dropped out of church in high school or college are seeking to reconnect with their faith while older Christians are feeling a need to turn their own lives around

Finding the Way offers help for all Christians who are hungry for an intimate relationship with God and want to restart their spiritual journey on a path they can see clearly explain simply follow faithfully and share with others This is a book for those who want to practice Christian faith as a way of life not merely accept it as a system of doctrine We are not lost in a trackless twenty first century spiritual wasteland There is a Way that can lead us home to God We have companions on the journey and the Good Shepherd himself will guide us Finding the Way calls us to brave the steep upward journey with Jesus to rededicate ourselves boldly to the imitation of Christ **Healing the Divide, Tenth Anniversary Edition** Amos Smith,2024-05-17

Healing the Divide is a bold call to understand Jesus according to the earliest lineage of Christian Mystics a call to transform our dualistic minds and heal a divided church This book is a must read if you find yourself frustrated by the fundamentalist and new age polarization of twenty first century Christianity bewildered by religious pluralism or searching for Christianity s elusive mystic core **Dismissing Jesus** Douglas M. Jones,2013-05-07

What is the way of the cross Why does it create resistance How do we answer objections to it The revival of interest in Christ s kingdom and radical discipleship has produced a wave of discussions but sometimes those discussions are scattered This book aims to pull together in one place the core claims of the way of the cross It aims to examine the deeply cherished assumptions that hinder us from hearing Jesus s call When we do that we ll see that the gospel of Christ is not primarily about getting into heaven or about living a comfortable individually pious middle class life It is about being free from the ancient pervasive and delightful oppression of Mammon in order to create a very different community the church an alternative city kingdom here and now on earth by means of living and celebrating the way of the cross the reign of joyful weakness renunciation self denial sharing foolishness community and love overcoming evil **Being God's People** Robin Greenwood,2011-07-21

Each chapter gives material for the members of the group to read in advance There is a framework or plan for a group meeting with detailed ideas for activities and discussion There is also general advice about group processes including recruiting and running such groups There is a framework for prayer and biblical themes to be considered in context The sessions are equally for seekers and confirmation candidates and for teenagers as well as adults *Failure-Sparked Innovation* Kaury C. Edwards,2023-10-31

As the western church faces challenges in declining membership and effectiveness due to religious disaffiliation and general discontent with organized religion innovation must be a central focus within all aspects of ministry in the Christian church With the focus that the local church must put on innovation one aspect that will continually be an important factor is how the church understands interprets and utilizes failure Yes the church must fail However the church must not simply fail for the sake of failure The challenge for the local church is to rethink its notion of failure which will allow for creativity new life and ultimately transformational innovation By establishing a proper framework and definition of failure the church will be able to embrace good failure and the benefits it can offer *A Confirmation of Faith* Stephen Isaacson,2023-11-10

Confirmation is a significant rite of passage in many a person s religious life the sacrament in which the young Christian makes a public

confession and affirmation of faith in the presence of their faith community What shapes those beliefs How do subsequent life experiences exposure to other beliefs and more nuanced interpretations of Scripture lead many to reexamine their faith beliefs In *A Confirmation of Faith* the author takes a hard look at his own faith examining subjects such as the nature of God the purpose of prayer the meaning of the sacraments and life after death These interesting reflections and stories are shared in the hope that they will strike a responsive chord and inspire examination and confirmation of the reader's own faith experience

Einstein & Zen Conrad P. Pritscher, 2010 This book makes a strong case for free schooling comparing the mind of Albert Einstein who said much to Zen conscious practice which says little but encompasses everything Examining the work of brain researchers neuroscientists physicists and other scholars to illuminate the commonalities between Einstein's thought and the Zen practice of paying attention to one's present experience the book reveals their many similarities showing the development of self-direction as a key to fostering compassionate consideration of others and to harmonious semi-effortless learning and living Examples demonstrate that students who choose to study what is interesting remarkable and important for them tend to become more like Einstein than students with the rigid school curricula students who are free to learn often demonstrate empathy and less rigid rule following while involved in the process of imaginatively becoming their own oracles and self-educators

Living in The Story Charlotte Vaughan Coyle, 2021-08-26 What kind of book is the Bible Is it a rulebook or a guidebook for moral living Is it a history book or a book filled with fascinating and sometimes fantastic stories Did humans write the Bible or did God somehow speak a perfect message that the authors transcribed Many people have asked these questions about the nature of this beautiful odd comforting disturbing book the church calls its Holy Scripture Charlotte Vaughan Coyle shares her own journey to make sense of the Bible in this read-through-the-Bible-in-a-year project She discovered that the crucial work of asking hard questions and even arguing with the Bible revealed the Scriptures to be a symphony of polyphonic voices a work of art that paints an alternative vision of reality a complex novel like story unavoidably embedded in its own culture and time and yet able to give witness to the God beyond history who has acted and continues to act within history With the heart of a pastor and the passion of a preacher Rev Coyle invites seekers and students both church and unchurch to strap on their scuba gear and join her for a deeper dive beneath the surface of this immense colorful mysterious world of the Bible

Falling Upward, Revised and Updated Richard Rohr, 2023-11-14 An update to the bestselling *Falling Upward* from Franciscan Father Richard Rohr In the revised and updated edition of *Falling Upward* Richard Rohr seeks to help readers come to terms with the two halves of life In this book Rohr teaches us that we can't understand the meaning of up until we have fallen down More importantly Rohr describes what up can look like in the second half of life Most of us tend to think of the second half of life in chronological terms but this book proposes a different paradigm Spiritual maturity is found when we begin to pay attention and seek integrity through a shift from our outer task to the inner task What looks like falling down can be experienced as falling upward and is not necessarily
