Things To Come Dwight Pentecost:

Things to Come J. Dwight Pentecost, 2010-05-11 A comprehensive and accessible study of eschatology for anyone interested in the important subject of biblical prophecy The Bible and its revelation about Jesus Christ's return is the one source of hope and confidence for the future in these dark days Approximately one fourth of the Bible was prophetic at the time it was written meaning that a greater body of Scripture is devoted to the unfolding of God's plan than any other one subject God the architect of the ages has seen fit to take us into His confidence concerning His great design But until *Things To Come* was published the treatment of biblical prophecy had been mainly either apologetic or expository with prophetic themes being developed individually apart from their relation to the whole revealed prophetic program This methodology produces fragmentary and unrelated knowledge of the subject In this monumental classic Dr Dwight Pentecost has synthesized the whole field of prophecy into a unified biblical doctrine a systematic and complete biblical eschatology He deftly handles many controversial topics including a detailed presentation of premillennial eschatology With nearly a quarter of a million copies sold *Things to Come* has earned its place in the library of the pastor the scholar and the seminarian or Bible institute student *Things to Come*, 2019 **BIBLICAL EVIDENCE OF A PRE-TRIBULATION RAPTURE** Stephen Nielsen, 2017-10-25 Many regard the idea of a pre Tribulation rapture as an escape for cowardly Christians who wish to escape not only the coming Tribulation but the present trials and responsibilities of life This book will help to dispel that idea as the reader will see clear biblical evidence of a pre Tribulation rapture This evidence is God's design to bring us comfort and encouragement in these last days This study in four parts thoroughly investigates the subject of the rapture Part one lays out the groundwork for the rapture in which we focus mainly on a study of Daniel 9 Part two is a short study of the kingdom of God so the reader can better see the significance of the rapture In part three we inspect each reference to His coming and show whether it refers to the rapture or to His glorious appearing In the last section our scope of study is narrowed to showing why the rapture must come before the Tribulation I highly recommend this book to you if you have any doubts about the rapture *The End* Mark Hitchcock, 2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock's book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn's *Heaven* did for people's understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming

prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture *The Day of the Lord, the Key to Understanding End-Time Prophecy* Allen M. Barber, 2011-07 Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy *The Covenantal Kingdom* Ralph Smith, 1996 *The Complete Reference Guide to Bible Prophecy* Ron Rhodes, 2024-09-03 The Ultimate Bible Prophecy Resource In a world gripped by growing conflict and chaos it s hard to know where to turn for reliable guidance But God didn t leave us empty handed His gift of Bible prophecy offers hope for the future and purpose in the present The Complete Reference Guide to Bible Prophecy is your all in one resource for understanding Bible prophecy and the end times With his signature clarity and conversational tone Dr Ron Rhodes makes complex topics simple providing you with a composite survey of the end times from the rapture to eternity concise overviews of all the major prophetic viewpoints topics trends and commonly debated issues visual charts fast facts historical insights helpful quotes linguistic observations answers to FAQs and many other engaging features throughout every chapter This authoritative work is sure to become your go to prophecy guide for years to come Equipped with this invaluable resource you will become more inspired than ever in the hope wisdom and encouragement God provides through Bible prophecy *Systematic Theology, Volume 2, Second Edition* James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology

Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

Expulsions! Ely Roque Sagansay, 2022-11-24 Expulsions is about the sure Debts Deaths and the Day of the Lord It s been over our head since conception The unstoppable Expulsions from Debts and Death through Jesus death help us live in victory and peace otherwise in constant fear His Second Coming is our blessed hope in the midst of debts and fear of death Fulfilled Eschatology Tim Liwanag, 2015-02-25 Fulfilled Eschatology is about the story of the redemption of the Jewish nation and the end of the world prophecies that were accomplished in the first century *The Sign of the End of the Age* Paul Kalbach, 2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end times events It is important for us to return to a careful study of these things because the time is near In The Sign of the End of the Age What Jesus Taught about the Future in Matthew 24 author Paul Kalbach helps you discover or rediscover the Olivet Discourse the Lords clear road map that all other prophetic Scriptures must reckon with To understand the discourse we must answer one critical question what is Matthew 24 about the future program for Israel or the end of the age events for all believers including the church Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position His in depth study adheres to a most literal interpretation method The Sign of the End of the Age seeks to bring a deeper understanding of the end times period vital in a world that shows every sign that this time is near

The Deafening Cadence of Biblical Defection Robert Delich PhD, 2024-06-05 From a practical standpoint the book is a straight forward explanation as to why and who is intentionally destroying America from within With it morality integrity honesty and accountability have become socially and politically irrelevant Filling the gap are proven to be government induced psychopathological lies cheating immorality perversion and a failing judicial system By default these deficits are what happens when God is taken out of the equation Well researched the book s review on the troublesome church history significantly correlates with the menacing tentacles from the anti Christian movement in America today For all the wrong reasons deep state biased media propaganda has lead to over control of individual rights and the first and second amendments are under attack If left wing policy is allowed to continue even the Democrat

constituents will struggle to keep up with the blatant socio economic damage caused by the party they support Having little regard for the word of God this anti Christian movement has become a menacing parasitic force tearing at the very fabric of Christian ideology and moral stability of America And should man s God absent self serving immoral inequities continue to be the measuring tool that represent final authority I have to ask what kind of world will be assigned to the next generation Ultimately it will be the vulnerable misinformed and uniformed youthful voters that will certainly suffer the consequences

The Prophecy Collection: The End Times Survival Guide, The Coming Apostasy, Russia Rising Mark Hitchcock, 2021-10-05 Three popular books now collected for the first time in one special edition We live in a world that seems to be on the verge of coming apart Shootings Killer viruses The threat of nuclear war All of it is just too real What is happening in our world today is moving Christians to return to the foundations of our spiritual existence Believers everywhere must get back to what matters most We must always remember our battle at its most basic level is spiritual In The Prophecy Collection popular Bible teacher Mark Hitchcock helps you discover spiritual insight and spiritual tools to understand what s happening and to prepare for the future through three important works The End Times Survival Guide The Coming Apostasy coauthored with Jeff Kinley Russia Rising As we prepare for the Lord s coming it s time to understand the biblical truths you need to know in order to face an increasingly decaying darkening world No matter what the future holds anchor your spiritual health and welfare on the immovable rock of God s Word [The Pretribulation Rapture Theory and Dispensationalism Revisited](#) J. Mike Byrd, 2014-08-15 The Pretribulation Rapture Theory and Dispensationalism Revisited reviews and critiques a confusing array of popular theories that address the return of Jesus Christ and the churchs rapture It proposes that a clarifying approach rests in letting Scripture interpret Scripture which yields a simpler more natural and consistent explanation of the pretribulation rapture and dispensationalism Drawing upon thousands of hours of Bible study J Mike Byrd presents an analysis and a related proposal that avoid both unthinking conformity to popular notions and oversimplification for the sake of palatability The Pretribulation Rapture Theory and Dispensationalism Revisited addresses methods of interpretation defines dispensationalism and the Dispensational Principle examines the scriptural testimony surrounding the day of the Lord and the day of Gods wrath surveys the issues regarding imminence and discusses the rapture the resurrection and Christs second coming If you wonder what Scripture clearly teaches about the this worlds demise the end of human existence and the onset of Gods sure and certain work to establish his reign then The Pretribulation Rapture Theory and Dispensationalism Revisited should offer you the scripturally grounded review analysis and explanation you need to understand the Scriptures teachings on these ultimate issues **Preserving and Protecting the Vineyard** Charles R. Reed Sr. ThD, 2024-03-31 Jesus claimed the gates of Hell would not triumph against His church Even death the ultimate weapon of Satan would not succeed in destroying it The key to the success of any church is qualified godly leadership In instructing Titus the apostle Paul wrote that this leadership must hold firm to the trustworthy word give

instruction to sound doctrine and rebuke those who would contradict it 1 9 The apostle then appealed to Titus to teach what accords with sound doctrine 2 1 Sound meaning truths attitudes and actions that correspond with Biblical truth These are the leaders the Lord wants in His church Sound Doctrine is crucial for salvation and spiritual growth It is a sign that a church is alive and healthy The apostle wrote to Timothy I Timothy 4 1 Now the Spirit expressly says that in later times some will depart from the faith devoting themselves to deceitful spirits and teaching of demons That time is here and now and has progressed slowly through the centuries Jesus warned of this Matthew 24 24 as well as the apostle Paul Acts 28 28 30 that false teachers will slither into the church causing great harm confusing congregations and dividing the church body The authority of God and His Word is being challenged Pastors and their staffs must be prepared to preserve and protect their Vineyards
