Pursuing Excellence for the Glory of God Keith A. Currivean, 2022-01-13 What is education How and why do educators do what we do And in what way can and ought education be distinctively Christian These are a few of the probing questions for which this book seeks answers Among other contributions Currivean's book explores a biblical philosophy of Christian education with unprecedented breadth and depth To accomplish this objective it considers what education is chapter 1 what philosophy of education is chapter 2 and what the ultimate goal of education is chapter 3 Additionally this book provides a never before Christian overview of twelve philosophies of education chapters 4 15 Each of those chapters provides an introduction of a particular philosophy of education and some of that philosophy's exemplars Each of those chapters also contributes a constructive Christian critique Chapter 16 highlights a biblical philosophy of Christian education featuring some people some principles and some priorities for a biblical philosophy of Christian education viz pursuing excellence for the glory of God **America the Beautiful** Ben Carson, M.D., 2012-01-24 What is America becoming Or more importantly what can she be if we reclaim a vision for the things that made her great in the first place Join Dr Ben Carson as he explores what made this nation great and discovers how we can find our way back In America the Beautiful Dr Ben Carson helps us learn from our past in order to chart a better course for our future From his personal ascent from inner city poverty to international medical and humanitarian acclaim Carson shares experiential insights that help us understand What is already good about America Where we have gone astray Which fundamental beliefs have guided America from her founding into preeminence among nations Written by a man who has experienced America's best and worst firsthand America the Beautiful is at once alarming convicting and inspiring You'll gain new perspectives on our nation's origins our Judeo Christian heritage our educational system capitalism versus socialism our moral fabric healthcare and much more An incisive declaration of the values that shaped America's past and must shape her future America the Beautiful calls us all to use our God given talents to improve our lives our communities our nation and our world Fixing Everything Nedland P. Williams, 2010-10 Fixing Everything provides citizens with a blueprint to retake control of the federal government and reassert American leadership in a world gone astray This integrated solution will limit government spending to a reasonable

percentage of GDP close agencies responsible for 60% of government spending dramatically simplify taxes reduce quantify and manage entitlement commitments present a new form of free market healthcare organization confront pension liabilities encourage legal immigration while discouraging illegal immigration contain legal awards and costs while encouraging early settlement reduce crime and put an end to the nanny state Citizens will assume personal and financial responsibility for their actions and well being A new form of safety net will avoid mal incentives while encouraging effort and initiative [How to Read More](#) Martin Udogie,2014-08-11 It doesnt take days or weeks or months to read a book It takes hours READ MORE explains how Most people readily admit that reading books is beneficial and wish they could read a bit more and in some cases a lot more But most people also have what seem like perfectly valid excuses for not reading chief among which are lack of time work load and responsibility Yes they all seem perfectly understandable excuses until you read this book and discover accounts of people going out of their way to indulge in the habit from Rudi Giuliani who as New York Mayor during 9 11 finally arrived home at past 2 A M on the night of that fateful day and still picked up a book to read to Barack Obama who went on a one week vacation in 2010 with over 2 300 pages of reading to George W Bush whose formula for reading was to enter into a reading contest with his top presidential aide Karl Rove Then there is the challenge of the 99% majority for whom affordability might also be a ready excuse Yet Dr Ben Carson today a world famous neurosurgeon and bestselling author traces his turnaround to the reading habit instilled in him in fifth grade by his single mother who wasnt even literate at the time And there are several other examples But what of the other 1% the rich and famous for whom time is priceless Bill Gates as CEO of Microsoft had a Think Week dedicated to reading And as Singapore Prime Minister Lee Kuan Yew took out time to recharge his batteries at Harvard A commitment to a regime of habitual reading takes more than mental conviction It takes doing And unlike what most people have come to believe reading a book doesnt take days or weeks It takes hours This book demonstrates how and reveals other simple steps that anyone can follow to develop a life time habit of enjoyable reading and reap its rewards [Grappling With Change in Africa](#) Emmanuel Danstan Chinunda,2014 This book brings revolution to the African continent It makes it clear that for Africans to advance in life they require a different approach to life The book uses proverbs and wise sayings from Africa to enhance the notion that Africa as a continent appreciates issues about change and other players from outside the continent get a buy in into change management It is now generally accepted that from Cape to Cairo one sees a continent pregnant with resources but it is classified as the poorest by bank balance The book uses African wisdom to help readers around the world to appreciate the African transformation Change is always hardest at the beginning but it gets easier and better as days transform into years Nothing in life changes without change The book suggests ways of how Africa can swing the pendulum and rise to be a global shining star by owning and using its natural resources wisely and embracing transformational leadership This would rewrite the economic order and turn the richest poor continent into a super rich continent *You Don'T Need Talent to Succeed* Tim Corbin,2010-07-14 You

Dont Need Talent to Succeed But Everything Else Counts shines the spotlight on your abilitiesmy abilitiesanyones abilities We all have the ability to be kind to strive for excellence and to keep promises Were able to be on time for appointments willing to learn new things and share The list of our abilities is as long as a giraffes leg and this realization isnt rocket science Yet the phenomenon of discovering you already have what it takes to succeed is as potent as any fueled rocket at blast off Hector Hernandez offers eight simple yet powerful solutions that will unlock your abilities to succeed Reaching your higher self Rehearsing victory Feeding your thought processor Shifting your thinking Buoyed by the source Number one and number two do not disturb Welcome new experiences Understanding have versus get You Dont Need Talent to Succeed is like a safe containing something precious Imagine that its secured with a combination lock As you acquaint yourself with each chapter youll virtually be turning the dial Before you know it youll crack the entire code and confidently map your journey to a successful future
