Thinking About God Thinking About God:

Thinking About God Brian Davies OP,2011-01-01 If it is reasonable to believe in God the ways in which God is thought of and spoken of deserve careful attention This book looks carefully at the philosophical implications for thinking and speaking about God the problems that have arisen and still arise and the various solutions that have been proposed In Part One Brian Davies examines the question of the reality of God Do we have reason to believe in God Arguments are discussed based on the beginning of the universe its continued existence the order it exhibits experience of God and the basis of morality Finally the Ontological Argument based on the concept of God is examined Part Two looks at questions raised by what is said about God Is talk about God meaningless If not in what sense can we talk about God What does it mean to say that God is eternal and changeless What does it mean to say that God is omnipotent omniscient omnipresent and good Does the existence of evil invalidate belief in God Part Three considers more precisely Christian belief in God Is there a rational basis for Christianity How does this relate to faith Can we make sense of the doctrines of the Incarnation and the Trinity Is prayer reasonable Throughout the book arguments from all sides are treated readably but rigorously There is generous provision of searching questions for discussion and further reading [What Was God Thinking?](#) John D. Edison,2016-09-26

John Edison provides answers to some questions many Bible students have been struggling with for centuries The key to answering questions about God is often not found until the questioner has learned to trust God above any human wisdom Most Bible answers are at the intersection of God s character the culture when the statement was made and common sense What Was God Thinking clarifies the Gospel God s love plan to save all people from sin God has prepared a home for us in Heaven followed by a return to Earth made new This book explains what it means to be saved by grace and what is involved in living as a person who has accepted all that God s grace has to offer Each chapter of this book deals with an issue of life that affects our relationship with God Each chapter deals with God s love and desire for us to be united with Him **The**

Power of God-Thinking Keith C. Powell,2010-02-01 God Thinking distills powerful thinking principles **The Thoughts of God** John Ross Macduff,1891 [Think On These Things](#) Molly Ratliff,2022-12-03 Whatcha thinkin about If you re anything like me you re probably thinking a lot of things What I ve been thinking is What if there is more to my understanding of God than I have right now What if the age old Sunday school stories still have life changing messages hidden in plain sight What if I could challenge my thinking What would life look like if I took these thoughts captive What if there is a God way of thinking and what if I thought more like this The more I ve been thinking this the more I m convinced God is calling for each of His children to challenge their thoughts His word is filled with indications of this heartbeat So I invite you to think ponder and dwell on the thoughts presented within this devotional and take on the mind of Christ This devotional is formatted for 52 weeks plus some bonus material The devotional is further formatted so that each week one thought is presented Then a prayer is offered in conjunction with this thought I believe as we take on the challenge of

renewing our minds God will meet us in the process and reveal Himself in a greater way not only in our minds but in our hearts souls and lives So let s think on these things **You Only Think God Is Silent** Julie Ann Allen,2017-06-07 We all have those moments where we encounter pain grief and struggles and wonder why God would allow this We have heard those semitheological platitudes about our struggles and questions Author Julie Ann Allen experienced those when her husband of fourteen years was buried alive on a work site Julie Ann learned what it was to stand at a crossroad generated by tragedy and make a choice That moment was a defining moment in her life She could either ignore God and blame him for the tragedy or rely on God to sustain her transform her and reconstruct her life as she passed through this profound tragedy Julie Ann writes about Gods voice provisions and how she eventually chose divine happiness by the hand of God If you have ever asked any of these questions Where was God Why did God allow this Why cant I hear God then reading **You Only Think God Is Silent** is a wonderful place to discover ways you can turn to God and hear the answers to those questions **A God-Sized Future** Ron Phillips,2012 The difference between an ordinary and an extraordinary life is the choice to obey God Get ready for a change that brings transformational renewal Think Yourself Rich Joseph Murphy,2001-07-01 Happiness and success are goals we all strive for But how do we achieve these goals and how do we protect ourselves if we fail The answer lies within the power of the mind Dr Joseph Murphy one of the world s best known authorities on the power of the subconscious mind shows readers not only how to unleash this power but how to harness it and effectively use it to change their lives Fully updated to reflect the sensibilities of the 21st century this revised edition of a self help classic is the key to overcoming the psychological barriers that stand in the way of greater material spiritual and emotional wealth **Big Problems, Bigger God** Steve Smothermon,2015-10-01 Are you or someone you love in a world of hurt right now You may be facing challenging circumstances intense pain crushing disappointment or silent regrets But you don t have to fold You don t have to resign yourself to defeat You can find help and encouragement to get through the tough parts to clarify the truth about your life to replace self sabotaging behaviors to discover areas where you need a change of heart or perspective And here s the promise As you keep moving forward through adversity you ll discover the greatness and the grace of God Because you ll realize how truly great and gracious he is only when you endure hard times and emerge on the other side **Big Problems Bigger God** is your no holds barred guide to difficult challenges and the hope they can produce as you walk with God through them *The Precious Things Of God* Octavius Winslow,2020-03-09 A slight glance at the contents of this volume will convey an idea of its character and design It is intended to be not so much a systematic treatise of theology as the companion in his hours of devotional meditative retirement of the experienced and spiritual Christian The truths which it contains and the style in which they are presented are perhaps more adapted to those peculiar seasons in the Christian experience of the believer in which profound discussion and labored thought would not only be distasteful but out of place Bearing with him the volume in his sequestered walks with God or making it the sharer of his temporary seclusion from the active

engagements of life the precious things of God which it unfolds may serve to shed the perfume and the luster of Jesus name and work around his lone and pensive path cheering solitude soothing grief and dissolving doubt depression and gloom Many and costly are the precious things of God not enumerated in this work blessed are they who from the volume of their personal and spiritual experience can complete the catalogue and supply the Author's lack These pages address themselves pointedly and strongly to that essential principle of vital religion the experimental We really know as much of the gospel of Christ and of the Christ of the gospel as by the power of the Holy Spirit we have the experience of it in our souls All other acquaintance with Divine truth must be regarded as merely intellectual theoretical speculative and of little worth But to apprehend in some measure the value the glory and the preciousness of the Lord Jesus and as a consequence to esteem Him above all good to reflect His image to labor in His service and to be found preparing and waiting for the happy moment described with such exquisite beauty by Doddridge and as he only could portray it That blessed interview how sweet To fall transported at His feet Raised in His arms to see His face Through the full beamings of His grace this is spiritual LIFE And compared with the heart experience of this when we take a close realizing survey of eternity all other subjects of study and employments of time appear but solemn trifling with our destiny The Author regrets that to the discussion of themes so transcendently important and precious he should have brought so much human feebleness and infirmity His work planned amid the happy tranquility and repose of a long and warmly attached pastorate and finished amid the scenes of anxiety excitement and toil incident to a new and more extended sphere of ministerial labor has necessarily been exposed to much that was unfavorable to that matured thought careful composition and literary finish which he considers efforts of this kind should possess His hope however is that imperfect as is his production the Divine Spirit may yet deign to bless it to the saving of precious souls give it acceptance with the Church of Christ and use it for the advancement of the cause of God and truth in the world and the glory shall be to the Father and to the Son and to the Holy Spirit three Persons in the One God world without end Amen

Being and God Lorenz B. Puntel, Alan White, 2011 The main thesis of this book is that it is philosophically reasonable intelligible and appropriate to raise questions about God and to provide answers to those questions that are rational only within the framework of a conception of reality or being as a whole Volume 10: Philosophy of Religion Guttorm Fløistad, 2009-10-31 The present volume is a continuation of the series Contemporary

Philosophy As with the earlier volumes in the series the present Chronicles purport to give a survey of significant trends in contemporary philosophy The need for such surveys has I believe increased rather than decreased over the years The philosophical scene appears for various reasons more complex than ever before The continuing process of specialization in most branches the increasing contact between philosophers from various cultures the emergence of new schools of thought particularly in philosophical logic and in the philosophy of language and ethics and the increasing attention being paid to the history of philosophy in discussions of contemporary problems are the most important contributing factors Surveys of the present kind are a valuable source of knowledge of this complexity The surveys may therefore help to strengthen the Socratic element of modern philosophy the intercultural dialogue or Kommunikationsgemeinschaft So far nine volumes have been published in this series viz Philosophy of Language and Philosophical Logic Volume 1 Philosophy of Science Volume 2 Philosophy of Action Volume 3 Philosophy of Mind Volume 4 African Philosophy Volume 5 Medieval Age Philosophy Volumes 6 1 and 6 2 Asian Philosophy Volume 7 Philosophy of Latin America Volume 8 and Aesthetics and Philosophy of Art Volume 9

Sfendoni-Mentzou,2018-07-23 This collection of essays by leading Aristotle scholars worldwide covers a wide range of topics on Aristotle's work from metaphysics politics ethics bioethics rhetoric dialectic aesthetics history to physics psychology biology medicine technology The thorough exploration of the issues investigated deepens our knowledge of the most fundamental concepts which are crucial for an overall understanding of Aristotle's work Moreover the contributors explore the relevance of Aristotle's ideas to contemporary issues and provide new perspectives on the study of Aristotle's thought The essays of the volume were presented at the plenary sessions of the World Congress Aristotle 2400 Years organized by the Interdisciplinary Centre for Aristotle Studies of Aristotle University of Thessaloniki on May 23 28 2016 in commemoration of the 2400th anniversary of Aristotle's birth The aim of the congress was to advance scholarship on all aspects of Aristotle's work both in philosophy and in the fundamental disciplines of science The impressive number of 250 papers from 40 countries highlighted the fact that Aristotle's work continues to exercise an influence on our intellectual lives on a global scale

THE THOUGHTS OF GOD John MacDuff,FELIPE CHAVARRO POLANÍA, How precious are Your thoughts unto me O God How great is the sum of them Were I to count them they would outnumber the grains of sand When I awake I am still with You Psalm 139 17 18 The thoughts of a great man on earth how valued With what feelings then shall we ponder the thoughts of God We treasure the thoughts of the wise and the good for their own sake but how is their value enhanced when they are personal and have a special reference to ourselves These Thoughts of God are thoughts toward us I know the thoughts that I think towards you Your thoughts which are to us How precious also are Your thoughts unto me O God For sound doctrine presented Scripturally and devotionally with its application to the Christian life you cannot go beyond MacDuff MacDuff writes popularly yet he is by no means shallow For an hour's pleasant and holy reading commend us to

MacDuff Charles Spurgeon **Philosophy and Religion** Strong,1888 **What's Right with the Trinity?** Dr Hannah Bacon,2013-06-28 The doctrine of the Trinity poses a series of problems for feminist theology At a basic level the androcentric nature of trinitarian language serves to promote the male as more fully in the image of God and as the archetype of humanity pushing women to the margins of personhood It is no surprise then that feminist scholarship on this doctrine has often focused on what s wrong with the Trinity setting out the problems raised by the use of traditional androcentric trinitarian language This book brings together a discussion of feminist theological methodology with a critical exploration of the doctrine of the Trinity Focussing on what s right with the Trinity as opposed to what s wrong with the Trinity it considers the usefulness of this doctrine for feminist theology today It replaces a stress on trinitarian language with an emphasis on trinitarian thought exploring how we might effectively think rather than speak God in light of feminist concerns In particular it asks how a trinitarian understanding of God might support and be supported by key values which underpin a feminist way of doing theology specifically values which underpin the methodological use of women s experience in feminist theology The central argument is that thinking God as Trinity need not serve to reinforce patriarchal values and ideals but may in fact promote the subjectivity and personhood of women **Think Like God** John Blig,2017-09-25 Jesus said in Matthew 16 23 that when we think like men we become our own stumbling block What we think and how we think are very important Wrong thinking will inevitably trip us up We need to get rid of our old way of thinking like mere men and have a fresh way of thinking We need to think like God **God Can't** Thomas Jay Oord,2019-01-05 Hurting people ask heart felt questions about God and suffering Some answers they receive appeal to mystery God s ways are not our ways Some answers say God allows evil for a greater purpose Some say evil is God s punishment The usual answers fail They don t support the truth that God loves everyone all the time God Can t gives a believable answer to why a good and powerful God doesn t prevent evil Author Thomas Jay Oord says God s love is inherently uncontrolling God loves everyone and everything so God can t control anyone or anything This means God cannot prevent evil singlehandedly God can t stop evildoers whether human animal organism or inanimate objects and forces In God Can t Oord gives a plausible reason why some are healed but many others are not God always works to heal everyone but sometimes our bodies organisms or other creatures do not cooperate with God s healing work Or the conditions of creation are not right for the healing God wants to do Some people think God causes or allows suffering to teach us lessons or build our character God Can t disagrees Oord says God squeezes good from the evil God didn t want in the first place God uses pain and suffering without willing or even allowing it Most people think God can overcome evil singlehandedly In God Can t Oord says God needs cooperation for love to reign now and later This leads to a better view of the afterlife called relentless love It rejects traditional ideas of heaven hell and annihilation Relentless love holds to the possibility all creatures and all creation will respond to God s love God Can t is written in understandable language As a world renown theologian Thomas Jay Oord brings credibility to the book s radical ideas He

explains these ideas through true stories illustrations and scripture God Can t is for those who want answers to tragedy abuse and other evils that make sense What They re Saying If conventional notions of God make less and less sense to you you ll find Thomas Jay Oord s new book a breath of fresh air Simply put God Can t presents an understanding of God that thoughtful ethical people can believe in Brian D McLaren author of The Great Spiritual Migration I did not want this book to end I wish Dr Oord had written it 100 years ago or 1000 years ago To find your understanding of life and your love for God renewed read this book Dr Karen Strand Winslow Ph D Biblical and Jewish Studies Professor of Bible Azusa Pacific University As a clinical psychologist working with people in trauma I owe Thomas Jay Oord an enormous debt of gratitude for recasting the so called problem of evil in terms that are conceptually satisfying theologically consistent and pastorally liberating Dr Roger Bretherton Principal Lecturer at the University of Lincoln UK Chair of the British Association of Christians in Psychology Victims of trauma sometimes hear theological responses that imply their suffering is somehow God s will A more careful theological reflection on the nature of the power of a God who is love can help Oord gives us a clear and compelling alternative in this profoundly insightful and admirably concrete and accessible book Dr Anna Case Winters Professor of Theology at McCormick Theological Seminary I know of no book that speaks to suffering with the depth of theological sophistication and psychological sensitivity as God Can t This book is a rare combination of depth and accessibility truly written for the wounded I recommend it to my students parishioners and therapy clients Dr Brad D Strawn Professor of the Integration of Psychology and Theology Fuller Theological Seminary
