

THIRTEEN DAYS

A Memoir of
the Cuban Missile Crisis

With a new foreword by Arthur Schlesinger, Jr.

ROBERT F. KENNEDY

Thirteen Days A Memoir Of The Cuban Missile Crisis

Robert F. Kennedy

Thirteen Days A Memoir Of The Cuban Missile Crisis:

Thirteen Days Robert F. Kennedy, 2011-04-25 A minor classic in its laconic spare compelling evocation by a participant of the shifting moods and maneuvers of the most dangerous moment in human history Arthur M Schlesinger Jr During the thirteen days in October 1962 when the United States confronted the Soviet Union over its installation of missiles in Cuba few people shared the behind the scenes story as it is told here by the late Senator Robert F Kennedy In this unique account he describes each of the participants during the sometimes hour to hour negotiations with particular attention to the actions and views of his brother President John F Kennedy In a new foreword the distinguished historian and Kennedy adviser Arthur Schlesinger Jr discusses the book s enduring importance and the significance of new information about the crisis that has come to light especially from the Soviet Union **Thirteen Days** Robert F. Kennedy, Richard E. Neustadt, Graham T. Allison, 1971

Thirteen Days Robert F. Kennedy, 1969-02-01 A resissue of the gripping and bestselling account of the perilous showdown between the United States and Soviet Union in 1962 Includes a new Foreword by Arthur Schlesinger Jr

13 Days Robert F. Kennedy, 2015-12-22 *Thirteen Days* Robert F. Kennedy, 1968 A resissue of the gripping and bestselling account of the perilous showdown between the United States and Soviet Union in 1962 Includes a new Foreword by Arthur Schlesinger Jr *Thirteen Days* Robert F. Kennedy, 1969

Thirteen days : memoir of the Cuban missile crisis Robert F. Kennedy, 2023 **Thirteen Days: a Memoir of the Cuban Missile ...** Robert F. Kennedy, 1969

Thirteen Days Robert F. Kennedy, 1969 **The Cuban Missile Crisis** Len Scott, R. Gerald Hughes, 2015-04-10 This volume brings together a collection of leading international experts to revisit and review our understanding of the Cuban Missile Crisis via a critical reappraisal of some of the key texts In October 1962 humankind came close to the end of its history The risk of catastrophe is now recognised by many to have been greater than realised by protagonists at the time or scholars subsequently The Cuban missile crisis remains one of the mostly intensely studied moments of world history Understanding is framed and informed by Cold War historiography political science and personal experience written by scholars journalists and surviving officials The emergence of Soviet later Russian and other national narratives has broadened the scope of enquiry while scrutiny of the operational especially military dimensions has challenged assumptions about the risk of nuclear war The Cuban Missile Crisis A Critical Reappraisal brings together world leading scholars from America Britain France Canada and Russia to present critical scrutiny of authoritative accounts and to recast assumptions and interpretations The book aims to provide an essential guide for students of the missile crisis the diplomacy of the Cold War and the dynamics of historical interpretation and reinterpretation Offering original ideas and agendas the contributors seek to provide a new understanding of the secrets and mysteries of the moment when the world went to the brink of Armageddon This book will be of great interest to students of the Cuban missile crisis Cold War Studies nuclear proliferation international history and International Relations in general [An International History of the Cuban Missile Crisis](#) David

Gioe, Len Scott, Christopher Andrew, 2014-06-05 This edited volume addresses the main lessons and legacies of the 1962 Cuban Missile Crisis from a global perspective Despite the discoveries of recent research there is still much more to be revealed about the handling of nuclear weapons before and during the Cuban Missile Crisis CMC Featuring contributions from a number of eminent international scholars of nuclear history intelligence espionage political science and Cold War studies An International History of the Cuban Missile Crisis reviews and reflects on one of the critical moments of the Cold War focussing on three key areas First the volume highlights the importance of memory as an essential foundation of historical understanding and demonstrates how events that rely only on historical records can provide misleading accounts This focus on memory extends the scope of the existing literature by exploring hitherto neglected aspects of the CMC including an analysis of the operational aspects of Bomber Command activity explored through recollections of the aircrews that challenge accounts based on official records The editors then go on to explore aspects of intelligence whose achievements and failings have increasingly been recognised to be of central importance to the origins dynamics and outcomes of the missile crisis Studies of hitherto neglected organisations such as the US Defense Intelligence Agency DIA and the British Joint Intelligence Committee JIC both extend our understanding of British and American intelligence machinery in this period and enrich our understanding of key episodes and assessments in the missile crisis Finally the book explores the risk of nuclear war and looks at how close we came to nuclear conflict The risk of inadvertent use of nuclear weapons is evaluated and a new proposed framework for the analysis of nuclear risk put forward This volume will be of much interest to students of intelligence studies international history foreign policy security studies and IR in general *Dean Acheson* Douglas Brinkley, 1992-01-01 Acheson was President Harry Truman's secretary of state the American father of NATO and active in US foreign policy after World War II He was also a Democratic Party activist in Eisenhower's presidency and an advisor in the Kennedy Johnson and Nixon eras This charts his post secretarial career *The Cold War on Film* Paul Frazier, 2021-07-12 The Cold War on Film illustrates how to use film as a teaching tool It stands on its own as an account of both the war and the major films that have depicted it Memories of the Cold War have often been shaped by the popular films that depict it for example The Manchurian Candidate The Hunt for Red October and Charlie Wilson's War among others The Cold War on Film examines how the Cold War has been portrayed through a selection of 10 iconic films that represent it through dramatization and storytelling as opposed to through documentary footage The book includes an introduction to the war's history and a timeline of events Each of the 10 chapters that follow focuses on a specific Cold War film Chapters offer a uniquely detailed level of historical context for the films weighing their depiction of events against the historical record and evaluating how well or how poorly those films reflected the truth and shaped public memory and discourse over the war A comprehensive annotated bibliography of print and electronic sources aids students and teachers in further research The Cuban Missile Crisis and the Cold War Michelle Getchell, 2018-09-15 In October 1962 when the Soviet Union deployed

nuclear missiles in Cuba the most dangerous confrontation of the Cold War ensued bringing the world close to the brink of nuclear war Over two tense weeks U S president John F Kennedy and Soviet premier Nikita Khrushchev managed to negotiate a peaceful resolution to what was nearly a global catastrophe Drawing on the best recent scholarship and previously unexamined documents from the archives of the former Soviet Union this introductory volume examines the motivations and calculations of the major participants in the conflict sets the crisis in the context of the broader history of the global Cold War and traces the effects of the crisis on subsequent international and regional geopolitical relations Selections from twenty primary sources provide firsthand accounts of the frantic deliberations and realpolitik diplomacy between the U S the U S S R and Fidel Castro s Cuban regime thirteen illustrations are also included

Select Bibliography

Thirteen Days/ninety Miles Norman H. Finkelstein, 1994 The author of *Remember Not to Forget A Memory of the Holocaust* delivers a concise clear account of the major Cold War crisis of 1962 and shows how misjudgments nearly led to nuclear war

Preventive Diplomacy at the UN Bertrand G.

Ramcharan,2008-05-07 The concept of preventive diplomacy has captivated the United Nations since it was first articulated by Secretary General Dag Hammarskjöld a half century ago Successive generations of diplomats and statesmen have invested in the idea that diplomatic efforts might be able to head off international conflicts and disasters Dramatic successes such as the Cuban Missile Crisis of 1962 contrast with dramatic failures such as the inability of UN efforts to halt the invasion of Iraq in 2003 In this careful study distinguished former UN civil servant Bertrand G Ramcharan traces the history of the practice of preventive diplomacy by UN Secretaries General the Security Council and other UN organizations and assesses the record of preventive diplomacy and examines its prospects in an age of genocide and terrorism The Presidency of John F. Kennedy James N. Giglio,2006 The presidency of John F Kennedy continues to fascinate even as it also continues to inspire heated debates between admirers and detractors of Camelot's fallen king Now readers can gain a new appreciation of JFK in this thoroughly revised and updated edition of James Giglio's bestselling study widely acclaimed as the best and most balanced book on JFK's White House years Giglio incorporates the voluminous archival materials made available in the last fifteen years including the declassified documents on crucial foreign policy affairs and White House medical records that contradict the image of Kennedy's youth and vigor He stresses the extent to which domestic and foreign policies were interconnected at a time when the Cold War dominated national life and reveals his new appreciation for JFK's prudence in his handling of such enormous challenges as the Cuban missile crisis and the emerging war in Vietnam Giglio shows Kennedy to be the most medicated one of the most courageous and perhaps the most self absorbed of our presidents He reviews the physical ailments and heavy prescriptions that were kept out of the public eye and catalogs sexual indiscretions ranging from Marilyn Monroe and socialite Florence Pritchett to low level White House employees and even virtual strangers Surveying this field of conquest Giglio suggests that JFK's sexual obsession could easily have affected his presidency even more during a second term His work also amplifies coverage of key issues like civil rights the Cuban missile crisis and Vietnam and reevaluates many of the questions surrounding the assassination maintaining that even with the existence of a conspiracy still doubtful the case is far from closed Like the first edition this new edition provides a sharp and thoughtful analysis of both domestic and foreign affairs and underscores that despite his undeniably brief tenure in office the state of the nation actually did improve on Kennedy's watch Featuring an expanded bibliographical essay and twenty two photos from the JFK library *The Presidency of John F Kennedy* remains the definitive appraisal of Camelot's kingdom *This Rebellious House* Steven J. Keillor,1996-10-03 Examining United States history from Columbus to Clinton Steven J Keillor disabuses us of the notion that our nation has ever been a genuinely Christian one He focuses on various political economic and cultural policies or events the Civil War westward expansion that are now often cited to disprove or debunk Christianity **Gangsterismo** Jack Colhoun,2013-04-01 *Gangsterismo* is an extraordinary accomplishment the most comprehensive history yet of the clash of epic forces over several decades in Cuba It is a chronicle that touches upon deep and ongoing themes in the history of the

Americas and more specifically of the United States government Cuba before and after the revolution and the criminal networks known as the Mafia The result of 18 years research at national archives and presidential libraries in Kansas Maryland Texas and Massachusetts here is the story of the making and unmaking of a gangster state in Cuba In the early 1930s mobster Meyer Lansky sowed the seeds of gangsterismo when he won Cuban strongman Fulgencio Batista s support for a mutually beneficial arrangement the North American Mafia were to share the profits from a future colony of casinos hotels and nightclubs with Batista his inner circle and senior Cuban Army and police officers In return Cuban authorities allowed the Mafia to operate its establishments without interference Over the next twenty five years a gangster state took root in Cuba as Batista other corrupt Cuban politicians and senior Cuban army and police officers got rich All was going swimmingly until a handful of revolutionaries upended the neat arrangement and the CIA Cuban counterrevolutionaries and the Mafia joined forces to attempt the overthrow of Castro Gangsterismo is unique in the literature on Cuba and establishes for the first time the integral extensive role of mobsters in the Cuban exile movement The narrative unfolds against a broader historical backdrop of which it was a part the confrontation between the United States and the Cuban revolution which turned Cuba into one of the most perilous battlegrounds of the Cold War The anti communist hysteria generated by the Cold War frequently unhinged the policy judgments of US government officials in many areas but nowhere so completely as in our relations with Cuba This conclusion is inescapable as Gangsterismo brilliantly unravels the bizarre tale of the Mafia army the Kennedy brothers recruited in their manic determination to rid Cuba of Castro that vexing seemingly indomitable Communist Martin J Sherwin co winner of the Pulitzer Prize together with Kai Bird for American Prometheus The Triumph and Tragedy of J Robert Oppenheimer What is shocking is not what is new but how much that is old already on the record in presidential and other archives CIA and FBI files memoirs and histories in Jack Colhoun s Gangsterismo Drawing on the National Security Archives papers and books public and private he damningly documents the pathetic incompetent and sometimes comic but always inappropriate and anti democratic attempts by the CIA and or its confederates working in tandem with members of the mob to assassinate Castro and overthrow the Cuban revolution Victor S Navasky publisher emeritus The Nation professor Columbia University Graduate School of Journalism Gangsterismo is an invaluable addition to our background knowledge about that small island nation that has incurred so much devotion and ire from U S Americans Books about Cuba abound but this one lays bare an often forgotten pre revolutionary history of U S based organized crime and subsequent hidden U S government covert action Colhoun has done his homework This is a must read Margaret Randall author of To Change the World My Years in Cuba Few aspects of Cuba U S relations have so doggedly resisted serious inquiry as the subject of organized crime in Cuba Much of what we know has reached us by way of popular culture principally through film and fiction to which the subject of the underworld in the tropics so aptly lends itself Colhoun represents a breakthrough serious scholarship on a serious subject He casts light upon one of the darkest recesses of a dark history calling attention to the

convergence of interests between the underworld of criminal activity and nether world of covert operations and reveals in the process that film and fiction have actually only scratched the surface of a sordid story Louis A P rez Jr editor Cuba Journal professor of history University of North Carolina at Chapel Hill Thirteen Days of Tension Terri Kaye Duncan,2020-07-15

The words nuclear war strike fear into the hearts of people all over the world Movies and books depict the apocalyptic aftermath of such an event While fictitious accounts may not be totally accurate in October 1962 the United States came perilously close to finding out the reality of such a catastrophe during the Cuban Missile Crisis For thirteen days the country teetered on the verge of nuclear war Through engaging text accompanied by dynamic images and intriguing sidebars students will learn exactly how close the nation came to World War III and how the country was pulled back from the brink

Thirteen Days A Memoir Of The Cuban Missile Crisis Book Review: Unveiling the Power of Words

books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Thirteen Days A Memoir Of The Cuban Missile Crisis full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Thirteen Days A Memoir Of The Cuban Missile Crisis eBooks, including some popular titles.

FAQs About Thirteen Days A Memoir Of The Cuban Missile Crisis Books

What is a Thirteen Days A Memoir Of The Cuban Missile Crisis PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Thirteen Days A Memoir Of The Cuban Missile Crisis PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Thirteen Days A Memoir Of The Cuban Missile Crisis PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Thirteen Days A Memoir Of The Cuban Missile Crisis PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Thirteen Days A Memoir Of The Cuban Missile Crisis PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might

require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
