

JAMES DEAN

The background image is a dark, apocalyptic scene. In the center, a large, dark, skeletal tree stands in the foreground. Behind it, a building is engulfed in bright orange and yellow flames. Several dark, zombie-like figures are scattered throughout the scene. One figure is in the foreground, appearing to be in motion. Another figure is on the right, walking towards the viewer. A third figure is on the left, near the base of the tree. The overall atmosphere is one of horror and destruction.

"Dean's debut novel reveals a natural, witty style that will have readers happily following behind him, headlong into the zombie apocalypse!"

— Eric A. Shelmor, author of the Dead Hunger book series

This Dying World The End Begins:

This Dying World James Dean, 2015-06-06 It was always a joke The what ifs and the planning were just conversations to have fun with Who would be the first to go Where would people be safe Who would survive the zombie apocalypse No one is laughing anymore Awakening to a nightmare Dan Foster is forced to flee his suburban Chicago home Together with his wife Abby and little girl Katie they begin a dangerous trek across the wintry Midwest in hopes to reconnect with his brother in the heartland of Wisconsin Dan soon discovers the ravenous hordes of undead are not the only things out there that threaten the lives of his family Can he stay the man he is or will he need to become something more dangerous in order to protect the ones he loves In the end how much of Dan's humanity will survive this dying world

Words for a Dying World Hannah Malcolm, 2020-12-07 How do we talk about climate grief in the church And when we have found the words what do we do with that grief There is a sudden and dramatic rise in people experiencing a profound sense of anxiety in the face of our dying planet and a consequent need for churches to be better resourced pastorally and theologically to deal with this threat Words for a Dying World brings together voices from across the world from the Pacific islands to the pipelines of Canada from farming communities in Namibia to activism in the UK Author royalties from the sale of this book are split evenly between contributors The majority will be pooled as a donation to ClientEarth The remainder will directly support the communities represented in this collection Contributors include Anderson Jeremiah Azariah France Williams David Benjamin Blower Holly Anna Petersen Isabel Mukonyora Jione Havea and Maggi Dawn

Holy Crap! The World is Ending! Anna-Marie Abell, 2017-09-21 The president has announced that Earth is going to collide with a rogue moon and in the process our entire planet is going to be smashed to bits As one would expect upon hearing this news humans went ballistic It was as if every sports team in the world lost their championship game at the same time No car was left unrolled but oddly enough Taco Bell remained open and made unfathomable profits in the last days Apparently Doritos Locos Tacos were a popular last meal Autumn who for the purposes of this retelling asked to be portrayed as drool inducing hot with kickass ninja skills has just been handed the task of saving all of humanity With the help of her unbelievably sexy alien boyfriend and her kleptomaniac friend with fire retardant hair Autumn takes a spaceship and races to save her fellow humans by using the Ark of the Covenant Along the way she discovers how sheltered people are from the truth of extraterrestrials and their power to either protect us or destroy us Stupid government Grab a bottle of wine a shipload of snacks and prepare to take a ride on this humorous chick lit romantic sci fi paranormal adventure If you're into Ancient Aliens conspiracy theories UFOs crave a little sexy time in your reading are curious if we were genetically engineered like the Sumerian cuneiform texts claim and are dying to find out the meaning of life then this book is for you

Dietrich Bonhoeffer's Christological Reinterpretation of Heidegger Nik Byle, 2021-10-01 Dietrich Bonhoeffer was the intellectual progeny of the competing liberal and dialectical theological camps of his time Yet he found both camps incapable of properly accounting for Christ's relation to time and

history which both grounds their conflict and generates further theological problems both theoretical and practical In this book Nik Byle argues that Bonhoeffer was able to mine Martin Heidegger's Being and Time for material theologically useful for moving beyond this impasse Bonhoeffer sifts through Heidegger's analysis of human existence and finds a number of moves and concepts useful to theology These include Heidegger's emphasis on anthropology over epistemology his position that one must begin with concrete existence and that human existence is fundamentally temporal Bonhoeffer must however reject other hallmark concepts such as authenticity and Heidegger's entire anthropocentric method that would threaten the legitimate theological use of Heidegger Making the appropriate theological alterations Bonhoeffer applies the useful elements from Heidegger to his Christocentric theology Essentially Christ and the church become fundamentally temporal and historical in the same way that human existence is for Heidegger This sets a new foundation for Bonhoeffer's Christology with concomitant effects in his ecclesiology sacramentalism theological anthropology and epistemology

Queer Lasting Sarah Ensor, 2025-02-04 What queer modes of resilience and care can teach us about enduring environmental collapse What does it mean to live at the end of life the end of a family line the end of a species or the end of the future itself When faced with unfurling catastrophes environmentalists often limit the conversation by focusing on the future Activists work for the welfare of future generations while scientists labor over projections of future outcomes In *Queer Lasting* Sarah Ensor asks what this emphasis on the future makes unthinkable She looks to queer scenes of futurelessness to consider what ecocriticism can learn from queer theory which imagines and inhabits the immanent ethical possibilities of a terminal present While living at the last is often a terrifying prospect queer culture reminds us that to last is itself also one way to go on Defining queerness as a mode of collective life in which these paradigms of lasting ending and persisting are constitutively intertwined Ensor turns to two periods of queer extinction for models of care continuance and collective action predicated on futurelessness the 1890s in which existing forms of erotic affiliation were extinguished through the binary of homo heterosexuality and the 1980s in which the spread of the AIDS epidemic threatened the total loss of gay lives and of specific erotic ways of life Through readings that trace unexpected formal resonances across the works of Sarah Orne Jewett Willa Cather Melvin Dixon Essex Hemphill Allen Barnett and Samuel Delany *Queer Lasting* maintains that queer writing in its intimacy with death and loss offers a rich archive for imagining new ways of thinking through environmental collapse Whether confronting the epidemic contours of the AIDS crisis theorizing the temporary encounters of cruising or reckoning with the lives of non reproductive subjects this book about futurelessness is also a book about persistence It demonstrates how far from giving up in the face of the terminal paradigms that environmentalism fears queer culture has instead predicated its living and its lasting upon them

In the Beginning Was the End Wim Malgo, 1983 Creation and Fall Dietrich Bonhoeffer, 2004-01-01 *Creation and Fall* originated in lectures given by Dietrich Bonhoeffer at the University of Berlin in the winter semester of 1932-33 during the demise of the Weimar Republic and the birth of the Third Reich In the

course of these events Bonhoeffer called his students to focus their attention on the word of God the word of truth in a time of turmoil **Theology from the Beginning** Andreas Schüle,2017-07-27 The Primeval History Genesis 1 11 is one of the most complex theological compositions of the Old Testament the Hebrew Bible Woven into its multi layered text one finds reflections on an array of fundamental questions How did the world come into being Who is its creator What role does humankind play in the larger scheme of creation Why is the world that God made not a perfect one And finally is it possible to lead a meaningful and even happy life despite the unpredictabilities of existence The essays by Andreas Schule assembled in this volume address these and related questions through close readings of Genesis 1 11 and by relating them to kindred textual traditions throughout the Old Testament the Hebrew Bible *a New Beginning* Pastor Rodney Bankens,2010-08-06

Feelin Bettina Judd,2022-12-15 How creativity makes its way through feeling and what we can know and feel through the artistic work of Black women Feeling is not feelin As the poet artist and scholar Bettina Judd argues feelin in African American Vernacular English is how Black women artists approach and produce knowledge as sensation internal and complex entangled with pleasure pain anger and joy and manifesting artistic production itself as the meaning of the work Through interviews close readings and archival research Judd draws on the fields of affect studies and Black studies to analyze the creative processes and contributions of Black women from poet Lucille Clifton and musician Avery Sunshine to visual artists Betye Saar Joyce J Scott and Deana Lawson *Feelin* Creative Practice Pleasure and Black Feminist Thought makes a bold and vital intervention in critical theory s trend toward disembodiment feeling as knowledge Instead Judd revitalizes current debates in Black studies about the concept of the human and about Black life by considering how discourses on emotion as they are explored by Black women artists offer alternatives to the concept of the human Judd expands the notions of Black women s pleasure politics in Black feminist studies that include the erotic the sexual the painful the joyful the shameful and the sensations and emotions that yet have no name In its richly multidisciplinary approach *Feelin* calls for the development of research methods that acknowledge creative and emotionally rigorous work as productive by incorporating visual art narrative and poetry

A History of the Holy Bible, from the Beginning of the World to the Establishment of Christianity Thomas Stackhouse,1817 **Philosophical Approaches to Cormac McCarthy** Christopher Eagle,2017-03-27 This book is the first edited collection to explore the role of philosophy in the works of Cormac McCarthy significantly expanding the scope of philosophical inquiry into McCarthy s writings There is a strong and growing interest amongst philosophers in the relevance of McCarthy s writings to key debates in contemporary philosophy for example debates on trauma and violence on the relationship between language and world and the place of the subject within history temporality and borders To this end the contributors to this collection focus on how McCarthy s writings speak to various philosophical themes including violence war nature history materiality and the environment Emphasizing the form of McCarthy s texts the chapters attend to the myriad ways in which his language effects a philosophy of its own beyond the

thematic content of his narratives Bringing together scholars in contemporary philosophy and McCarthy Studies and informed by the release of the Cormac McCarthy Papers the volume reflects on the theoretical relationship between philosophical thinking and literary form This book will appeal to all scholars working in the rapidly growing field of McCarthy Studies Philosophy and Literature and to philosophers working on a wide range of problems in ethics aesthetics epistemology Philosophy of Nature and Philosophy of Film across ancient modern and contemporary philosophy *The Guardian of the Threshold and the Philosophy of Freedom* Sergei O. Prokofieff,2011 The mystery of the Guardian and the Threshold he protects belong among the central most significant themes on the path of modern initiation For without the encounter with the Guardian the Threshold to the spiritual world can never be crossed in full consciousness The consequence would then be that for all the experiences in the realm on the other side of the Threshold there can be no certainty as to the truth of their contents from the preface Just as an entire plant is contained in seminal form in its seed the whole of Anthroposophy can be discovered in Rudolf Steiner s central work The Philosophy of Freedom Intuitive Thinking as a Spiritual Path a book that lays the foundation for a modern scientific path to the spiritual world Given the centrality of the Guardian of the Threshold to modern initiation one may ask where this theme can be found in The Philosophy of Freedom Sergei Prokofieff presents his insights to this little researched question in the first part of this volume In the second part he investigates the connection of The Philosophy of Freedom to the content of Rudolf Steiner s research into to what he called The Fifth Gospel Prokofieff s thoughtful commentary sheds new light on the connection between Rudolf Steiner s early work and what he developed later in life Study of the relevant texts reveals that the roots of Steiner s early work lie in the same spiritual reality the Christ impulse as that of the later Anthroposophy he would develop **An Exposition of All St. Pauls Epistles, Together with an Explanation of Those Other Epistles of the Apostles St. James, Peter, John,&Jude ... By David Dickson. [Translated from the Latin by William Retchford. With the Text.] ,1659 A Dusty Brown Book** Carl Abrahams,2013-05-04 Many great tales are told and have been told for as long as man has walked the world Some seem unreal and magical yet still claim some truth Folklore and myth last down the generations but they change and are perverted until all that remain are fantastic tales hardly to be believed But where do these tales have there beginnings They do not sprout from the earth for man to harvest But then do men make them up Perhaps all answers are lost Yet a lost thing may be found Mayhap the answers lie hidden somewhere within the world waiting to be discovered Where then shall we find such knowledge Most wisdom is often set down in word and in the end collected into one place such as books of lore Will then all answers be found within such books Perchance all the histories of these tales lie within the confines of but a single book And what then shall that book look like Should it be a grand book encrusted with jewels and edged of gold Or mayhap it will be nothing more than a dusty brown book **Jehovah's Witnesses** Edmond C. Gruss,2001 **The Columbian Star and Christian Index ,1830 The Christian Index ,1830** The Gospel According to Star Trek: The Original Crew Kevin C.

Neece,2016-09-12 What s Christian about Star Trek Nothing That s the way most people see it and that certainly seems to be the way the franchise is intended There s no question that the Trek universe is based on a doggedly humanistic world view and is set in a future time when religion has essentially vanished from Earth If that s the case how can there even be a gospel according to Star Trek In The Gospel According to Star Trek The Original Crew you ll discover how the continuing voyages of Kirk and company aboard the Enterprise from the original series to the Abramsverse tell us more about our human quest for God than you ever imagined You ll learn how Star Trek creator Gene Roddenberry s own spiritual quest informed the franchise what he and the series really have to say about God and religion and the amazing image of Christ contained in Star Trek s most popular character You ll also see how Star Trek can help us recover a deeper more fully human gospel that embraces our humanity instead of denigrating it and echoes the call of both Spock and Christ Live long and prosper John 10
