Arranged by chronology and genre, the readings are insightfully introduced and placed into their political, cultural, and literary context, and the extensive bibliographies offer further study for scholars and readers. Including a wide range of classic and popular works in poetry, prose, and drama, this anthology presents a definitive overview of traditional Japanese literature and deepens our understanding of classical and medieval Japanese culture. *The Mizan ul haqq; or, Balance of truth* Carl Gottlieb Pfander, 1867 *The Webs of Shaitan* Mahfouz A. Adedimeji, 2011-08-10 The webs of Shaitan pervade the horizon, catching and clutching Muslims in rapid succession. Shaitan is a hunter; his arrows are the eyes, the ears, the tongue, the stomach, the private parts, the hands, and the legs. How safe are we from the traps of Shaitan? How immune are we from the arrows of enemy? This small book highlights, in a free and racy prose, the major areas where Shaitan penetrates souls and the routes of escaping him. The first part, the web, examines the woe-bearing webs in the hands of Shaitan: words, world, wealth, women, and wine in the context of our modern world. The second part, the way, aims at making Muslims retrace their steps to Islam. This it does by schematizing the imperative of knowledge and, among other things, providing a number of tips on perfecting salat, the criterion between kufr and Islam. *The Critical Review of Theological & Philosophical Literature* Stewart Dingwall Fordyce Salmond, 1902 **Immemorial Silence** Karmen MacKendrick, 2001-03-01 MacKendrick's philosophy. Le Moyne College explores language and silence and their temporality and atemporality through works of philosophy, literature, and religion where eternity and silence have long been matters of concern. Among the authors she considers are Maurice Blanchot, Georges Bataille, four poets, St. Augustine, and Meister Eckhart. Annotation copyrighted by Book News, Inc., Portland, OR. Eclipse Keiichiro Hirano, 2024-11-12 In the late fifteenth century, a young Dominican friar sets out on a journey from Paris to Florence in search of manuscripts of pre-Christian philosophy. Along the way, he encounters an ascetic alchemist in a small village. As the young man falls under the spell of the alchemist's quest for enlightenment, a series of disasters culminating in a total solar eclipse strikes the village with profound consequences. Keiichiro Hirano's *Eclipse* was a meteoric literary sensation when it first appeared in 1998. Its author, still an undergraduate, was hailed as a prodigy; the book received Japan's most prestigious literary award, the Akutagawa Prize, and became a bestseller. Set on the eve of the Renaissance in Europe, *Eclipse* depicts a society that is on the surface vastly different from modern-day Japan. Yet its account of a challenge to dualistic binaries and ossified worldviews holds striking contemporary resonance and philosophical depth. Taking the form of a memoir, *Eclipse* brings together an evocative portrayal of its historical setting, including the lore of medieval alchemy, with a rich literary lexicon, lush imagery, and psychological intricacy. This vivid translation offers Anglophone readers a vital work by one of Japan's most distinctive voices. **Reflections on the Qur'an** M. Fethullah Gülen, 2013-03-01 The Qur'an is believed by Muslims to be the final word of God revealed to humanity through Prophet Muhammad, speaking to all humans for all times.

This nature of Islam's holy book brings along a continuous study of it so that its injunctions are reinterpreted according to constantly changing times and conditions of our world. This book presents such interpretations from a respected Muslim scholar who explains verses for the modern age. Glen is well informed of the classical exegetical discipline; nevertheless in this book he keeps his explanations short and to the point not to tire away readers. The book does not cover all the verses of the Qur'an but selected ones those relate most to the human existence on earth, life after death, and stories revealed in the holy book.

A Prose English Translation of Markandeya Puranam Manmatha Nath Dutt, 1896 **One Hundred Short Sermons** H. J. Thomas, 1859 **Luminescence, Volume 2** C. K. Barrett, Fred Barrett, 2017-08-09

What is found in this series unveils an entirely different side of C. K. Barrett, a side one might never have known about if one had knowledge only of his famous commentaries and monographs. Herein lies a goodly selection of Kingsley's sermons preached largely in small and medium-sized Methodist churches in the Northeast of England though often elsewhere in England and around the world. Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching. It seems right to include as many sermons from both of these men as we can in this series. One thing sorely lacking in much preaching these days is in-depth engagement with both the biblical text and one's tradition and theology. The sermons in these volumes demonstrate what such preaching can look like. While the first volume presented sermons on the Gospels and Acts, this second volume covers the rest of the New Testament and extensive portions of the Old Testament.
