This I Believe Paul E. Dinter, 2022-10-18 The collision of COVID 19 and Christmas 2020 provoked Paul Dinter to try and make sense of Christianity's ancient narrative of good news Seeing the virus as a surrogate for many unseen perils confronting our world he determined to revisit not only December's strange yet familiar story but also the stranger beliefs built upon it Examining the larger Christian narrative of salvation as captured in the Apostles Creed makes up the body of the book in which Dinter delves into its symbolic and mythic character as the surest place to find what Christianity still has to offer a hurting world For beginning with Jesus birth narratives through the book of Revelation a through line runs along an axis that sees dilemmas about Christian faith resolved in doing justice Brief sketches of racial economic ecological environmental gender sexual and reproductive justice spell out Dinter's case When the Creed ends with the expectation of the world to come it captures the message of the prophets Jesus and Paul's expectations of the coming kingdom and Revelation's culminating vision It commits believers to contribute to a future human community where the justice of God will reside more fully

At Last My Love-This I Promise Peebee Jax, 2010-07-23 When two hearts become one both happiness and sometimes sadness will find a place in that seemingly perfect union As much happiness as we shared when I look back over our life together I was blessed that God allowed me to experience such joy and love every day with a man who not only made promises but kept those promises Even though I have also witnessed sadness to an unimaginable degree since his unexpected death I can truly say I was still blessed to have loved and been loved to a magnitude I do not have words to describe A lifetime cannot be defined in terms of hours

days years decades or century Regardless of the length of time any relationship lasts we must learn to live every minute like it is our last That is what my one true love taught me He added truth honesty love and devotion together and we had a sum total of joy and happiness divided by the number of offsprings produced by that love And we never parted in anger or unforgiveness because no one can predict what the next minute will bring Sometimes I think my love was just too wise for this world that is why God called him home to be with Him As I look back over our life together I feel enormously blessed by God to have had such a love as this in my lifetime Only God made it possible Only God allowed me to experience total bliss for a little while 29 8 years Words cannot describe the memories stored in my memory bank of our span of time together In all my days of blissful retreat the only thing I feel I did not do enough of is giving grateful praise to the Almighty for creating that soul mate just for me and I for him Life will go on and in each whisk of air against my skin as I sit and read I will remember it is you my love stopping by to see me every now and then God saw you were getting tired So He did what He knew was best He watched and waited for the exact time You were in most need of some rest You did not say to me farewell Nor even a wave good bye God took you swift and easy I dare not ask God why He gave you to me for a while I loved you with all my heart I showed you I told you daily Even in death we are not apart Rest easy Honey until I get there I will know you when I arrive We will be just two angels forever Always partners side by side

The President's Daughters Fredrika Bremer,1843 **To Those I Love sharing What I Believe** Larry V. Murphy,2014-08-29 This little book is a brief summary of the author s more prevalent spiritual beliefs and understandings The views shared are presented as quite generous comparisons to some spiritual views of the major religions of the world actually and within the spirit of true tolerance Though the author is passionate and often affirmative in his own beliefs he makes every effort to steer clear of rigid dogma In fact the book was written largely as an offering of reason the best way to counter the religious dogma already present in the world The author does not wish to open more doors for arguing and fighting rather he thinks there is much common ground where spiritual views can be jointly shared by all in unity and universal Oneness Though the author recognizes that humankind often displays great difficulty in reaching common ground for its greatest passions the author also hopes this book will open dialog toward that end
