This Is Not a Love Letter Kim Purcell, 2018-01-30 A long beautiful heart breaking love letter to potential and possibilities and hope to the pain we survive in youth and carry with us into adulthood NPR Book Reviews One week That's all Jessie said A one week break to get some perspective before graduation before she and her boyfriend Chris would have to make all the big scary decisions about their future decisions they had been fighting about for weeks Then Chris vanishes The police think he's run away but Jessie doesn't believe it Chris is popular and good looking about to head off to college on a full ride baseball scholarship And he disappeared while going for a run along the river the same place where some boys from the rival high school beat him up just three weeks ago Chris is one of the only black kids in a depressed paper mill town and Jessie is terrified of what might have happened As the police are spurred to reluctant action Jessie and others speak up about the harassment Chris experienced and the danger he could be in But there are people in Jessie's town who are infuriated by the suggestion that a boy like Chris would be a target of violence They smear Chris's character and Jessie begins receiving frightening threats Every Friday since they started dating Chris has written Jessie a love letter Now Jessie is writing Chris a letter of her own to tell him everything that's happening while he's gone As Jessie searches for answers she must face her fears her guilt and a past more complicated than she would like to admit *The Love Note* Joanna Davidson

Politano, 2020-10-20 Focused on a career in medicine and not on romance Willa DuVall is thrown slightly off course during the summer of 1865 when she discovers a never opened love letter in a crack of her old writing desk Compelled to find the passionate soul who penned it and the person who never received it she takes a job as a nurse at the seaside estate of Crestwicke Manor Everyone at Crestwicke has feelings mostly negative ones about the man who wrote the letter but he seems to have disappeared With plenty of enticing clues but few answers Willa's search becomes even more complicated when she misplaces the letter and it passes from person to person in the house each finding a thrilling or disheartening message in its words Laced with mysteries large and small this romantic Victorian era tale of love lost love deferred and love found is sure to delight *Never Never* Colleen Hoover, Tarryn Fisher, 2023-02-28 AN INSTANT 1 NEW YORK TIMES

Ioannis Ziogas,2021-01-28 In classical scholarship the presence of legal language in love poetry is commonly interpreted as absurd and incongruous Ovid s legalisms have been described as frivolous humorous and ornamental Law and Love in Ovid challenges this wide spread but ill informed view Legal discourse in Latin love poetry is not incidental but fundamental Inspired by recent work in the interdisciplinary field of law and literature Ioannis Ziogas argues that the Roman elegiac poets point to love as the site of law s emergence The Latin elegiac poets may say make love not law but in order to make love they have to make law Drawing on Agamben Foucault and Butler Law and Love in Ovid explores the juridico discursive nature of Ovid s love poetry constructions of sovereignty imperialism authority biopolitics and the ways in which poetic diction has the force of law The book is methodologically ambitious combining legal theory with historically informed closed readings of numerous primary sources Ziogas aims to restore Ovid to his rightful position in the history of legal humanism The Roman poet draws on a long tradition that goes back to Hesiod and Solon in which poetic justice is pitted against corrupt rulers Ovid s amatory jurisprudence is examined vis vis Paul s letter to the Romans The juridical nature of Ovid s poetry lies at the heart of his reception in the Middle Ages from Boccaccio s Decameron to Forcadel s Cupido iurisperitus The current trend to simultaneously study and marginalize legal discourse in Ovid is a modern construction that Law and Love in Ovid aims to demolish A Paraphrase on the New Testament, with Notes, Doctrinal and Practical Baxter,1701 The Love Letters of
