Thomas Merton's Encounter with Buddhism and Beyond Jaechan Anselmo Park, 219-04-15 Thomas Merton recognized the value and possibility of contemplative dialogue between monastics and contemplatives of other religious traditions and hoped that through such dialogue monastics would strive for inter monastic communion and a bonding of the broader spiritual family He held out hope that this bond would demonstrate the fundamental unity of humanity to a world that was becoming ever more materialistic and divided Among other themes and topics this book explores Thomas Merton's role as a pioneer of Buddhist Christian dialogue and monastic interreligious dialogue It delves into the process of Merton's self transformation through contemplative experiences explores his encounter with Zen and Tibetan Buddhists and his pioneering engagements in Buddhist Christian dialogue and presents and responds to the criticisms of those who raise questions about Merton's understanding of Buddhism *Merton & Buddhism* Bonnie Bowman Thurston, 2007 Divided into three sections this insightful volume of essays by numerous scholars focuses on Thomas Merton's interest in and transformation through Buddhism In addition to analysis of how Merton's studies of Buddhism affected his work in the arts the study also offers information about his Asian journey as well as a complete bibliography of secondary materials Contributors include Judith Simmer Brown Roger J Corless Rubin L F Habito John P Keenan Roger Lipsey Paul M Pearson and James Wiseman OSB **Mystics and Zen Masters** Thomas Merton, 2025-09-23 Thomas Merton was recognized as one of those rare Western minds that are entirely at home with the Zen experience In this collection he discusses diverse religious concepts early monasticism Russian Orthodox spirituality the Shakers and Zen Buddhism with characteristic Western directness Merton not only studied these religions from the outside but grasped them by empathy and living participation from within All these studies wrote Merton are united by one central concern to understand various ways in which men of different traditions have conceived the meaning and method of the way which leads to the highest levels of religious or of metaphysical awareness **Thoughts on the East** Thomas Merton, 1995 An ecumenical anthology *Thoughts on the East* gathers Merton's essential definitions of the religions that so much interested him Taoism Buddhism in many forms but especially Zen Sufism and Hinduism Unified by Merton's belief that East and West share a unity of outlook and purpose a common spiritual climate this eclectic selection also offers a fascinating introduction by the late George Woodcock author of the acclaimed critical study *Thomas Merton Monk and Poet* The Asian Journal of Thomas Merton Thomas Merton, 1975 This is quintessential Merton *The Catholic Review* *Thomas Merton on Zen* Thomas Merton, 1976-01 Thomas Merton and Thich Nhat Hanh Robert Harlen King, 2001-01-01 The book concludes by showing how the influence of Merton and Nhat Hanh is reflected in the work of contemporaries such as Thomas Keating David Steindl Rast A T Ariyaratne and Joanna Macy **BOOK JACKET** **Zen and the Birds of Appetite** Thomas Merton, 1968 Merton one of the rare Western thinkers able to feel at home in the philosophies of the East made the wisdom of Asia available to Westerners

On Eastern Meditation Thomas Merton, 2012-08-01 A great introduction to the religions of the East by a monk from the West Merton's biographer George Woodcock once wrote that almost from the beginning of his monastic career Thomas Merton tentatively began to discover the great Asian religions of Buddhism and Taoism Merton a longtime social justice advocate first approached Eastern theology as an admirer of Gandhi's beliefs on non violence Through Gandhi Merton came to know the great Hindu text the Bhagavad Gita and in time came to have dialogues with the Dalai Lama and Taoist leader D T Suzuki Merton then became deeply interested in Chuang Tzu and Zen thought On Eastern Meditation edited by Bonnie Thurston author of Merton and Buddhism gathers the best of his Eastern theological writings into a gorgeously designed gift book edition

Orbertson, 2018-06-18 Thomas Merton is one of the most important spiritual voices of the last century He has never been more relevant as new generations look to him for guidance in addressing some of life's biggest questions how can we find God how should we engage with other faiths and how can we oppose violence and injustice Looking carefully one can find tucked away in Merton's prodigious writings his response to another timeless question Why do we suffer Why does an all powerful and all loving God permit evil and suffering By carefully examining all of Merton's work we find that he repeatedly confronted this question throughout most of his adult life Intriguingly Merton's approach to this question changed dramatically a few years before he died in 1968 An examination of all aspects of his life yields evidence that Merton's immersion in Zen during this time contributed most to that change

The Other Side of the Mountain Thomas Merton, 2010-09-14 With the election of a new Abbot at the Abbey of Gethsemani Merton enters a period of unprecedented freedom culminating in the opportunity to travel to California Alaska and finally the Far East journeys that offer him new possibilities and causes for contemplation In his last days at the Abbey of Gethsemani Merton continues to follow the tumultuous events of the sixties including the assassinations of Martin Luther King Jr and Robert Kennedy In Southeast Asia he meets the Dalai Lama and other Buddhist and Catholic monks and discovers a rare and rewarding kinship with each The final year is full of excitement and great potential for Merton making his accidental death in Bangkok at the age of fifty three all the more tragic

Thomas Merton and the Monastic Vision Lawrence Cunningham, 1999 Cunningham theology U of Notre Dame explores Merton's monastic life and his subsequent growth into a modern day spiritual master Starting from Merton's entrance into the Abbey of Gethsemani in 1941 he highlights the development of Merton's monastic life against the cultural background of the American experience and the vast upheavals in the Roman Catholic Church thus showing how his writings and continuing influence can only be understood against the
