The Thorns of Aiden T. E. Grainger, 2016-07-12 From childhood Charlton Pierce has to swim up a stream infested with cultural discrimination of the aristocratic society in idyllic Aiden Like Adam expelled from Eden the ground Charlton finds allotted to himself yields a variety of thorns and thistles Charlton falls in love with Brie Devoe the daughter of an affluent retired military general The lovers are parted after graduation Brie goes to Paris where she undergoes a series of Alice in Wonderland metamorphoses Charlton is drafted and sent to Vietnam where he is catapulted into battles internal and external The two have a bittersweet reunion where Charlton is charged with murder On the eve of his impending execution Brie is thrust into a state of comatose detachment The story ends with a surprising twist that foreshadows a promising future

Parongate T. E. Grainger, 2016-01-05 Charlton Perone returned from his experience as a POW in Vietnam to find that he had inherited an immense fortune and a vast estate called Parongate Charlton and his new bride go to Parongate where Charlton hopes to learn about his biological father It is located in the province of Saarenfeld Saarenfeld is presented as a conservative free market capitalism utopia that is being threatened by an influx of corrupt government officials who want to disband this bastion of conservatism and replace it with big government liberal socialism under their control Parongate sits like a medieval castle on twenty seven acres of fields orchards and forests The house built in the twelfth century holds a secret that Charlton deciphers to discover treasure left by a Knight Templar In trying to decide how to use his newfound wealth to the greatest benefit Charlton interacts with different factions of Saarenfeld society Charlton finds himself at odds with the corrupt officials that are trying to effect the takeover Romance intrigue and dramatic action are intertwined throughout the narrative and after the dust of conflict settles a happy ending ensues **Grainger's thorn** Thomas Wright, 1872
