Thornyhold Rediscovered Classics:

Thornyhold Mary Stewart, 2011-05-26 A comfortable chair and a Mary Stewart total heaven I'd rather read her than most other authors Harriet Evans The rambling house called Thornyhold is like something out of a fairy tale Left to Gilly Ramsey by the cousin whose occasional visits brightened her childhood the cottage set deep in a wild wood has come just in time to save her from a bleak future With its reputation for magic and its resident black cat Thornyhold offers Gilly more than just a new home It offers her a chance to start over The old house with its tufts of rosy houseleek and the spreading gilt of the lichens was beautiful Even the prisoning hedges were beautiful protective with their rusty thorns their bastions of holly and juniper and at the corners like towers their thick columns of yews Mary Stewart is magic New York Times One of the great British storytellers of the 20th century Independent

Thornyhold Mary Stewart, 2008-10 When Gilly Ramsey whose childhood has been one of lonely isolation inherits an English country home steeped in magic she discovers an intriguing mysterious world and a man who teaches her to love *Cassette Books* Library of Congress. National Library Service for the Blind and Physically Handicapped, 1990 Words on Cassette, 1995 **On Cassette**, 1990 *This Rough Magic* Mary Stewart, 2013-04 Originally published New York M S Mill Co Distributed by W Morrow c1964 **Thornyhold. Large Print** Mary Stewart, 1989 *Thornyhold Ssb* Mary Stewart, 1989-12-07

Rose Cottage Mary Stewart, 2011 Rose Cottage a tiny thatched dwelling in an idyllic English country setting would appear the picture of tranquility to any passerby But when Kate Herrick returns to her childhood home to retrieve some family papers in the summer of 1947 she uncovers a web of intrigue as tangled as the rambling roses in its garden The papers are missing The village is alive with gossip Did her elderly neighbors suspected of being witches really see nighttime prowlers and ghosts in the cottage garden Kate's search for the truth brings her together with many childhood friends and neighbors some suspicious of her return but most eager to help It also leads her down a trail of family bitterness jealousy and revenge and into an exploration of her own past She ends up discovering a long hidden secret that will change her life dramatically along with romance in a place she least expects First published in 1997 and a major bestseller Rose Cottage is to date the last and most mature novel from one of Britain's greatest writers

The Moon-spinners Mary Stewart, 2011 Suspense fiction Nicola Ferris impetuous attractive and on holiday from the British Embassy in Athens arrives in Crete a day ahead of schedule and discovers adventure and romance Blithely savoring the wild beauty of the countryside she stumbles across an assured young Englishman hiding out in the hills who is less than pleased to have been found Before long events begin to spiral in an alarmingly perilous fashion leading to a stunning climax among the fishing boats of Agios Georgios Bay With her keen delineation of character Mary Stewart once again casts an enviable spell of suspense on readers

My Brother Michael Mary Stewart, 2009-11 Mary Stewart author of many bestselling novels has been often compared with the Brontë sisters Her 1960 classic My Brother Michael with its superb mingling of romance and suspense its vivid descriptions and overtone of impending disaster is further evidence that

the comparison is richly deserved Perhaps Camilla Haven unintentionally invoked the gods that afternoon in the crowded Athens caf when she wrote to a friend Nothing ever happens to me But a few hours later an extraordinary train of events had dispatched Camilla to Delphi to be in the company of a charming but quietly determined Englishman named Simon Lester Simon told Camilla he had come to the ancient Greek ruins to appease the shade of his brother Michael killed some fourteen years earlier on Parnassus From a curious letter Michael had written Simon believed his brother had stumbled upon something of great importance hidden in the craggy reaches of the mountainside And then Simon and Camilla learned that they were not alone in their search

Nine Coaches Waiting Mary Stewart, 2006-05 The haunting tale of a young English governess Linda Martin who travels to the Chateau Valmy near Thonon les Bains France to take care of nine year old Philippe de Valmy There she finds herself tangled in a plot to murder her charge and tries to save him which eventually results in the revelation of a dark secret

The Ivy Tree Mary Stewart, 2007-09 Mary Grey had come from Canada to the land of her forebears Northumberland As she savored the ordered spare beauty of England's northern fells the silence was shattered by the shout of a single name Annabel And there stood one of the angriest most threatening young men Mary had ever seen His name was Connor Winslow and Mary quickly discovered that he thought she was his cousin a girl supposedly dead these past eight years Alive she would be heiress to an inheritance Connor was determined to have for himself This remarkably atmospheric novel is one of bestselling author Mary Stewart's richest most tantalizing and most surprising efforts proving her a rare master of the genre
