Thou Shalt Not Whine the Eleventh Commandment:

Thou Shalt Not Whine: The Eleventh Commandment, 2008 It's not just you. Anyone who goes shopping watches TV or has children knows there is a world-wide epidemic of whining that is out of control. January Jones surveyed a wide cross-section of people to find out why they whine and what they whine about. She used this information to write *Thou Shalt Not Whine*, a humorous look at why people whine and how to cure it. Whiners come in all shapes, sizes, and ages. January reveals the top ten whines from all age groups and shows you how to deal with them using cures that work. *Thou Shalt Not Whine* is guaranteed to make you laugh at yourself and others.

Feminism: The Ugly Truth Mike Buchanan, 2017-05-21 Extracts from Erin Pizzey's Foreword Mike Buchanan is a very brave man I've known other men who've tried to draw the public's attention to the damage done by the radical feminist movement Many lost their jobs and none of them were able to find a publisher for their books Men have been thrown out of their own houses and unjustly accused of domestic violence towards their partners and some of sexually abusing their children The legitimate interests of men in Western society are being systematically assaulted by radical feminists and this book goes a long way to providing the evidence Men are starting to campaign more effectively for their interests though they have a long way to go before they halt the tide of radical feminist influence let alone start to reverse it Feminists can also expect more challenging from another quarter An increasing number of women are summoning up the courage to openly criticise them This shouldn't surprise us given that the vast majority of women don't share the radical feminists political ideology With every year that passes more women become aware of the damage man hating and family hating radical feminists wreak on society in general and women's interests in particular These women are becoming more vocal and their number is on the rise How much more damage will feminists be allowed to wreak before they're more widely recognised as the evil women they are This book provides long awaited answers to over 50 of the most challenging questions in the modern era including
