Thoughts Of The Cure Of Ars:

Thoughts of the Curé of Ars St. John Vianney, Jean Baptiste Marie Vianney T O S F 1786 1859 was a French parish priest who is better known as the Cur d Ars He became internationally notable for his priestly and pastoral work in his parish because of the radical spiritual transformation of the community and its surroundings He is venerated in the Catholic Church as a saint and as the patron saint of all priests *Thoughts of the Cure D'Ars* Saint Jean-Baptiste-Marie Vianney,1984-06 The most beautiful simple inspiring statement of practical Catholic wisdom any of us will likely ever read Gain spiritual wisdom from a saint who made it to heaven one who as a parish priest had the duty to care for souls like ours Learn why so many souls went to the Cure of Ars while he was alive and even more pray to him now that he is in heaven An extremely popular booklet **The Spirit of the Cure of Ars** Saint John Vianney,2018-02-06 Jean Baptiste Marie Vianney known in English as John Vianney was a French priest that lived from 1786 1859 afterwards to become famous as the Cur of Ars He was a man that overcame his meager education and was ordained priest His work as a confessor is John Vianney s most remarkable accomplishment because of the remarkable spiritual conversion of the people of his community and its surroundings he spent 11 to 12 hours daily reconciling people Besides reconciling sinners with God the indefatigable cure was frequently engaged in the important work of directing souls to the knowledge and attainment of their vocation and in giving other counsel valuable in their spiritual life This book *The Spirit of the Cur of Ars* gathers some of his catechisms homilies exhortations and his thoughts when directing the souls of people in this work the Spirit of God which was in him gave an incomparable fitness and simplicity to all his words which were animated by the extreme tenderness of his heart In his homilies he was accustomed to recall the scenes of his early life as a farmer boy and he employed the analogies and arguments drawn from external nature and according to his own statements it was evident that there was nothing in the visible world that had not reminded him of God and of eternity Besides these expressive comparisons Father Vianney s sermons frequently described incidents drawn from his personal experience His intellectual and moral perfection of the human faculties refined by grace was very striking in M Vianney He had no variety or extent of human sciences But he had what supplies the place of knowledge and even of experience the faith which knows and foresees all things He had great practical wisdom a profound knowledge of the ways of God and of the miseries of man an admirable sagacity a prompt and accurate judgment an acute judicious and penetrating mind He was endowed besides with a supernatural memory an exquisite tact and a power of observation which would have made him formidable to those who approached him if his great and indulgent charity had not softened all his judgments Jean Baptiste Marie Vianney was placed by Providence in an unknown corner of a little town and made him shone under a bushel rather than on a candlestick he shone before the world with incomparable brilliancy he was a triple representation of our Lord setting before men the light of truth with an example of captivating goodness and edifying virtue *The Little Catechism of the Curé of Ars* St. Jean-Marie Baptiste

Vianney,1994-06 Catholic wisdom stated in a simple sublime penetrating way His sage counsel on 36 important topics
Probably the most persuasive exhortation ever urging us to renounce sin **Sermons of the Curé of Ars**

Jean-Marie-Baptiste Vianney,2022-09-15 In Sermons of the Cur of Ars Jean Marie Baptiste Vianney widely revered as the patron saint of parish priests distills his pastoral wisdom into a collection of sermons that illuminate the spiritual path for the faithful This work characterized by its heartfelt simplicity and profound theological depth addresses both the external and internal dimensions of faith Vianney s conversational yet eloquent prose invites readers to contemplate the mysteries of God the importance of love and the call to holiness within the context of everyday life reinforcing his role as a spiritual guide during the tumultuous era of post Revolutionary France Born in 1786 in Dardilly France Vianney faced numerous obstacles on his journey to the priesthood including a challenging education and the shadow of the French Revolution on the Church His experiences instilled in him a deep understanding of human nature and the complexities of faith which he eloquently conveys in his sermons As the Cur of Ars Vianney dedicated his life to serving his parishioners earning a reputation for his extraordinary compassion pastoral care and ability to connect with the spiritual struggles of the common man I highly recommend Sermons of the Cur of Ars not just to those seeking spiritual guidance but also to readers interested in the intersection of literature theology and history Vianney s reflective insights and pastoral exhortations continue to resonate today offering timeless messages of hope and holiness The Sermons of the Cure of Ars Cure d'Ars,1960 Cure D'Ars Today George Rutler,2014-06-23 Everyone who thinks Vianney is already well known will find not simply new information but what has new meaning for each discoverer That meaning may well differ for each reader The descriptions of the Cur encounters with Satan and his lesser angels and of the hours in the confessional were my own personal crucial rediscoveries The retreat by Pope John Paul II given at Ars is an extraordinary bonus in this extraordinary work An important fascinating work by an important fascinating author John Cardinal O Connor In the Cur f Ars we have an incomparable guide He remains for all an unequalled model both of the carrying out of the ministry and of the holiness of the minister Pope John Paul II This is a very unusual perhaps even a unique biography Father Rutler does more than give the facts about the life of the Cur f Ars With bold strokes like a master Chinese calligrapher he captures the spirit of the age in which he lived unveils the sanctity of a humble parish priest and gets to the heart of what it means to be a priest not just then but now and for all time Along the way Father Rutler brilliantly shows that the Cur f Ars is a priest for all seasons Kenneth Baker S J Editor Homiletic and Pastoral Review *The Spirit of the Cure of Ars* L'Abbe Monnin,John Edward Bowden,Brother Hermenegild TOSF,Brother Hermenegild,2013-10 If we have ever thought in reading of the apostolic labours of saints who lived in times gone by that the uncompromising severity of their teaching would have been modified by the altered circumstances of our own age the life of the Cure of Are shows us that we were mistaken We see him in the midst of a neighbouring people the trusted guide of every class of Christians Every doubt that could arise from the exigencies of the nineteenth century concerning theology politics or

even fuhion was submitted to his decision and he answered one and all in words which might have fallen from St Vincent Ferrer or the B Leonard of Port Maurice Thus when we hear of the numbers of all ranks and conditions who crowded from town and country into the secluded village church to hear his simple exhortations our thoughts go back to the time when Pharisees and Sadducees soldiers and publicans thronged the desert banks of the Jordan to hear the preaching of St John Baptist and to be told that they must do penance because the kingdom of heaven was at hand In perusing the instructions of the Cure of Ars we may miss the sweetness of his voice or the bright look and affectionate manner with which they were wont to be accompanied but our hearts burn within us as we read for they come from a saint on fire with the love of God who was raised up in an unbelieving generation to carry on the old tradition and to sanctify the world by the simple preaching of the Cross *Little Catechism of the Cure of Ars* Saint John Vianney, Brother Hermenegild, Brother Hermenegild

Tosf, 2014-02 The holy Cure of Ars Saint John Vianney 36 basic Catholic subjects in a simple manner for the average layman to easily understand this holy points He discusses the seven deadly sins and their remedies Let us consider this from the catechism on the Love of God Our body is a vessel of corruption it is meant for death and for the worms nothing more And yet we devote ourselves to satisfying it rather than to enriching our soul which is so great that we can conceive nothing greater no nothing nothing For we see that God urged by the ardor of His love would not create us like the animals He has created us in His own image and likeness do you see Oh how great is man Man being created by love cannot live without love either he loves God or he loves himself and he loves the world See my children it is faith that we want When we have not faith we are blind He who does not see does not know he who does not know does not love he who does not love God loves himself and at the same time loves his pleasures He fixes his heart on things which pass away like smoke He cannot know the truth nor any good thing he can know nothing but falsehood because he has no light he is in a mist If he had light he would see plainly that all that he loves can give him nothing but eternal death it is a foretaste of Hell *The Curé of Ars* Kathleen O'meara, 2012-08 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Thoughts of the Curé D'Ars (St. John Vianney) for Every Day** Saint John Mary [Vianney], W. M. B., 1967 **Choice Thoughts from the Curé of Ars (St. John Mary Vianney)** Padraig O Golain, 1944 *The Curé of Ars* Mary Windeatt, MY NAME is John and I have been dead since August 4 1859 How happy I am For my soul is in Heaven Yes for eternity I am privileged to see God For endless eternity I enjoy a happiness that is beyond the power of mere words to describe And nothing can ever take this happiness from me Or from my friends the millions of men and women and boys and girls who are with me in Paradise For the joy we have is everlasting It is eternal God has said so and of course He cannot lie

It was not easy to win this joy When a soul comes into the world the Devil tries very hard to drag it down to Hell So it was with nearly everyone who is in Heaven today the chief exceptions being those who died shortly after Baptism babies and very small children But I well my life on earth lasted for more than seventy three years and many many times during that period the Devil tried to discourage me in my efforts to please God and to win the place which He had prepared for me in Paradise Did he succeed Of course not And why Because of the wonderful courage God gave me whenever I called upon Him For in my day even as in any day whenever there was a temptation to do wrong to go over to the Devil s side and give up the struggle to win Heaven God was always ready with His grace Since He wills that every soul in the world shall someday enjoy the good things of Heaven naturally He does not withhold the means to obtain them But what a pity that so few people understand this and that when trials and temptations come they never think of asking God for the grace to remain true to Him Because of such neglect the struggle against the Devil is generally far harder than it needs to be Many times alas it even ends in defeat in Hell with all its terrible darkness and misery and pain My struggle to outwit the Devil and to win Heaven although it was some time before I really understood about such things began on May 8 1786 in Dardilly a village not far from the city of Lyons in France My parents Matthew Vianney and Maria Beluse already had three children Catherine Jane and Francis But they were delighted to have still another and on the same day that I was born I was taken to the village church to be baptized Here I was given two names John in honor of Saint John the Baptist and Marie the French form of Mary in honor of the Blessed Virgin I wonder what little John Marie Vianney will be when he grows up some of the neighbors asked one another thoughtfully He seems to be a fine strong boy

Choice Thoughts from the Curé of Ars (St. John Mary Vianney) Alfred Monnin, 1947

The Curé of Ars Mary Fabyan Windeatt, 1994-06 So you ve decided to give in to the Devil said the priest John started back in dismay Oh no Father But you just told me you were giving up your studies for the priesthood responded Father Balley What was poor John Vianney to do Having begun his schooling much older than the other boys he had found it impossible to keep up with them and a couple of days ago he had been sent home from the seminary It looked as if it were all over for his cherished hope of becoming a priest But Fr Balley was not going to give up He was sure that John had a vocation and now a plan had just occurred to him Listen John he began This book tells what took place next It also tells about the time John Vianney hid in a hayloft to escape the police about the terrible sins he discovered when he became the cure or parish priest in the town of Ars as well as his strategy for loosening the Devil s grip on souls there It also describes what the Devil did back to Fr Vianney as well as what happened when Fr Vianney tried to run away from his parish In short here is the true story of the many adventures that met young St John Vianney when he set out to become a priest

The Life of John Vianney, His Thoughts and Excerpts from His Sermons Saint John Vianney, 2018-03 Jean Baptiste Marie Vianney known in English as John Vianney was a French priest that lived from 1786 1859 afterwards to become famous as the Cur of Ars He was a man that overcame his meager education and was ordained a priest Besides being a tireless confessor he was

frequently engaged in the important work of directing souls to the knowledge and attainment of their vocation and in giving other counsel valuable in their spiritual life The special features of this most supernatural life appear to be evangelical poverty of spirit and the two fruits which spring from it the sweetness and the radiant peace which beamed from his countenance his words his tones and every action of his life In a word the one great truth taught us by the whole story of the Cur of Ars is the all sufficiency of supernatural sanctity A soul inhabited by the Holy Spirit becomes His instrument and His organ in the salvation of men To such a sanctity the smallness of natural gifts is no hindrance and the greatest intellectual power without it does little in the order of grace for souls are to be won to God as God created and redeemed them by love and by compassion and it was this which shone forth with a surpassing splendor in all the life of this great servant of Jesus and concealed even the wonderful gifts of discernment and supernatural power with which he was endowed The book The life of John Vianney his thoughts and excerpts from his sermons talks in depth this saint s extraordinary life thoughts and some of his sermons through which he hoped to bring men closer to God and Salvation *The Sermons of the Cure D'Ars* John Vianney, St John Marie Vianney, 2016-12-17 St John Vianney the Cure d Ars though he was not thought competent to preach or hear confessions became one of the greatest preachers and confessors of his age The 19th century was one of optimism for French Catholicism but following the horrors of the French Revolution there was also a feeling of lukewarmness and an approach to the moral life that felt sin could not be all that bad St John Vianney on the other hand would not suffer to see souls be damned for lukewarmness His preaching permeates with the love of God first and foremost and clear prescriptions for leading his flock to heaven Reprinted exactly from the 1901 Wagner edition and unabridged the Sermons of the Cure d Ars are arranged for every Sunday of the year according to the 1962 Calendar as well as the principal feasts of the year *Thoughts of the Curé of Ars (John Baptist Vianney)* Saint Jean-Baptiste-Marie Vianney, 1896 **Saint John Vianney** George William Rutler, 1988 *Catechism* Hugues d'Orfeuille, Alan Bancroft, 2011 Passing catholic Doctrine on explaining it in words simple but deep
