By Benjamin Weiss** ,1852 *Pearl S. Buck's Novels of China and America* Rob Hardy,2021-08-30 This book the first single authored book length study of Buck s fiction for over twenty years shows how Buck s thought developed through the medium of her fiction from her early turbulent years in China to her last lonely days in the United States with chapters examining her loss of faith in Christianity her reflections on Chinese life during and after the breakdown of Old China her voluminous reading her confrontation with the horrors of American racism and sexism after her return to the United States and her final metaphorical search for home as she approached death The book argues that Buck the first American woman to win both the Pulitzer and Nobel prizes for literature was a heroic forerunner of those who while occupying a place in the world never feel fully at home there in Buck s case because her Chinese identity throughout her life struggled with her American For this reason Pearl S Buck s fiction deserves to be considered alongside that of writers such as Anchee Min Maxine Hong Kingston and Amy Tan The book s central claim is that Buck is a major novelist capable of speaking to the distress of our times richly deserving the honor she has received in China and deserving greater recognition in the United States Western Illuminated Manuscripts Paul Binski,Patrick Zutshi,2011-03-31 Cambridge University Library s collection of illuminated manuscripts is of international significance It originates in the medieval university and stands alongside the holdings of the colleges and the Fitzwilliam Museum The University Library contains major European examples of medieval illumination from the ninth to the sixteenth centuries with acknowledged masterpieces of Romanesque Gothic and Renaissance book art as well as illuminated literary texts including the first complete Chaucer manuscript This catalogue provides scholars and researchers easy access to the University Library s illuminated manuscripts evaluating the importance of many of them for

the very first time It contains descriptions of famous manuscripts for example the Life of Edward the Confessor attributed to Matthew Paris as well as hundreds of lesser known items Beautifully illustrated throughout the catalogue contains descriptions of individual manuscripts with up to date assessments of their style origins and importance together with bibliographical references
