Shiver,2015-12-04 This is the first extensive examination of the life of Ken Sumrall and his firm belief in the modern day apostolic restoration movement It

presents Sumrall's journey from his Baptist beginnings through his experience of the baptism of the Holy Spirit through his learning struggles with Liberty Fellowship of Churches and Ministers and into his birthing of Church Foundational Network. It represents Sumrall in his own light while dealing with his paradigm changes concerning church government, the heart of which revolved around the restoration of modern day apostles. Godly government was grounded in godly relationships with one's apostle whom Sumrall understood as a spiritual father. For Sumrall, the best biblical government for the New Testament church today is a theocracy. Instead of a centralized hierarchical church government, Sumrall advanced a decentralized network of churches connected relationally. This volume contains the major influences upon Sumrall's thinking and the progress of his comprehension of the life of the church as family. Moreover, it engages some of the apprehensions that have surfaced over the present day apostolic movement and provides insights of the direction and survivability of the movement.

WORD IS TRUTH Edward D. Andrews, 2016-08-21 *THE REVELATION OF DANIEL CHAPTERS 11-12* Edward D. Andrews, 2021-10-06 In Daniel Chapter 11, we find two kings in opposition, fighting one conflict after another for power and dominion. As the decades go by, one will rise up while the other will fall; then the other accumulates domination. One king will be at the pinnacle of his rulership while the other will be subservient. Then, out of nowhere, periods of peace suddenly emerge to battle once more. These kings are known as the kings of the North and the South. Over time, they change. The end is an event yet seen far removed by millennia from the initial kings. Daniel chapter 12 delves into a question Jesus asked when the Son of Man comes: will he find faith on earth? Lu 18:8. The close of Daniel deals with the identity of the true worshipers in the time of the end. Furthermore, discover when the great tribulation starts and how many years, months, and days it will last. Andrews also offers three additional appendices to better understand Daniel and the end times. APPENDIX A: What Does the Bible Really Say About the Millennium? APPENDIX B: Authorship of Daniel Defended. APPENDIX C: Identifying the Antichrist. **REASONING WITH THE WORLD'S VARIOUS RELIGIONS** Edward D. Andrews, 2018-02-27 No Shortcut to Success Matt Rhodes, 2021-12-28 Avoid Get Rich Quick Missions Strategies and Invest in Effective Long Term Ministry. Trendy new missions strategies are a dime a dozen, promising missionaries monumental results in record time. These strategies report explosive movements of people turning to Christ, but their claims are often dubious and they do little to ensure the health of believers or churches that remain. How can churches and missionaries address the urgent need to reach

unreached people without falling for quick fixes In No Shortcut to Success author and missionary Matt Rhodes implores Christians to stop chasing silver bullet strategies and short term missions and instead embrace theologically robust and historically demonstrated methods of evangelism and discipleship the same ones used by historic figures such as William Carey and Adoniram Judson These great missionaries didn't rush evangelism they spent time studying Scripture mastering foreign languages and building long term relationships Rhodes explains that modern missionaries emphasis on minimal training and quick conversions can result in slipshod evangelism that harms the communities they intend to help He also warns against underestimating the value of individual skill and effort under the guise of getting out of the Lord's way and empowers Christians with practical biblical steps to proactively engage unreached groups Biblical Ministry Advice Examines the work of respected missionaries throughout history Encourages Professionalism in Missions Rhodes teaches missionaries to invest in theological education communication and technical skills A Great Resource for Ministries Includes specific advice for singles parents and other groups Insightful Examines strengths and weaknesses of recent missionary movements
