Trapped My Life With Cerebral Palsy:

Trapped Fran Macilvey, 2014-03-04 Living in the Belgian Congo with her husband in the 1960s Fran's mother became pregnant with a daughter. However, right after she gave birth in the hospital, she felt strange. Unbeknownst to anyone, another daughter was on the way, but before anybody responded, an hour had passed. Because of the delay, Fran was born with cerebral palsy. Growing up with her siblings in Africa, Fran always felt different. When everyone else was playing and having fun, she would watch and wish she could join in. After the family moved to Scotland and Fran grew older, her hurt turned into anger, self-hatred, and suicidal depression. Then one day, someone looked at her and saw a woman to love, and that was the start of her journey to self-acceptance. Fran has written the painful truth about her life to help readers understand how disabled adults really feel. In her revealing account, she shows just how hard it is to maintain the appearance of a normal life. More importantly, out of her million and one mistakes, she has come to lessons in real acceptance, peace, and joy, which she would like to share with her readers.

Footprints of Life Lessons Penny Muza, 2019-11-07 The newborn baby cry announced that he was alive; heaven applauded, but the world slapped a label on his forehead. There began Ron's life story of jeers, rejection, ridicule, unwelcome comments, strange looks, laughter, and abandonment. How can one tame emotions not to run away with every experience of life's troubles? This is a book that reveals the resilience of a human spirit in the face of life's troubles. In reading this book, you will be challenged, encouraged, motivated, and hopefully will lead you to search your own heart and find your purpose in life. For this reason, I was born to be a conduit of God's love. Ron Willson
