No Country for Travellers? Rosemary Sweet,Richard Ansell,2025-08-14 No Country for Travellers explores the rise and nature of British travel to Spain and Portugal between 1760 and 1820 across a region that is conventionally overlooked in studies of British travel to Europe Drawing on extensive archival and printed sources left by contemporary travellers Rosemary Sweet and Richard Ansell reveal the unheralded significance of the two countries to eighteenth century British culture and their attraction as destinations long before the Peninsular War and nineteenth century romanticism Along the way the book s compelling narrative reveals the realities of Iberian travel the different itineraries that travellers followed the place of Spanish and Portuguese cities in the British imagination and the importance of mediators in cultural exchange on the Iberian side as well as the British The travellers memoirs reflect changing perceptions of Spain and Portugal as modernisation raised new hopes that vied with pessimism and ancient prejudice and also the persistence of cultural stereotypes while the counterintuitive relationship between civilian travel and armed conflict emerges through a case study of the Peninsular War Finally focusing on contemporary fascination with the Alhambra in Granada the authors examine the rise of British interest in Iberia s Islamic history with its significance for contemporary understandings of Europe

The United Kingdom and Spain in the Eighteenth Century Manuel-Reyes García Hurtado,2024-09-23 This book seeks to bridge a gap in the historiography of Spain and Great Britain by arguing that while the eighteenth century witnessed periods of tension conflict and hostility between the two powers their relationship remained multifaceted and significant in other spheres Throughout the eighteenth century Spain and Great Britain passed through phases of open warfare armed peace and deep suspicion The British capture of Gibraltar and Menorca dealt a severe blow to the newly established Bourbon dynasty in Spain Even in times of war however not all communication channels were closed with numerous formal and informal contacts being made despite the volatile political climate and enmities The contributors of this book go beyond the well known animosity and conflicts to explore the spectrum of interactions encompassing cultural exchange traditional diplomacy trade and espionage plus a multitude of other facets This book is a valuable resource for researchers and students interested in the complex relations between Great Britain and Spain during the eighteenth century as well as for a broader audience of historians and both undergraduate and postgraduate students of history and international relations

Asian Youth Travellers Catheryn Khoo-Lattimore,Elaine Chiao Ling Yang,2018-03-23 This book offers a bird s eye view of the current trends opportunities and challenges related to Asian youth travellers and it also presents a holistic framework for future research to build upon Managerial and policy implications are provided for the tourism and hospitality industry and government agencies to better accommodate the needs

of Asian youth travellers a unique and diverse market that is yet to be fully unveiled to the world The book investigates the key characteristics that define contemporary Asian youth travellers adopting a broad definition of Asia While it includes relatively mature markets it also features emerging markets in Southeast Asia South Asia and West Asia The book looks at different forms of tourism undertaken by Asian travellers encompassing educational tourism adventure tourism working holiday self driving tourism dark tourism volunteer tourism and cultural tourism A wide range of topics are discussed from history to current trends from motivations to constraints from the influence of culture and religion on travel behaviour to the search of social freedom through travel and from destination choice to destination avoidance The findings and interpretations are drawn from diverse and novel research methods such as netnography visual anthropology historiography interview focus group survey and document analysis
