

A vibrant, isometric illustration of a VMware lab setup. At the top, a network of dashed lines connects various icons: two blue clouds, three orange circles, and two pink gears. Below this, the text "VMWARE LAB SETUP" is prominently displayed in a large, bold, multi-colored font with a black outline. The bottom section features a desktop computer with two monitors (one showing a waveform, the other "GIBB") and a keyboard, connected by orange and yellow lines to three server racks of increasing size. The server racks are blue with yellow and red accents. The entire scene is set against a dark blue background with a grid pattern.
