The People Versus Socialism Stephen A. Smoot, 2020-07-14 After the fall of the Soviet Union and its global empire most observers assumed that the seventy year argument that socialism was superior to capitalism was over Socialism in its various forms Communism Maoism National Socialism and more had left such a legacy of tyranny war mass murder and human misery that few could imagine a world where young people would once again embrace the discredited ideas of Marx and his heirs And yet here we are in twenty first century America Proponents of Democratic Socialism find themselves inexplicably darlings of the media and political classes *The People Versus Socialism* is a powerful historical corrective a reminder to those who have forgotten or who never learned the enormous toll socialism laid upon humanity throughout the twentieth century This dangerous economic and social system left untold millions dead billions mired in war and poverty and the entire world under constant threat from ideologically driven tyrants and dictators The indictment is clear and the

implications of ignoring history are frightening
