**Journal of the Society for Psychical Research** Society for Psychical Research (Great Britain),2001      *Forthcoming Books* Rose Army,2000      *Voices from Paradise* Judith Chisholm,2000 Death does not respect status or age It often comes as a thief in the night unexpectedly robbing the victim of life and leaving friends and relatives bewildered and bereft Who among us has not lost someone we loved And who does not long to make contact with that loved person again to know that they still live but in another dimension After the sudden death of her son Paul Judith Chisholm learned that death is not the end but a change of form That our loved ones are waiting for us a heartbeat away in another world She tells the story of her journey from death and despair to revelation and hope We read how in the years since his death she has used paranormal phenomena first discovered half a century ago to record Paul's voice on a tape recorder It is an experience many others have shared The book explains in detail how the procedure works It can be tested by anyone who wishes to it is the only known psychic phenomenon that it is repeatable Readers can try for themselves to open channels of communication with their own loved ones who have crossed the divide between this life and their new life on the other side While there is no guarantee it can certainly be said to work for many Publisher's description      *Voices of the dead.
