Documentary Film in India Giulia Battaglia, 2017-11-22. This book maps a hundred years of documentary film practices in India. It demonstrates that in order to study the development of a film practice, it is necessary to go beyond the classic analysis of films and filmmakers and focus on the discourses created around and about the practice in question. The book navigates different historical moments of the growth of documentary filmmaking in India, from the colonial period to the present day. In the process, it touches upon questions concerning practices and discourses about colonial films, postcolonial institutions, independent films, filmmakers, and filmmaking, the influence of feminism, and the articulation of concepts of performance and performativity in various film practices. It also reflects on the centrality of technological change in different historical moments and that of film festivals and film screenings across time and space. Grounded in anthropological fieldwork and archival research and adopting Foucault's concept of effective history, this work searches for points of origin that create ruptures and deviations, taking distance from conventional ways of writing film histories. Rather than presenting a univocal set of arguments and conclusions about changes or new developments of film techniques, the originality of the book is in offering an open structure or an open archive to enable the reader to engage with mechanisms of creation, engagement, and participation in film and art practices at large. In adopting this form, the book conceptualises Anthropology as also an art practice, interested through its theoretico-methodological approach in creating an open archive of engagement rather than a representation of a distant other. Similarly, documentary filmmaking in India is seen as primarily a process of creation based on engagement and participation rather than a practice interested in representing an objective reality. Proposing an innovative way of perceiving the growth of the documentary film genre in the subcontinent, this book will be of

interest to film historians and specialists in Indian cinema s as well as academics in the field of anthropology of art media and visual practices and Asian media studies Writers' & Artists' Yearbook 2025 Bloomsbury Publishing,2024-08-29 What is your best investment Buying a copy of the Writers Artists Yearbook Kimberley Chambers This bestselling Writers Artists Yearbook contains a wealth of information on all aspects of writing and becoming a published author plus a comprehensive directory of media contacts Packed with practical tips it includes expert advice from renowned authors and industry insiders on submitting to agents and publishers writing non fiction and fiction across different genres and formats poetry plays broadcast media and illustration marketing and self publishing legal and financial information writing prizes and festivals Revised and updated annually the Yearbook includes thousands of industry contacts and over 80 articles from writers of all forms and genres including award winning novelists poets and playwrights scriptwriters for TV radio and videogames If you want to find a literary or illustration agent or publisher would like to self publish or to crowdfund your creative idea then this Yearbook will help you New content for this edition includes articles on If at first you don t succeed by Jessica Irena Smith The importance of story development by Greg Mosse Writing for readers by Rachel McLean Creating a poetry comic by Chrissy Williams Ghosting writing other people s stories by Gillian Stern Romantic motifs by Sue Moorcroft How a publicist can help you by Hannah Hargrave Writing across forms by Rob Gittins Pitching your travel ideas by Jen Sim Benson The hybrid author by Simon McLeave The wealth of information is staggering The Times ALL+ 2023 11 No.228 LiveABC,2023-11-01 Unit 1 News Artificial Sweetener May Cause Cancer Says WHO Unit 2 Mixed Format Questions Celebrating the Lives of the Dead The Day of the Dead and Obon Unit 3 Animal Beyond Honey Surprising Facts about Bees Unit 4 Plus Talk Giving Compliments and Showing Support 1 Applauding Someone s Efforts 2 Showing Gratitude for Assistance 3 Expressing Admiration 4 Complimenting Someone s Skills Unit 5 Writing Translation Practice Unit 6 Nature Let It Burn The Truth about Wildfires Unit 7 History The Red Telephone Box A British Icon s Fight for Survival Unit 8 Astronomy What It Means When Mercury Is in Retrograde CNN News How to Keep Your Pets Safe in Extreme Heat Unit 9 People Saoirse Ronan Shining on Her Own Terms Unit 10 Dialogue Focus Exploring the World of Soups Let s Have Some Soup Unit 11 Travel Santorini A Greek Island Fantasy Unit 12 Reading Skill The Benefits of Boredom Unit 13 Food A World of Flavors French Fries from around the Globe Unit 14 Topic Writing Writing about a Picture **On the Edge** Michael Goodwin,Naomi Wise,1989 An unauthorized biography of Francis Coppola *Media Industries in Crisis* Vicki Mayer,Noa Lavie,Miranda Banks,2024-04-02 This edited volume offers a global overview of the immediate impacts the COVID pandemic had on local and national film television streaming and social media industries examining in compelling detail how these industries managed the crisis With accounts from the frontlines Media Industries in Crisis provides readers with a stakeholder framework management lessons and urgent commentaries to unpack the nature of crisis management and communications The authors show how these industries have not only survived but often thrive amidst a backdrop of critical national and
