Curtiz's dramatic personal life discussing his enduring creative partnership with his wife screenwriter Bess Meredyth as well as his numerous affairs and children born of his extramarital relationships. This meticulously researched biography provides a nuanced understanding of one of the most talented filmmakers of Hollywood's golden age. Korngold in America Ben Winters, 2025. Korngold in America offers new ways of listening to the film scores and post-Hollywood concert works of Erich Wolfgang Korngold 1897-1957, a Viennese-raised Austro-Hungarian composer who left Europe for Hollywood in the mid-1930s to write for Warner Bros. It reassesses Korngold's place in twentieth-century music historiography and dismantles many of the myths that have obscured a proper understanding of his work. Drawing on previously unpublished archival materials, Korngold in America reveals Korngold's commercial and artistic relationships with studio processes and staff, highlights aspects of his compositional practice, and traces the way in which he adapted his skills as a musical dramatist and experienced opera composer to the demands of film. The book presents a more complete picture of Korngold's artistry than has hitherto been possible, showing both the important role played by his music in the Hollywood films of which it is a part and the importance in turn of Hollywood films for his compositional identity. In so doing, it challenges assumptions about the relationship between Korngold's film scores and his works for the concert hall and opera house in ways that draw attention to the significance of Hollywood for histories of twentieth-century music. *Columbia Pictures* Jim Pauley, 2024-10-15. Columbia Pictures reaches a major milestone in 2024 by celebrating the 100-year anniversary of Columbia's incorporation. In the same vein of recent Hollywood movie studio titles such as Warner Bros. The book has hundreds of photos, including studio documents, vintage publicity stills, and candid shots along with aerial views and maps. [From Hollywood to Disneyland](#) Robert Neuman, 2022-10-31. From its beginnings, Disneyland was destined to be something entirely different from the standard mid-century amusement park. To sell his dream park to investors and the public, Walt Disney recruited Hollywood art directors and sketch artists to design the grounds around the mythic settings and high-minded ideals commonly expressed on the silver screen. This book focuses on the initial planning of Disneyland and its first year of operation, a time when Walt personally oversaw every detail of the park's development. Divided into chapters by park zone, it reveals how the five sectors were constructed using illusionistic tricks of stage design. Reaching beyond structure and design, chapters also explore how the sectors Main Street, U.S.A., Frontierland, Tomorrowland, Adventureland, and Fantasyland represented themes found in Disney stories, familiar movie genres, and American culture at large.

[Play the Way You Feel](#) Kevin Whitehead, 2020. A guide to and history of movies that tell stories about jazz. *Play the Way You Feel* looks at how on-screen depictions compare to the real thing and at the often inventive ways these stories are told.

Captain of Her Soul Lara Gabrielle, 2022-09-27. Northern California Book Awards Shortlist. The comprehensive critical biography of silent screen star Marion Davies, who fittingly referred to herself as the captain of my soul. From Marion Davies's humble days in Brooklyn to her rise to fame alongside press baron William Randolph Hearst, the public life story of the film star plays like a modern fairy tale, shaped by gossip columnists, fan magazines, biopics, and documentaries. Yet the real Marion Davies remained largely hidden from view as she was wary of interviews and trusted few with her true life story. In *Captain of Her Soul*, Lara Gabrielle pulls back layers of myth to show a complex and fiercely independent woman ahead of her time who carved her own path. Through meticulous research, unprecedented access to archives around the world, and interviews with those who knew Davies, *Captain of Her Soul* counters the public story. This book reveals a woman who navigated disability and social stigma to rise to the top of a young Hollywood dominated by powerful men. Davies took charge of her own career, negotiating with studio heads and establishing herself as a top-tier comedienne, but her proudest achievement was her philanthropy and advocacy for children. This biography brings Davies out of the shadows cast by the Hearst legacy, shedding light on a dynamic woman who lived life on her own terms and declared that she was the captain of her soul.
