Business History and International Business Peter Buckley, 2014-01-02 Business History and International Business are cognate subjects There are few if any studies of international business that do not require a proper study of context International business decision making must be made relevant by a considered evaluation of the circumstances surrounding that decision This often means putting it into its historical context The contributions that the study of international business can make to business history are the input of appropriate theory and appropriate research methods The best international business theory can illuminate the seemingly disparate strategies of firms in given historical circumstances and can provide an integrated overarching conceptual structure of the study of business history The research

methods used in international business are also worthy of scrutiny by business historians The proposition of this book is that international business theory and method can complement business history This cross fertilization has been occurring with increasing regularity over the past few decades and this book brings together some of the fruits of this conjunction of two important intellectual domains This book was published as a special issue of *Business History* *Finances & Développement*, décembre 2012 International Monetary Fund, 2013-10-30 En distribuant des moustiquaires pour combattre le paludisme en construisant des coles ou bien encore en offrant un assainissement de base la philanthropie aide transformer le monde en d veloppement De riches donateurs consacrent des fortunes souvent b ties dans les logiciels le spectacle ou le capital risque pour vaincre la pauvret et promouvoir le bien tre servant d appoint l aide publique ou parfois m me la d passant De Bill et Melinda Gates et Warren Buffett Aliko Dangote et George Soros les titans du capitalisme financent de nobles causes Qu il s agisse de cr er de nouveaux vaccins de construire des biblioth ques ou de prot ger la for t amazonienne les philanthropes appuient l innovation sous toutes ses formes pour am liorer les conditions de vie et nourrir les aspirations Ce num ro de F D examine le monde de la philanthropie cibl e et de l entreprenariat social La philanthropie a un r le d amor age d clare Bill Gates le cofondateur de Microsoft et le plus g n reux donateur de la plan te La fondation s efforce de mettre en place un syst me qui permette aux forces du march d uvrer en faveur des pauvres Selon lui l effet de catalyse de la philanthropie peut tre d terminant Les bonnes id es ont besoin d ap tres et les laiss s pour compte de d fenseurs L ex pr sident Bill Clinton explique que les r seaux de coop ration cr ative entre les tats les entreprises et la soci t civile peuvent mieux r ussir r soudre les probl mes les plus pressants de la plan te Prakash Loungani brosse le portrait de l conomiste superstar Jeffrey Sachs champion de l all gement de la dette et des objectifs du Mill naire pour le d veloppement Nous examinons en quoi les pays pauvres peuvent avoir int r t distribuer une partie des recettes exceptionnelles qu ils tirent des ressources naturelles au lieu de financer des investissements pouvant tre source de corruption La rubrique Gros plan explique ce que font les banques centrales pour combattre la crise dans les pays avanc s Enfin nous d couvrons en quoi la croissance chinoise est une source de cr ativit pour le monde occidental Healing Capitalism Jem Bendell, Ian Doyle, 2017-09-08 The global response from business to social and environmental issues during the past decade has created a corporate responsibility movement But what has been the impact of this movement The financial crisis that began in 2007 has led more and more people to question the fundamentals of our economic system Now some within the corporate responsibility movement are developing a vision and practice of a new form of capitalism one that will require collective action to achieve Bendell and Doyle draw on Lifeworth s annual reviews of corporate responsibility and explain how business leaders stakeholders and related academe now need to experiment with new models that address the fundamental flaws of contemporary capitalism including monetary systems enterprise ownership and regulation This book will be a fantastic resource for business libraries as it records and analyses key events issues and trends in corporate responsibility during the
