Bornschein,2016-04-27 We are in the middle of a spiritual war and prayer is our most powerful weapon So why do we often treat it like a last resort Why do we struggle to prioritize our prayer life God wants us to speak to Him to draw closer to Him to gain His wisdom and understanding and even to change the world through our prayers A Prayer Warrior s Guide to Spiritual Battle edited by John Bornschein the vice chairman of the National Day of Prayer Task Force and an executive member of the National Prayer Committee explores the depth and power of a praying life Contributors discuss obstacles to prayer include inspirational stories and provide resources to help everyone gain a greater understanding of this powerful tool God has given us **Tactics of Truth** , The Salvation Army Year Book Salvation Army,1913 Revelation of Jesus Christ Grace Chung,2025-08-25 I was raised by my mother and my grandmother who were very devout Christians and who had believed in Jesus for four generations We all attended a Presbyterian church in South Korea and especially my

grandmother handed down her faith in Jesus to me through teaching me the bible and singing hymns for me The reason I translated this book was this The elder pastor from one of my former churches that I had attended asked me to interpret his sermons that he meditated on the words of Revelation When I refused to interpret his sermons Jesus appeared to me once in a cloud and confirmed me to translate his sermons from Korean to English So I obeyed the will of Jesus and interpreted his sermons from Korean to English While I was translating this book I saw Jesus shining His light upon me from Heaven Sometimes I could see even an angel pouring a jar of living water on me when I was translating this book from Korean to English While I was translating this book at 2 in the morning I even saw a mighty angel coming down from heaven whose face was so shining like the sun and whose voice was like the seven thunders This is the reason why I started interpreting this book This book is the words of God explaining about the book of Revelation and the end time It gives us the God s explanation about the plagues of seven bowls the perdition of the world the white throne judgment and heaven at the end This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world While I was translating this book Jesus showed me a pure river of life flowing from the top of the mountain to the sea Jesus showed me that this message of the words of Revelation must be the pure water of water flowing from the throne of God in heaven which will restore the spirits of people to life I wish you will all read these three books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end after all If you are pastors you can also preach these messages to your congregation since Jesus said not to close this book but to read and keep the things written in the book of Revelation I pray that whoever reads and keeps the things written in these books of the words of Revelation meet Jesus and be blessed according to the words written in the book of Revelation while they live in this world and enter into heaven after all I wish we will all meet in heaven someday May God bless you all

Beyond Trauma: Hope and Healing for Warriors Dean Bonura, 2016-03-03

It is estimated that well over 250 000 military veterans from Iraq and Afghanistan are suffering today from PTSD and even more from post traumatic stress or PTS Clinical interventions alone do not adequately address all the issues associated with PTSD There is also a profound spiritual dimension to trauma and it is frequently manifested in post trauma symptoms such as guilt grief and shame and in various forms of loss including loss of meaning loss of faith and loss of peace Pastors chaplains and Christian counselors have a legitimate healing role alongside clinicians in addressing the spiritual aspects of trauma through spiritual interventions that are based on Scripture and leverage new ways of viewing trauma and assumptions about its meaning Beyond Trauma Hope Healing for Warriors equips pastors chaplains and other pastoral caregivers with the knowledge and resources to not only understand the spiritual effects of trauma but to make appropriate interventions that will lead veterans

in their churches and communities to healing and growth
