Wartime Kiss Wartime Kiss:

Wartime Kiss Alexander Nemerov, 2013 A deeply personal meditation on the haunting power of American photos and films of the 1940s *Wartime Kiss* is a personal meditation on the haunting power of American photographs and films from World War II and the later 1940s Starting with a stunning reinterpretation of one of the most famous photos of all time Alfred Eisenstaedt's image of a sailor kissing a nurse in Times Square on V J Day Alexander Nemerov goes on to examine an array of mostly forgotten images and movie episodes from a photo of Jimmy Stewart and Olivia de Havilland lying on a picnic blanket in the Santa Barbara hills to scenes from such films as *Twelve O'Clock High* and *Hold Back the Dawn* Erotically charged and bearing traces of trauma even when they seem far removed from the war these photos and scenes seem to hold out the promise of a palpable and emotional connection to those years Through a series of fascinating stories Nemerov reveals the surprising background of these bits of film and discovers unexpected connections between the war and Hollywood from an obsession with aviation to Anne Frank's love of the movies Beautifully written and illustrated *Wartime Kiss* vividly evokes a world in which Margaret Bourke White could follow a heroic assignment photographing a B 17 bombing mission over Tunis with a job in Hollywood documenting the filming of a war movie Ultimately this is a book about history as a sensuous experience a work as mysterious indescribable and affecting as a novel by W G Sebald [Wartime and Patriotic Selections for Recitation and Reading](#) Carleton B. Case, 1918

British Popular Culture and the First World War Jessica Meyer, 2008-05-31 Much of the scholarship examining British culture of the First World War focusses on the high culture of a limited number of novels memoirs plays and works of art and the cultural reaction to them This collection by focussing on the cultural forms produced by and for a much wider range of social groups including veterans women museum visitors and film goers greatly expands the debate over how the war was represented by participants and the meanings ascribed to it in cultural production Showcasing the work of both established academics and emerging scholars of the field this book covers aspects of British popular culture from the material cultures of food and clothing to the representational cultures of literature and film The result is an engaging and invigorating re examination of the First World War and its place in British culture Contributors are Keith Grieves Rachel Duffett Jane Tynan Krisztina Robert Lucy Noakes Stella Moss Carol Acton Douglas Higbee John Pegum Eugene Michail Victoria Stewart Virginie Renard Claudia Sternberg Richard Espley and Stephen Badsey Erratum Introduction Jessica Meyer page 11 in the first sentence of the second paragraph for talke read talk **The**

Familiar Made Strange Brooke L. Blower, Mark Philip Bradley, 2015-06-04 In *The Familiar Made Strange* twelve distinguished historians offer original and playful readings of American icons and artifacts that cut across rather than stop at the nation's borders to model new interpretive approaches to studying United States history These leading practitioners of the transnational turn pause to consider such famous icons as John Singleton Copley's painting *Watson and the Shark* Alfred Eisenstaedt's photograph *V J Day 1945 Times Square* and Alfred Kinsey's reports on sexual behavior as well as more

surprising but revealing artifacts like Josephine Baker's banana skirt and William Howard Taft's underpants. Together they present a road map to the varying scales, angles and methods of transnational analysis that shed light on American politics, empire, gender and the operation of power in everyday life. *The Wartime Singers* Lesley Eames, 2021-07-08. I have struggled to find words to describe this book. It was breath-taking. NetGalley Reviewer 5 stars. With war looming, can they lift the spirits of the troops? It's 1914 and the effects of war are reaching London. Sick and injured servicemen are returning home and Lizzie Kellaway and her godmother Margaret Penrose are determined to do their bit to help them. With Lizzie's beautiful singing voice and Margaret's talent for the piano, concerts in hospitals and convalescent homes offer the perfect opportunity to lift the spirits of men who have suffered so much. When Polly Meadows's fiancé rejects her and leaves for the war, she doesn't hesitate before travelling to London to be with her childhood friend Lizzie. It isn't long before she's persuaded to join their efforts to entertain the troops. At least while performing, Polly can forget her troubles and open her soul to the joy of singing. But the ongoing war brings even more heartache. With all three women facing struggles, one thing is certain: these wartime singers will need each other more than ever before. A heartwarming and gritty wartime saga, perfect for fans of Nancy Revell, Molly Green and Elaine Everest. Readers love *The Wartime Singers*. BRILLIANT. NetGalley Reviewer 5 stars. Loved it, especially the twist at the end. NetGalley Reviewer 5 stars. Gorgeously written with thoughtfulness, this story captured my heart. Historical Fiction, Women's Fiction and General Fiction lovers ought to pick up this winner of a book, both gentle and powerful. NetGalley Reviewer 5 stars. I hated to put it down and go back to my daily life. NetGalley Reviewer 4 stars. Fantastic. I would recommend. NetGalley Reviewer 5 stars. Such an EPIC MEET CUTE. It was so unique, sudden. I loved it. I had so much fun. I almost want to break out into applause every time, courtesy of such succinct yet picturesque writing. NetGalley Reviewer 4 stars. A breath of fresh air. NetGalley Reviewer 5 stars. Loved reading every single page of this heartwarming saga and five stars from me. NetGalley Reviewer 5 stars. So enjoyed reading every page, saga readers will get pulled into this book right to the end. NetGalley Reviewer 5 stars. Such a beautiful and poignant tale. I have nothing but praise for this outstanding book and can highly recommend. NetGalley Reviewer 5 stars. *Touch and Intimacy in First World War Literature* Santanu Das, 2006-04-06. The First World War ravaged the male body on an unprecedented scale yet fostered moments of physical intimacy and tenderness among the soldiers in the trenches. Touch, the most elusive and private of the senses, became central to war experience. War writing is haunted by experiences of physical contact from the muddy realities of the front to the emotional intensity of trench life to the traumatic obsession with the wounded body in nurses' memoirs. Through extensive archival and historical research, analysing previously unknown letters and diaries alongside literary writings by figures such as Owen and Brittain, Santanu Das recovers the sensuous world of the First World War trenches and hospitals. This original and evocative study alters our understanding of the period as well as of the body at war and illuminates the perilous intimacy between sense, experience, emotion and language as we try to make meaning in times of crisis. The war that won't die

David Archibald, 2021-06-15 The war that won't die charts the changing nature of cinematic depictions of the Spanish Civil War In 1936 a significant number of artists filmmakers and writers from George Orwell and Pablo Picasso to Joris Ivens and Joan Mir rallied to support the country's democratically elected Republican government The arts have played an important role in shaping popular understandings of the Spanish Civil War and this book examines the specific role cinema has played in this process The book's focus is on fictional feature films produced within Spain and beyond its borders between the 1940s and the early years of the twenty first century including Hollywood blockbusters East European films the work of the avant garde in Paris and films produced under Franco's censorial dictatorship The book will appeal to scholars and students of Film Media and Hispanic Studies but also to historians and indeed anyone interested in why the Spanish Civil War remains such a contested political topic

The Kiss in History Karen Harvey, 2005-07-15 Writers have previously placed the action of kissing into categories kisses of love affection peace respect and friendship Each of the essays in this fascinating book takes a single kind of kiss and uses it as an index to the past For rather than offering a simple history of the kiss this book is about the kiss in history In this collection an eminent group of cultural historians explore the kiss through sources as diverse as religious texts popular prints court depositions periodicals diaries and poetry This collection shows that by analyzing the kiss and its position embedded as it is as part of our culture history can use small gestures to take us to big issues concerning ourselves and others the past and the present

War and Remembrance Herman Wouk, 2010-01-30 A masterpiece of historical fiction and a journey of extraordinary riches New York Times Book Review War and Remembrance stands as perhaps the great novel of America's Greatest Generation These two classic works capture the tide of world events even as they unfold the compelling tale of a single American family drawn into the very center of the war's maelstrom The multimillion copy bestsellers that capture all the drama romance heroism and tragedy of the Second World War and that constitute Wouk's crowning achievement are available for the first time in trade paperback

The Decisive Network Nadya Bair, 2020-07-07 Since its founding in 1947 the legendary Magnum Photos agency has been telling its own story about photographers who were witnesses to history and artists on the hunt for decisive moments Based on unprecedented archival research The Decisive Network unravels Magnum's mythologies to offer a new history of what it meant to shoot edit and sell news images after World War II Nadya Bair shows that between the 1940s and 1960s Magnum expanded the human interest story to global dimensions while bringing the aesthetic of news pictures into new markets Working with a vast range of editorial and corporate clients Magnum made photojournalism integral to postwar visual culture But its photographers could not have done this alone By unpacking the collaborative nature of photojournalism this book shows how picture editors sales agents spouses and publishers helped Magnum photographers succeed in their assignments and achieve fame Bair concludes in the late 1960s and early 1970s when changing market conditions led Magnum to consolidate its brand In that moment Magnum's photojournalists became artists and their assignments oeuvres Bridging art history media studies cultural history

and the history of communication The Decisive Network transforms our understanding of the photographic profession and the global circulation of images in the predigital world *One Family's War* Clarence Bourassa,2010 For half a century a box had lain undisturbed buried under years of accumulated clutter in the back room of a house The contents of the box stacks of letters neatly bundled in chronological order four years worth The letter writer was Clarence Bourassa who had enlisted with the South Saskatchewan Regiment in March 1940 Clarence s son Rollie had never known of the letters existence His mother to whom the letters were written had never spoken of them Then in 1995 Rollie discovered the letters and he came to know the father who had never returned from war The correspondence reveals the fear hunger fatigue and loneliness of Clarence s wartime experience His firsthand account of his participation in the disastrous Dieppe Raid makes the book a valuable historical document and a major contribution to Canada s military history **Theatres of War** R J J Hall,2013-09-01 On the landing beaches at Salerno in September 1943 two soldiers face the German bombardment together but they come from different worlds Frank grew up in the backstreets of London but he s clever and is now an officer Edmund is a cricketer from a landed family Vermillion had fallen for Edmund in Cairo where she monitored German communications Desperate to see him again she gets transferred to war torn Naples But when Frank discovers an abandoned theatre and stages a revue she can t stay away It proves such a success that Frank is ordered to stay in Naples and put on more shows Vermillion joins him and her life becomes enmeshed with both men While Edmund fights in the bitter winter battles near Monte Cassino Frank dreams of staging an opera Vermillion still loves Edmund but she doesn t want him running her life And working with Frank she experiences the independence she s longed for Vermillion feels fulfilled but a time is soon coming when she ll have to choose *Theatres of War* is a love story about sacrifice and duty and a war story about self discovery and love Seen through the eyes of combatants and civilians it evokes the convulsions of the forgotten Italian campaign of World War II It makes a gripping read for anyone with an interest in historical wartime novels Italy opera and love stories **God Bless America: Tin Pan Alley Goes to War** Kathleen E.R. Smith,2003 Neither group however could foresee to what extent the war effort would be defined by advertisers and merchandisers One advertiser described morale as a lot of little things and those little things included beer chewing gum tobacco breakfast cereal virtually every product on the American market Selling merchandise was always the first priority of Tin Pan Alley and the OWI never swayed them from this course **BOOK JACKET THE FIRST NIGHT OF WAR** Gabriel White,2024-08-31 *THE FIRST NIGHT OF WAR* is a diary that comes straight from the front detailing the harsh reality of today s war between Russia and Ukraine A story of love courage and strength Victoria a young teacher who lives quietly with her husband in Kiev until the night Russia bombs the city The looming threat of death floods the Ukrainians as they seek shelter and grasp at hope When Victoria ends up becoming a prisoner of the Russians David a young Russian officer falls in love with her and both their lives take a sudden turn Under constant threat of bullets and night attacks surrounded by corpses and blood Victoria battles her own tears and

gripping fear wondering if she will manage to save her marriage and return to a normal life again **American Classic Screen Features** John C. Tibbetts, James M. Welsh, 2010-09-28 First appearing in 1976 American Classic Screen was the publishing arm of The National Film Society Intended for scholars and general readers interested in films from the golden age of cinema and beyond the magazine ran for a decade and included original interviews profiles and articles that delved deep into the rich history of Hollywood Contributors to the magazine included noted academics in the area of film studies as well as independent scholars and authors eager to expand the world of cinema Since the periodical's demise however many of the essays and articles have been difficult to find at best and in some cases entirely unavailable In American Classic Screen Features editors John C Tibbetts and James M Welsh have assembled some of the most significant and memorable essays and critical pieces written for the magazine over its ten year history This collection contains fascinating accounts of Hollywood history including articles on Marilyn Monroe's first screen test John Ford's favorite film Olivia De Havilland's lawsuit against Warner Bros Walt Disney's unfinished projects and Stanley Kubrick's early noir classics as well as such articles as The Rise and Fall of the California Motion Picture Company Red Alert Images of Communism in Hollywood Uncensored Garbo and The Lost Movie of Errol Flynn This volume also contains in depth examinations of classic films including Birth of a Nation The Big Parade The Jazz Singer King Kong and Citizen Kane This compendium of essays recaptures the spirit and scholarship of that time and will appeal to both scholars and fans who have an abiding interest in the American motion picture industry Amsterdam Diaries, Life Writing and Identity Laura Hasselt, Marleen

Rensen, Leonieke Vermeer, Ernestine Hoegen, 2025-10-20 This volume invites readers to rediscover Amsterdam through the intimate lens of its inhabitants Amsterdam Diaries Life Writing and Identity offers a rich and layered portrayal of the city through the self narratives of ordinary individuals from the eighteenth century to the present Exploring diaries letters oral histories and digital self expressions this volume reveals how people have experienced navigated and shaped their urban environment across time It bridges life writing studies and urban history shedding light on questions of identity belonging and the emotional bonds between individuals and the city Special attention is given to marginalised voices including migrant experiences and to the evolving forms of self representation in the digital age Expanding the boundaries of life writing the collection even incorporates non human perspectives such as dogs and bicycles Together these diverse narratives offer a kaleidoscopic view of life in Amsterdam illustrating how the city is both a shared space and a deeply personal landscape

The Wartime Book Club Kate Thompson, 2024-04-09 Inspired by true events The Wartime Book Club is an unforgettable story of everyday bravery and resistance full of romance drama and camaraderie and a tribute to the joy of reading and the power of books in our darkest hour The Isle of Jersey was once a warm and neighborly community but in 1943 German soldiers patrol the cobbled streets imposing a harsh rule Nazis have ordered Grace La Mott the island's only librarian to destroy books that threaten the new regime Instead she hides the stories away in secret Along with her headstrong best

friend she wants to fight back So she forms the Wartime Book Club a lifeline offering fearful islanders the joy and escapism of reading But as the occupation drags on the women s quiet acts of bravery become more perilous and more important than ever before And when tensions turn to violence they are forced to face the true terrible cost of resistance Based on astonishing real events The Wartime Book Club is a love letter to the power of books in the darkest of times as well as a moving page turner that brings to life the remarkable untold story of an island at war The Women Who Wrote the War Nancy Caldwell Sorel,1999 Like Tom Brokaw s The Greatest Generation Sorel s moving account of the women war correspondents of this century at last brings to light the exploits of more than 100 of this country s unsung heroes of photos

Family Men Laura King,2015 Fathers are often neglected in histories of family life in Britain Family Men provides the first academic study of fathers and families in the period from the First World War to the end of the 1950s It takes a thematic approach examining different aspects of fatherhood from the duties it encompassed to the ways in which it related to men s identities The historical approach is socio cultural each chapter examines a wide range of historical source materials in order to analyse both cultural representations of fatherhood and related social norms as well as exploring the practices and experiences of individuals and families It uncovers the debates surrounding parenting and family life and tells the stories of men and their children While many historians have examined men s relationship to the home and family in histories of gender family life domestic spaces and class cultures more generally few have specifically examined fathers as crucial family members as historical actors and as emotional individuals The history of fatherhood is extremely significant to contemporary debate assumptions about fatherhood in the past are constantly used to support arguments about the state of fatherhood today and the need for change or otherwise in the future Laura King charts men s changing experiences of fatherhood suggesting that although the roles and responsibilities fulfilled by men did not shift rapidly their relationships position in the family and identities underwent significant change between the start of the First World War and the 1960s **The**

Complete Wartime Correspondence of Tsar Nicholas II and the Empress Alexandra Nicholas II (Emperor of Russia),Empress Alexandra (consort of Nicholas II, Emperor of Russia),1999-03-30 Nicholas and Alexandra exchanged nearly 1 700 letters and telegrams from April 28 1914 to March 7 1917 All of the letters and most of the telegrams are in English with a considerable use in descending order of Russian French and German words expressions and phrases The letters and telegrams are published here in the order in which they were written The importance of the Nicky Sunny correspondence is clear Sir Bernard Pares thought these letters to be the most important historical source for the subjects with which they deal and the main subject of them is the governance of the Russian Empire Introduction
