Washington Il Postcard History

Robert Bogdan, Todd Weseloh

Washington Il Postcard History:

Washington Zachary R. Borders,2007 In 1825 a blacksmith from North Carolina by the name of William Holland settled in an area east of Peoria Holland had been employed by the United States government to manufacture rifles for the Native American population in the area and he later laid out the original town that would be named Washington This town soon included the proud and beloved commercial square and the beautiful neighborhoods that surround and support it to this day

Picturing Illinois John A. Jakle,Keith A. Sculle,2012-09-15 The American picture postcard debuted around the start of the twentieth century creating an enthusiasm for sending and collecting postcard art that continued for decades As a form of popular culture scenic postcards strongly influenced how Americans conceptualized both faraway and nearby places through portrayals of landscapes buildings and historic sites In this gloriously illustrated history of the picture postcard in Illinois John A Jakle and Keith A Sculle study a rich and diverse set of images that chronicle what Illinoisans considered attractive intriguing and memorable They also discuss how messages written on postcards reveal the sender s personal interpretation of local geography and scenery The most popularly depicted destination was Chicago America s great boomtown Its portraits are especially varied showing off its high rise architecture its teeming avenues and the vitality of its marketplaces and even slaughterhouses Postcards featuring downstate locales however elaborated and reinforced stereotypes that divided the state portraying the rest of Illinois as the counterpoint to Chicago s urban bustle Scores of cards from Springfield Peoria Bloomington Normal Urbana Champaign Quincy and Vandalia emphasize wide open prairies modest civic edifices and folksy charm The sense of dichotomy between Chicago and the rest of Illinois was of course a substantial fallacy since the city s very prosperity depended upon the entire state s fertile farmlands natural resources and small industries Jakle and Sculle follow this dialogue between urban Chicago and rural downstate as it is illustrated on two hundred vintage postcards observing both their common conventions and their variety They also discuss the advances in printing technology in the early 1900s that made mass appeal possible Providing rich historical and geographical context *Picturing Illinois Twentieth Century Postcard Art* from Chicago to Cairo illustrates the picture postcard s significance in American popular culture and the unique ways in which Illinoisans pictured their world

Galesburg Illinois in Vintage Postcards Carley R. Robison,2000 Galesburg Illinois is a town proud of its history and heritage From its founding by courageous and determined pioneers in 1837 to the present day it has been referred to in many ways including The Ideal City and The Buckle on the Corn Belt *Galesburg Illinois in Vintage Postcards* uses postcards as the lens to focus on the fascinating history of this Midwestern town Throughout its history the postcard has always been a popular means of communication Looking back at them now we are offered a unique insight into the places and times illustrated on the cards and an intimate look at the people sending these cards to loved ones in faraway locations *Historical and Popular Culture Americana* Heritage Auction Galleries (Dallas, Tex.),2007

Postcards in the Library Norman D Stevens,2014-01-09 Postcards individually and collectively contain a

great deal of information that can be of real value to students and researchers Postcards in the Library gives compelling reasons why libraries should take a far more active and serious interest in establishing and maintaining postcard collections and in encouraging the use of these collections It explains the nature and accessibility of existing postcard collections techniques for acquiring arranging preserving and handling collections and ways to make researchers and patrons aware of these collections Postcards in the Library asserts that in most cases existing postcard collections are a vastly underutilized scholarly resource Editor Norman D Stevens urges librarians to help change this since postcards as items for mass consumption and often with no apparent conscious literary or social purpose are a true reflection of the society in which they were produced Stevens claims that messages written on postcards may also reveal a great deal about individual and or societal attitudes and ideas Chapters in Postcards in the Library are written by librarians who manage postcard collections postcard collectors and researchers Some of the authors have undertaken major research projects that demonstrate the ways in which postcards can be used in research and that have begun to establish a standard methodology for the analysis of postcards They write about major postcard collections including the Institute of Deltiology and the Curt Teich Postcard Archives the use of postcards for scholarly research postcard conservation and preservation arrangement and organization and importance and value Postcards in the Library describes the postcard collections in a variety of libraries of different kinds and sizes and indicates very real ways in which the effective use of postcard collections can result in and contribute to substantive scholarly publications It also offers advice and suggestions on the myriad issues that libraries face in handling these ephemeral fragments of popular culture Special collections librarians postcard collectors postcard dealers and historical societies will find the information in Postcards in the Library refreshing and practical Libraries with established postcard collections or those thinking about developing postcard collections will use it as a valuable planning tool and start to finish guide

Emma's Postcard Album Faith Mitchell, 2022-12-21 BCALA 2023 Outstanding Contribution to Publishing Citation Award winner The turn of the twentieth century was an extraordinarily difficult period for African Americans a time of unchecked lynchings mob attacks and rampant Jim Crow segregation During these bleak years Emma Crawford a young African American woman living in Pennsylvania corresponded by postcard with friends and family members and collected the cards she received from all over the country Her album spanning from 1906 to 1910 and analyzed in Emma's Postcard Album becomes an entry point into a deeply textured understanding of the nuances and complexities of African American lives and the survival strategies that enabled people to make a way from no way As snippets of lived experience eye catching visual images and reflections of historical moments the cards in the collection become sources for understanding not only African American life but also broader American history and culture In Emma's Postcard Album Faith Mitchell innovatively places the contents of this postcard collection into specific historic and biographical contexts and provides a new interpretation of postcards as life writings a much neglected aspect of scholarship Through these techniques a riveting world that is far too

little known is revealed and new insights are gained into the perspectives and experience of African Americans Capping off these contributions the text is a visual feast illustrated with arresting images from the Golden Age of postcards as well as newspaper clippings and other archival material

Collections Vol 12 N4 Juilee Decker, Collections, 2016-12-22 This focus issue of the journal draws attention to Collections in a Digital Age The essays are like digital public history itself multi faceted showing a variety of possibilities opportunities challenges and best practices at a range of institutions or dealing with an assortment of historical materials The contributions are drawn from working group activity at the April 2015 annual meeting of the National Council on Public History

Journal of Illinois History, 1998 Real Photo Postcard Guide Robert Bogdan, Todd Weseloh, 2006-09-21 The Real Photo Postcard Guide is an informative comprehensive and practical treatment of this wildly popular American phenomenon that dominated the United States photographic market during the first third of the twentieth century Robert Bogdan and Todd Weseloh draw on extensive research and observation to address all aspects of the photo postcard from its history origin and cultural significance to practical matters like dating purchasing condition and preservation Illustrated with over 350 exceptional photo postcards taken from archives and private collections across the country the scope of the Real Photo Postcard Guide spans technical considerations of production characteristics of superior images collecting categories and methods of research for dating photo postcards and investigating their photographers In a broader sense the authors show how real photo postcards document the social history of America From family outings and workplace awards to lynchings and natural disasters every image captures a moment of American cultural history from the society that generated them Bogdan and Weseloh s book provides an admirable integration of informative text and compelling photographic illustrations Collectors archivists photographers photo historians social scientists and anyone interested in the visual documentation of America will find the Real Photo Postcard Guide indispensable

Gender and Landscape Josephine Carubia, Lorraine Dowler, Bonj Szczygiel, 2013-04-15 This volume a feminist inquiry into the landscape provides a bridge between feminist discussions of space and place and landscape interpretations

Connecting Kids to History with Museum Exhibitions D Lynn McRainey, John Russick, 2016-09-16 Kids have profound and important relationships to the past but they don t experience history in the same way as adults For museum professionals and everyone involved in informal history education and exhibition design this book is the essential new guide to creating meaningful and memorable connections to the past for children This vital museum audience possesses many of the same dynamic qualities as trained historian curiosity inquiry empathy for the human experience yet traditional history exhibitions tend to focus on passive looking in the galleries giving priority to relaying information through words D Lynn McRainey and John Russick bring together top museum professionals to present state of the art research and practice that respects and incorporates kids developmental stages and learning preferences and the specific ways in which kids connect to history They provide concrete tools for audience research and evaluation exhibition development and design and working with kids as creative consultants

The only book to focus comprehensively on history exhibits for kids **Connecting Kids to History With Museum Exhibitions** shows how to enhance the experiences of a vitally important but frequently the least understood museum audience

Women's Activist Organizing in US History, 2022-04-12 Women in the United States organized around their own sense of a distinct set of needs skills and concerns And just as significant as women s acting on their own behalf was the fact that race class sexuality and ethnicity shaped their strategies and methods This authoritative anthology presents some of the powerful work and ideas about activism published in the acclaimed series **Women Gender and Sexuality in American History** Assembled to commemorate the series thirty fifth anniversary the collection looks at two hundred years of labor activist legal political and community organizing by women against racism misogyny white supremacy and inequality The authors confront how the multiple identities of an organization s members presented challenging dilemmas and share the histories of how women created change by working against inequitable social and structural systems Insightful and provocative **Women s Activist Organizing in US History** draws on both classic texts and recent bestsellers to reveal the breadth of activism by women in the United States in the nineteenth and twentieth centuries Contributors Daina Ramey Berry Melinda Chateauvert Tiffany M Gill Nancy A Hewitt Treva B Lindsey Anne Firor Scott Charissa J Threat Anne M Valk Lara Vapnek and Deborah Gray White

Illinois Education, 1917 **Postcard America** Jeffrey L. Meikle, 2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and 40s is an incredible tour A veritable treasure trove of American culture Crave Online From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular with close to a billion printed and sold **Postcard America** offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard s subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images

Transactions Carmarthenshire Antiquarian Society and Field Club, 1915 **Years's Transactions of the Carmarthenshire Antiquarian Society and Field Club ...** Carmarthenshire Antiquarian Society and Field Club, 1917 **The American Philatelist**, 2000 Beginning with 1894 consists mainly of the Proceedings etc of the

American philatelic association Encyclopedia of African American History, 1896 to the Present Paul Finkelman, 2009
Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century *Postcards* Lydia Pyne, 2021-10-13 A global exploration of postcards as artifacts at the intersection of history science technology art and culture Postcards are usually associated with banal holiday pleasantries but they are made possible by sophisticated industries and institutions from printers to postal services When they were invented postcards established what is now taken for granted in modern times the ability to send and receive messages around the world easily and inexpensively Fundamentally they are about creating personal connections links between people places and beliefs Lydia Pyne examines postcards on a global scale to understand them as artifacts that are at the intersection of history science technology art and culture In doing so she shows how postcards were the first global social network and also here in the twenty first century how postcards are not yet extinct

Building Taliesin Ron McCrea, 2013-10-07 Through letters memoirs contemporary documents and a stunning assemblage of photographs many of which have never before been published author Ron McCrea tells the fascinating story of the building of Frank Lloyd Wright's Taliesin which would be the architect's principal residence for the rest of his life Photos taken by Wright's associates show rare views of Taliesin under construction and illustrate Wright's own recollections of the first summer there and the craftsmen who worked on the site The book also brings to life Wright's kindred spirit she for whom Taliesin had first taken form Mamah Borthwick Wright and Borthwick had each abandoned their families to be together causing a scandal that reverberated far beyond Wright's beloved Wisconsin valley The shocking murder and fire that took place at Taliesin in August 1914 brought this first phase of life at Taliesin to a tragic end

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through **Washington Il Postcard History**

In some sort of inundated with monitors and the cacophony of fast connection, the profound power and mental resonance of verbal artistry often fade in to obscurity, eclipsed by the constant assault of sound and distractions. Yet, set within the lyrical pages of **Washington Il Postcard History**, a charming function of literary brilliance that impulses with organic emotions, lies an unique trip waiting to be embarked upon. Composed by way of a virtuoso wordsmith, that mesmerizing opus instructions visitors on a mental odyssey, gently exposing the latent possible and profound influence embedded within the intricate web of language. Within the heart-wrenching expanse with this evocative analysis, we can embark upon an introspective exploration of the book is central themes, dissect their charming writing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
