Watching Over The Heart:

Looking upon the Heart Pete Carlson, MFT, 2020-06-09 BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart the choice of which we morph into could either enhance or hinder the attainment of abundant life in Christ Throughout time people have been searching for the meaning of life and the way to find fulfillment It is the intention of this book to show how by Looking upon the Heart where Jesus may live we can actualize healing and holiness at any moment in time In this in depth Christian psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart Our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper and decision maker and therefore the overall determiner of the whole person s behavior personal growth and spiritual maturity We are to embrace a complete understanding of the biblical heart its five dispositions in order to overcome psychological behavioral and relational dysfunction and sin Only then can we successfully and consistently experience oneness with God through Jesus living and actively operating within our hearts As a result of Looking upon the Heart the Lord reigns and leads us to a life of victory in Jesus **Watching Over the Heart** Michael C. Sharrett, Paul G. Settle, 2005-07-30 Rev Sharrett attempts to examine problems with the heart how the gospel sets the heart free the nature of the heart s warfare how a healthy heart works and how a grace filled heart triumphs over some of life s stumbling blocks Christian Religion **Angels Watching Over Me** Carol Roach, 2007-05-01 Carissa Forbes a young Black girl of seventeen leaves her beloved family in rural Nova Scotia to make a life for herself in the Montreal Quebec Canada Much befalls this young girl as she tries to adapt to big city life She meets and falls in love with a French Canadian man and is faced with an awful truth at the end of their relationship that changes her life forever Carissa has an extraordinary ability to communicate with angels In all of this Carissa maintains contact with the spirit world even when she ignores the warnings Imaginary friends dreams fortune tellers and special numbers all play an integral part of this woman s life until the end of her journey Once her daughter marries and creates a life for herself Carissa is finally at peace Her angels have come through for her and she is finally happy A Nobody's Heart Jessica Powles, 2012-09 The Bleeding Heart Shellbie Breau, 2021-06-10 The Bleeding Heart The Eternal Love Novels By Shellbie Breau What would you do in a world that was not what it seemed In a

world that our deepest darkest fears and the boogie monsters that we swore were under our beds at night were real Join me in a story about a girl that should have never existed and a guy that was disowned by his pack and left to fight for himself What will happen and is love to overcome all boundaries and taboos of their world My feet pounding against the ground My heart racing to keep up I ran I ran as hard I could I can't fail I thought I can't fail her she must live for Abigail she must live for all who suffered at the hands of those monsters His speed slowed at the memory of his beautiful wife that died only a couple hours ago giving birth to his one and only baby girl FLEE His Bain screamed at him They are right behind me RUN He could sense his pursuit behind him he could hear them thrashing through the forest screaming at and cursing as they chased him He increased his speed Yes he thought chase me because every step you take is a step away from my angel Isabella you will not have her Give up they screamed behind me there is nowhere to run you will burn for the crimes you committed against your race He couldn't help but laugh at that as he ran through the thick brush and undergrowth of the forest in the northern mountains of Montana he laughed so hard he almost lost his footing gathering his wits again he screamed over his shoulder If loving another is a crime then I would do it a thousand times more The Bleeding Heart follows a young lady who progresses through life that is constantly challenging her in her mortality her personality and basically everything about her It throws obstacles at her that normal people probably wouldn't get over and with her It makes her personality and her overall character grow in to a story line hero even though she doesn't really want to be a hero The Bleeding Heart reminds us that we should never think we don't have a voice and even though this life may make us seem as if we are on a rollercoaster going up and down and we can't seem to stop we can't seem to make anything go right we do have people who surround us who care enough about us to help

That Kiss From Heaven Fell On My Heart C. Nicole Treadwell, 2009-03-16 Nicole Treadwell has a secret If she reveals it she will surely die Of course she knows it's true because certain death is what he promised her after the incident in the deep woods years ago Her fate ever in his hands keeping the secret guts her on the inside as she struggles to make ends meet serving as a law clerk to a dangerously ambitious judge in the Nation's Capitol with secrets of her own Nicole is tired exhausted toying with thoughts she's afraid to own of letting life go Her life is unraveling her sound mind frayed At the end of herself she knows she can't save herself but who can Worse does she want to be saved A swift reply to both questions comes in the way of a still small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss In contrast Nicole's former law school chum and classmate Timothy Grue is a hotshot private attorney who blazes notorious trails in and out of the courtroom Both handsome and brash owing to his kinship with privilege and social standing of a fine Philadelphia family he seems to have the world on a string every creature comfort easily within his reach including an overabundance of company from the fairer sex Despite his privilege and pedigree Tim later learns that it came at a very high price By a stroke of legal fortune or misfortune their paths collide professionally as Tim is handpicked to represent an A List Hollywood client in a lawsuit over which Nicole's boss is the presiding judge Not so secretly the judge relishes the prospect of having her fifteen seconds of fame before the world press Her staff knows that the attention from the paparazzi may prove to be her professional undoing and theirs Her job potentially on the line Nicole contacts Tim Grue for a clandestine meeting of the minds but will Tim take the bait and sign on to Nicole's harmless solution Their former friendship on course to self ignite or implode sets in motion a chain of events that blast open the door to Nicole's secret past and their bitter sweet history and where crises of identity spirituality and morality intersect conflicting issues of race and class deepen already murky waters as Nicole is black and Timothy is white

Yet as between the two they want to know why race is still an issue at all On the road from hell to higher ground both learn that anything worth having is always tried by fires of a faith that asks simply what do you really believe And more can redemption ever come too late
