REVIEWING 2013 New World Translation of Jehovah's Witnesses Edward D. Andrews, 2018-01-28 REVIEWING 2013 New World Translation of Jehovah's Witnesses is going to challenge your objectivity Being objective means that personal feelings or opinions do not influence you in considering and representing facts Being subjective means that your understanding is based on or influenced by personal feelings tastes or ideas If the reader finds these insights offense it might be a little mind control at work from years of being told the same misinformation repeatedly so ponder things objectively We can also have preconceived ideas that have been a part of our thinking for so long we do not question them Preconceived is an idea or opinion that is formed before having the evidence for its truth If we are to be effective we must season our words so that they are received well Then there is the term preconception which means a preconceived idea or prejudice Seasoned words honesty and accuracy are distinctive features of effective apologetic evangelism **Jehovah's Witnesses** George D. Chryssides, 2022-01-27 What would happen if I accepted an invitation to Bible Study from Jehovah's Witnesses What would attending a Kingdom Hall meeting involve And if I invited door knocking Witnesses into my home This book introduces Jehovah's Witnesses without assuming prior knowledge of the Watch Tower organization After outlining the Society's origins and history the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses and progresses to take instruction and become a baptized member The book then explores what is involved in being a Witness congregational life lifestyle rites of passage their understanding of the Bible and prophetic expectations It examines the various processes and consequences of leaving the organization controversies that have arisen in the course of its history and popular criticisms Discussion is given to the likelihood of reforms within the organization such as its stance on blood transfusions the role of women and new methods of meeting and evangelizing in response to the COVID 19 pandemic **The Incarnate Christ and His Critics** Robert M. Bowman Jr., J. Ed Komoszewski, 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God's eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah's Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ
